CHAPTER FIVE: ELECTIONS OF OFFICERS AND COMMITTEES

RULE 32: THE RETURNING OFFICER AND HIS DEPUTIES

(a) *Appointment of Deputy Returning Officers (DROs)*

(i) *Advertisement and Applications.* The President shall advertise on the Society's notice boards for Members to apply for the posts of Deputy Returning Officers for the term's Main Elections; such advertisement shall be posted one week before the deadline for application. The President shall further advertise these posts at the meeting of Consultative Committee immediately preceding the deadline for application. Applications should include details of relevant experience, and must be submitted to the President before 3p.m. on the day of the Ordinary Meeting of Standing Committee in Second Week. Applications may not be withdrawn, although those who become DROs shall have the right to resign.

(ii) *Shortlist.* Before the Ordinary Meeting of Standing Committee in Second Week, the President, the Returning Officer and the Chairman of Consultative Committee shall compile a list, prioritised⁴⁹ on the basis of their experience and capability⁵⁰, of members from those who applied under (i) above. This list shall be presented to the Ordinary Meeting of Standing Committee in Second Week. Regarding this list:

- (1) Precisely eight shall be applicants who have not served as Returning Officer of the Society in any previous term. If there are fewer than eight such applicants they shall all appear on the list.
- (2) The Returning Officer shall be added to the list;
- (3) Any Ex-Returning Officer who applies shall be added to the list;
- (4) No Member shall be placed on the list if he is a voting member of the Standing Committee, nor if he has not been convicted of Electoral Malpractice or any Disciplinary Offence under Rule 71, except where such conviction has been quashed on appeal. This clause may not be altered except by passage of a Private Business Motion at a Public Business Meeting.

(iii) *Initial Appointments.* At the Ordinary Meeting of Standing Committee in Second Week:

- (1) The shortlist and the full list of original applicants shall be presented. The Returning Officer shall present this shortlist to the Standing Committee and state each applicant's name, college and details of their relevant experience. The Returning Officer should also outline within this presentation the procedure for objecting to applicants. Standing Committee shall have the power to replace names on the shortlist, using names from the full list of original applicants, solely according to the criteria in (ii) above.⁵¹ These criteria shall be applied with reference to circumstances at the time when the list is presented to Standing Committee, irrespective of the circumstances when the list was initially drawn up.
- (2) Should there be fewer than six names remaining on the shortlist after such amendments, Standing Committee may augment the shortlist with Members who did not apply under (ii) above⁵², provided that all criteria under (ii) above remain satisfied⁵³ and those Members consent to serve.
- (3) The Standing Committee shall then ratify the shortlist by passage of a motion, at which point Members on the shortlist shall become DROs.
- (4) The Secretary shall post on the Society's notice boards a list of DROs appointed, within fifteen minutes of the closure of the Meeting at which they were appointed. The time of the posting of the notice shall be included, as shall details of the objections procedure under (v) below.
- (5) Any person who remains on this shortlist after the Standing Committee, despite being rendered ineligible by Rule 32(a)(ii)(5), shall have committed a disciplinary offence under Rule 71 if he has not notified the President in writing of his ineligibility prior to the ratification of the shortlist.

(iv) *Further Appointments.* In the event of the number of DROs who have not served as Returning Officer of the Society in any previous term falling below six, the Returning Officer shall nominate further DROs⁵⁴ to the Standing Committee for appointment to bring the number to a maximum of eight⁵⁵. In this eventuality the Standing Committee may reject nominations solely on grounds of capability, in which case the Returning Officer may suggest alternatives. Capable nominations shall be appointed as per (iii)(1), (3) and (4) above, provided that nominees consent to serve.

(v) *Objections to Appointments*

- (1) The Standing Committee may record in its motion of appointment under (iii)(3) above a corporate objection to any of those appointed.
- (2) Any individual Member may object to any DRO appointment.

⁴⁹ Where DROs are equally qualified under these criteria, see Interpretation A38.

⁵⁰ 'Experience' and 'Capability' as defined in Interpretation A5.

⁵¹ That is, experience and capability: see Interpretation A3.

⁵² For clarification on this process, see Interpretation A12. This also provides a definition of 'suitability'.

⁵³ This procedure is clarified under Interpretation A33.

⁵⁴ Considering first those who applied for, but did not make, the initial shortlist: see Interpretation A34.

⁵⁵ On the extent of this power, see Interpretation A2.

- (3) Objections under (1)-(2) above must concern the DRO's suitability, not his experience or capability.
- (4) Individual Members wishing to object must do so in writing to the President within 48 hours of the posting of the notice of appointment under (iii)(4) above; objections shall only be considered if signed by the Member making the objection.
- (5) The President shall notify those DROs against whom objections have been made of the substance of all such objections, without revealing the identity of the objector, within 96 hours of the posting of the notice of appointment.⁵⁶
- (6) Within 144 hours of the posting of the notice of his appointment, the DRO objected to shall have the right to submit to the President a written response to such objections for consideration under (7) below. This response shall be confidential and only made available to those reviewing the appointment under (vi) below.

(vi) *Scrutiny of Appointments*

- (1) Within 168 hours of the posting of the notice of appointment, a scrutiny committee of three Members shall meet *in camera* to consider objections and rebuttals made under (v) above.⁵⁷
- (2) Ordinarily this committee shall be composed of the President, the Returning Officer, and the Chairman of the Consultative Committee, except that convictions of Electoral Malpractice or any Disciplinary Offence under Rule 71 not quashed on appeal shall render these individuals ineligible to sit, and they shall be replaced as under (3) below. If any member of Scrutiny Committee receives an objection to his appointment as a DRO, or has himself lodged an objection against the appointment of another DRO, he shall be ineligible to be present when this objection is considered, and a replacement for that member must be made to consider that objection only.
- (3) In the event of replacements to the President, the Returning Officer or the CCC being required, vacancies shall be filled by ex-Returning Officers still enrolled at institutions specified under Rule 3. Invitations to fill such vacancies shall be made, beginning with the most senior such ex-Returning Officer, by the President. If an ex-Returning Officer receives an objection to his reappointment as a DRO in the term in question, he shall not act as a replacement; nor shall he if he has a conviction for offences under Rule 33 or Rule 71 which has not been quashed on appeal.
- (4) If, after the list of eligible ex-Returning Officers has been exhausted, three eligible people cannot be found to constitute the scrutiny committee, the Senior Officers shall be empowered to appoint as many Members of good character as may be required to bring the total to three.
- (5) The scrutiny committee shall decide whether to uphold any objection by majority vote. If an objection is upheld, the appointment of the Member in question shall be revoked. Any Member whose appointment has been revoked on the grounds of an objection having been upheld shall not be eligible to become a Returning Officer's Assistant in that term. The decision of the scrutiny committee shall be final, but this shall not protect the committee from disciplinary action if these rules are breached.

(vii) *Definitions*

- (1) 'Experience' in this Rule refers first to experience in the administration of the Society's Elections (and shall follow the order of seniority of Deputy Returning Officers of the Society as defined in Standing Order D12, until these criteria are exhausted), and then to experience in the administration of other Elections and to other general experience of the governance of the Society. Terms as a DRO in which an objection was upheld against the applicant will not be counted⁵⁸.
- (2) 'Capability' in this Rule refers to the competence of applicants to assist in the administration of the Society's Election that term, based on any known factors that may affect any applicant's general ability to perform his duties were he appointed. No Member shall be considered incapable unless he is unable to perform any of the duties of a Deputy Returning Officer.
- (3) 'Suitability' is to be determined at the absolute discretion of the scrutiny committee. Each scrutiny committee shall apply the same standard to every Deputy Returning Officer.

(b) *Election of the Returning Officer*

The Returning Officer shall summon a conclave of the new DROs to meet before 11 pm on Wednesday of Third Week to elect a new Returning Officer, to serve until a successor be elected or appointed under this clause or under (d) below.⁵⁹ He shall give two days' notice of the meeting on the notice boards. The election shall take place according to a system of preferential voting. Only the current Returning Officer or one of the new DROs may be elected. The Returning Officer may not be the CCC. The Returning Officer may not have resigned or been removed under Rule 32(d) within the previous term. No Member may become Returning Officer unless he shall have attended at least one previous Count for the Poll for the Election of Officers and Committees of the Society. Voting rights shall be held exclusively by the Returning Officer and the new DROs⁶⁰. No Member shall have voting rights in Conclave nor be eligible to be elected as Returning Officer until their appointment that term has

⁵⁶ Otherwise, the DROs will have 48 hours to respond from the time of notification: see Interpretation A39.

⁵⁷ And only objections and rebuttals: introduction of new material is a disciplinary offence: see Interpretation A40.

⁵⁸ Nor will terms where the DRO resigned before Scrutiny Committee: see Interpretation A54.

⁶⁰ In the event of a tie, see Interpretation A21.

passed through the objections procedure under Rule 32(a)(v) and the Scrutiny Committee has met.

(c) *Resignation or Removal of DROs*

(i) If a DRO be elected or appointed Returning Officer, or resign, he shall immediately cease to be a DRO.

(ii) *Electoral Allegations and Disciplinary Complaints*

- (1) If a DRO becomes subject to an allegation under Rule 33, or he brings an allegation under Rule 33 or Rule 71, he shall immediately cease to be a DRO until the conclusion of the judicial process, at which point he shall resume being a DRO if he has not been convicted.
- (2) If a DRO becomes subject to a complaint under Rule 71, the Returning Officer must immediately requisition an Emergency Meeting of Standing Committee. If a third of those present at that meeting vote that the nature of the complaint relates to the performance of the duties of the DRO, or the exercise of his powers, he shall immediately cease to be a DRO until the conclusion of the judicial process, at which point he shall resume being a DRO if he has not been convicted.
- (3) A DRO convicted of any other offence under Rule 71 shall immediately cease to be a DRO, but shall resume being a DRO if that conviction is quashed on appeal.
- (4) For the purposes of Rule 32(a)(v) and Rule 32(a)(vi) only, anybody who ceases to become a DRO under this Rule shall still be considered to be a DRO.

(iii) The Returning Officer may convene the scrutiny committee under (a)(vi) above to meet, subsequent to its initial meeting, to consider revoking the appointment of any DRO. In this eventuality the DRO in question shall be informed of the objection to him and given a reasonable time (determined by the scrutiny committee) to respond before the committee meets. The committee shall then proceed according to (a)(vi)(2)-(5) above.

(d) *Resignation or Removal of Returning Officer.*

(i) If the Returning Officer should resign, or if, in the opinion of two-thirds of the Standing Committee present and voting, he should become unwilling or unable to perform his duties, he shall immediately cease to be Returning Officer, and become a DRO. Unwilling or unable is to be determined at the absolute discretion of the Standing Committee. In his capacity as a DRO he shall be unable to run in Conclave for the position of Returning Officer for one term after his removal or resignation under this provision (d).

(ii) *Electoral Allegations and Disciplinary Complaints*

- (1) If the Returning Officer becomes subject to an allegation under Rule 33 or if he becomes subject to an allegation under Rule 71 and at its next meeting two-thirds of those present at Standing Committee vote that the complaint relates to the performance of his duties or the exercise of his powers, or if he himself brings an allegation under Rule 33 or Rule 71, he shall immediately cease to be Returning Officer, and shall not become a DRO. At the conclusion of the judicial process, if he has not been convicted, he shall resume being a DRO.
- (2) If he becomes subject to a complaint under Rule 71, the Returning Officer must immediately requisition an Emergency Meeting of Standing Committee. If a third of those present at that meeting vote that the nature of the complaint relates to the performance of the duties of the Returning Officer, or the exercise of his powers, he shall immediately cease to be Returning Officer and shall not become a DRO. At the conclusion of the judicial process, if he has not been convicted, he shall resume being a DRO.
- (3) If convicted of any other offence under Rule 71, the Returning Officer shall immediately cease to be Returning Officer and shall not become a DRO, but shall resume being a DRO if that conviction is quashed on appeal..
- (4) For the purposes of Rule 32(a)(v) and Rule 32(a)(vi) only, anybody who ceases to become Returning Officer under this Rule shall still be considered to be a DRO.

(iii) In the event of (i) or (ii) above, the DROs shall elect a successor as soon as possible, subject to (b) above, and the most senior of them shall become Acting Returning Officer *ad interim*. Two days' notice of the meeting of conclave may be waived if all the DROs agree. If it be impracticable for at least four DROs to elect a new Returning Officer within four days, the Senior Librarian, or, failing that, the Senior Treasurer, shall appoint the Returning Officer.

(e) *Duties of the Returning Officer*

(i) The Returning Officer shall conduct the Elections of Officers and Committees of the Society as provided in Rules 32-38 and Chapter D of the Standing Orders. The Deputy Returning Officers shall assist the Returning Officer in the conduct of the Elections. The Returning Officers and his Deputies shall attempt to ensure that no breach of Rule 33 occurs.

(1) The Returning Officer shall oversee the disciplinary and membership processes of the Society, as laid down in Rule 3(d), Rules 5-8, Rule 53, Rules 63-66, Rule 71 and Standing Order Chapter G.

(2) If the Returning Officer is not willing or able to conduct his disciplinary duties, or if he is subject to a complaint himself, his powers and duties (but not the office itself) for the purpose of the disciplinary matter shall be devolved upon the next most senior Deputy Returning Officer who is willing and able to perform these duties and not himself party to a disciplinary complaint under Rule 71. In the event of no DRO being available, the Senior Officers shall appoint a member, who shall not be a voting member of Standing Committee nor himself party to a disciplinary complaint under Rule 71, to exercise the powers and duties (but not the office) of the Returning Officer for the purposes of the disciplinary matter.

(3) In the absence of any Senior Officer holding the position of Senior Officer, for the purposes of the rules concerning fines and disciplinary offences, the Returning Officer shall be empowered to act in their place.

(f) The Returning Officer shall be familiar with the Rules and Standing Orders of the Society, and shall advise the Standing Committee upon their content and interpretation, although such advice shall have no binding effect under Rule 67(e)(i).

(g) *Interpretation of the Rules*

The Returning Officer may on request at any time issue to any Member in writing an interpretation of any of these Rules and Standing Orders over which he is accorded power of interpretation by Rule 67(e)(i). (h) *Tribunal Short List*

The Returning Officer shall draw up a list of names of at least fifteen and not more than twenty-five Members to serve as the Short List for membership of any Election Tribunal called under Rule 33. He shall propose this list for the approval of Standing Committee at its Ordinary Meeting in Fifth Week. The Standing Committee may accept the list either as proposed or without any particular name or names. Should Standing Committee not accept any name on the original list, it shall require the Returning Officer to propose a further name in its place. Only Ex-Officers, former members of the Standing Committee and Ex-Returning Officers, of at least eighteen terms' standing⁶² in the Society, who have not been convicted of Electoral Malpractice, shall be eligible to serve on the Election Tribunal Short List. (j) The Returning Officer shall supervise the receiving of nominations for the Society's Elections. He shall be present on the Society's premises for the last two hours during which nominations are open.

(k) The Returning Officer may appoint Members who have not been convicted of Electoral Malpractice as Returning Officer's Assistants to aid him in the performance of his duties⁶³. ⁶¹ On the right to correct errors in the rules, see Interpretation D2; for a limitation, see Interpretation D7.

⁶² On the definition of 'terms' standing', see Interpretation E7.

⁶³ The ROA's term of office expires with that of the Returning Officer: see Interpretation A35.

⁶⁴ This shall be read in accordance with Interpretation A51.

systematically and persistently showing bias in the selection of Members being called to speak; the Chair persistently and systematically ignoring the time restrictions for speakers; forging signatures on the list for Members to speak in the after-debate; the misuse or abuse of procedural motions; but excluding the legitimate usage of Rule 46 (e));⁷¹

(22) maliciously or recklessly causing the Returning Officer to exercise his power to suspend the Count under Rule 35 (i) (iv), with the intention of breaching the secrecy of the Count. Any allegation brought or action taken as a consequence of this clause may be in addition to any normal and legitimate action against any Member who has set off an alarm or otherwise prejudiced the good order of the Society's rooms, whether with intent to breach the secrecy of the Count or not;

(23) breaching the secrecy of the Count by disclosing any result, or pretended result, either directly or indirectly, before the Count is finished⁷², whether or not the Count has been suspended for any reason, without the sanction of the Rules or Standing Orders;

(ii) Members may solicit votes for or against candidates in private, and may draw the fact of the election or of their own or another's candidature to the attention of Members who are their own close personal friends provided that they commit none of the electoral malpractice enumerated in (i) above and provided that such campaigning contravenes none of the following restrictions:

(1) No such campaigning shall be permitted in writing or other permanent form. The distribution by any person (whether a Member or not) of any written list of selected candidates shall be an electoral malpractice, as shall the distribution by any person (whether a Member or not) of any materials to any other person (whether a Member or not) in order for any person (whether a Member or not) to write down or otherwise cause to be written or created a written list of selected candidates, in public or private. Physical or verbal indication of selected candidates on official election material or other lists of candidates (including but not exclusively election posters and manifesto booklets) shall likewise be electoral malpractice.

(2) No such campaigning shall be permitted on the Society's premises.

(3) No Member shall campaign in public places or systematically campaign in the private lodgings of Members or attempt to contact Members there for that purpose.

(4) No person not a Member shall so campaign for any candidate or against any candidate, nor shall any Member induce or attempt to induce any person not a Member to do so.

(5) No such campaigning shall be permitted if it is calculated or liable to draw the fact of the election to the attention of significant numbers of non-members of the Society. This clause shall not be interpreted as prohibiting in itself any Member from speaking to any other Member in a conversational tone of voice in a private conversation merely by reason of the possibility of being seen or overheard by non-members of the Society.

(6) No Member shall persuade or attempt to persuade any other Member to so campaign or refrain from campaigning by payment or promise of payment of any consideration whether material or otherwise or promise of benefit by virtue of holding current or future Office in the Society, or likewise the threat of withholding such benefit.

(7) No such campaigning shall be permitted by telephone, radio, television, the Internet or email, or by other analogous communication devices.

(8) No Member shall address any public meeting, or meeting of any political party or organisation, of any religious grouping, University-registered club, other student-constituted club, of any Union, common room or student union (whether or not designated by such title) within the University or any of the institutions admitted to the benefits of Rule 3A, or of any society registered with the Proctors or similarly recognised by the appropriate authorities at Oxford Brookes University or other educational institution in Oxford, with the intention of promoting or hindering the candidature of himself or of any other Member or Members, nor persuade or attempt to persuade any other person to do so.

(9) From the opening of nominations to the close of Poll, no Member shall loiter in any public place in order to attempt to solicit votes for or against any candidate. No Member shall systematically solicit votes in any public place, nor move from public place to public place to solicit votes (whether such movement is occasioned in order to solicit votes, or otherwise).

(10) No Staff member, Senior Officer, OUS Trustee, nor any member who is an OLDUT Trustee, may solicit votes for against any candidate in an election.

(iii) This Rule shall be interpreted in accordance with the following⁷³:

(1) The intention of this Rule is to ensure that the criteria upon which the Officers and Committees of the Society are chosen are founded upon the merits of the candidates themselves as displayed in debating ability,

⁷¹ Full elucidation on this point is provided by Interpretation A30.

⁷³ The importance of this rule is underlined in Interpretation F2

past or potential contributions to the administration of the Society and general sociability, and that Members do not gain advantages by virtue of being richer than other candidates, or in a position to offer deals involving other elections inside or outside the Society, or by employing an election agent, that Members are not persistently harassed into voting for particular candidates, and that candidates do not behave in a manner liable to bring the Society into disrepute.

(2) It is not the intention of this Rule to stifle legitimate discussion of the merits or demerits of candidates, to prevent candidates from leading normal social lives involving as it may the sort of private discussion of their interests and pursuits that is common between close personal friends, nor to prevent candidates from standing in other elections, nor to stop Members from asking or advising candidates to stand or not to stand whether in general or for any particular Office or Committee, nor is it the intention to alter traditional practices the legitimacy of which has been generally agreed, in particular with regard to speakers in the Presidential Debate.

(3) A 'public place' shall include (but shall not be defined exclusively as) for the purposes of the Rules - any public highway or right of way; premises of the Oxford Union Society; public transport, car parks, any Church or religious building of any religious organisation; and the dining rooms, libraries, computer rooms, lecture rooms, corridors, kitchens, bathrooms, lodges and common rooms of the University, colleges and any educational institution whose members may become members of the Society.

*(b) Complaints and Allegations*⁷⁴

(i) If the Returning Officer receives, not later than the Close of the Poll, a written complaint concerning the circumstances of the election, he shall investigate the complaint and advise and warn those concerned.

(ii) After the Close of Poll, but within 48 hours thereof, any Member may bring before the Returning Officer or any of his Deputies a Written Allegation⁷⁵, signed by the Member concerned, that:

(1) A Member or Members, including the Returning Officer or any of his Deputies, have committed an Electoral Malpractice; or

(2) An Electoral Malpractice has been committed by a person or person unknown or by a person who is not a Member; or

(3) A fine levied by the Returning Officer or one of his Deputies under Rule 35(j)(iii) was unjustified.

The Returning Officer may not call a tribunal without a written allegation, save as under (ix) below, or as under Standing Order D5 (e).

(iii) The Returning Officer and his Deputies shall meet in the Room in which the Poll was held not later than 47 1/2 hours after the Close of Poll, and shall remain there until 48 hours after the Close of Poll, for the express purpose of receiving Allegations.

(iv) Within ten minutes after the time limit for the receipt of Allegations has expired, the Returning Officer shall post on the Notice board a list of Allegations received or a notice to the effect that no allegations have been made, as appropriate. The infringement of this provision by the Returning Officer shall be deemed to be an Electoral Malpractice under (a)(i)(11) above, and notwithstanding the time limit imposed in (ii) above, allegations brought under this sub-section may be made within 49 hours of the Close of Poll to any Deputy Returning Officer.

(v) On receipt of any allegation the Returning Officer shall call an Election Tribunal as under (c) below.

(vi) The Returning Officer shall only be deemed to have received a Written Allegation if it is signed by a Member and complies in form or substance with the following format, namely: "I, (insert name of allogger), hereby allege that (insert name of accused, if known) did commit an Electoral Malpractice (or levied an unjustified fine) by breaching (insert Rule/Standing Order Number) I herewith attach or enclose details of the evidence which I shall submit to the tribunal namely:

(1) A description of the facts and circumstances of the Alleged Malpractice;

(2) Details of any documentary or other recorded evidence which corroborates the description in (1); and/or

(3) Details of witnesses or circumstances which corroborates the description in (1) or the evidence in (2).

The details under (1), (2), (3) shall be attached or enclosed. The Returning Officer shall inform the Allogger if the Written Allegation is not valid because of a defect in the above requirements.

(vii) (1) The Returning Officer may order a recount if a Member brings to his attention within 48 hours of the Close of Poll an error in the results published on the Notice board.

(2) If a recount is ordered under (1) above or the Count or part of it has been postponed the time limit for the receipt of Allegations shall be extended to 1 hour after the result of the recount or postponed Count has

⁷⁴ On withdrawal of allegations, see Interpretation E4.

⁷⁵ Which may be an email sent to ro@oxford-union.org: see Interpretation A43.

been announced, if it takes place after the normal 48 hours limit has expired. There shall also be a further hour in which allegations against the Returning Officer for failure to post on the Notice board a list of Allegations received or a notice to the effect that no allegations have been made, as appropriate, at the end of the end of the time limit for the receipt of Allegations under this subsection.

- (viii)(1) Every candidate in the election shall report to the General Office in person between 10.00am and 10.00pm on the third day after the Poll to determine whether his attendance is required by an Election Tribunal. If a Tribunal is set up, any candidate failing to so report shall be disqualified from the Election forthwith and fined a sum of £50. The Returning Officer and all Deputy Returning Officers serving at any time after two weeks prior to the close of nominations shall report likewise. Any Returning Officer or Deputy Returning Officer failing to so report shall be fined a sum not exceeding £100 and disqualified forthwith from serving as an electoral official in the Society's elections for the remainder of the term and the following two terms.

(2) Notwithstanding the provisions of (1) above, any person under the jurisdiction of (1) above prevented by genuinely pressing reasons from being in Oxford on the third day after the Poll shall notify the Returning Officer in writing at the time of nomination or at the earliest possible moment thereafter, and shall report to the General Office in person or by telephone at a time agreed with the Returning Officer; such a report shall be deemed as fulfilling the requirements of (1) above. In the case of any person reporting by telephone under this clause, notice is given by telephone in the presence of a witness that his attendance is required by the Election Tribunal or that he is a defendant at the Tribunal shall be deemed sufficient for all purposes of these Rules. Should the Returning Officer be the individual affected by this rule, his authority for the purposes of this rule shall be automatically delegated to the most senior Deputy Returning Officer currently in office.

(3) In the case of candidates who have failed to report under (1) above, the Tribunal Panel may choose to rescind either or both of the fine and the disqualification if it is satisfied that the candidate's failure to report was the result of unforeseeable or unavoidable circumstances or would otherwise be manifestly unjust. In the case of any Returning Officer or Deputy Returning Officer who has failed to sign down under (1) above, the Tribunal Panel may choose to rescind either or both of the fine and the disqualification from serving as an electoral official if it is satisfied that the Returning Officer's or Deputy Returning Officer's failure to report was the result of unforeseeable or unavoidable circumstances or would otherwise be manifestly unjust.

(4) Every candidate shall at the time of nomination sign a declaration that he is aware of the provisions of this clause, and that he expects to be able to report as under (1) above or that he requires a dispensation as under (2) above.

- (ix) If the Returning Officer receives, after the close of polling but within 48 hours thereof, a written objection to the result of the election on the grounds of Innocent Interference⁷⁶, that is:

(1) that the outcome of the Election has been perverted by the dissemination of defamatory statements about a candidate or candidates, even though such dissemination was not malicious; or

(2) that the Returning Officer has in good faith (through negligence or otherwise) misinterpreted the Rules concerning that conduct of the Election in such a way as to affect its outcome, or otherwise affected it through negligence, he shall summon a tribunal as if an Allegation of Electoral Malpractice has been made. In such circumstances the Tribunal shall investigate the circumstances of the election as if the objection were an allegation of Electoral Malpractice against the person or persons named in it, except that no penalties shall be imposed upon such persons unless in the course of investigation the Tribunal become satisfied that the actions objected to were in fact deliberate electoral malpractice. Any frivolous or unfounded and malicious objection made under this clause shall be an electoral malpractice subject to the same penalties as a frivolous or malicious and unfounded Allegation.

(c) *The Election Tribunal*

(i)

(1) The Election Tribunal shall be set up by the Returning Officer if necessary, as soon as possible, and shall consist of any three of the Members whose names were on the Short List made under Rule 32(h), save that should fewer than three of the said Members be available, the Tribunal shall consist of any Members chosen with the Standing Committee's approval that satisfy the requirements of the said Rule. The Returning Officer and the Standing Committee shall use their best efforts to ensure that at least one Member of the Tribunal is a qualified lawyer. No person shall serve on an Election Tribunal more than once in the space of three terms.⁷⁷

(2) As an exception to Rule 23(d), SO B6 and SO B10, if an election complaint has been validly submitted such that a tribunal is necessary, but the Returning Officer is unable to organise a sustained, quorate tribunal that is sufficiently able, within the required time period and deadlines, to hear all the complaints and evidence

⁷⁶ For further elucidation on 'innocent interference', see Interpretation F8.

⁷⁷ On discussion of the validity of Election Tribunals, see Interpretation E1 and F6.

and then deliberate fully, then the Returning Officer shall be able to summon an Emergency Meeting of Standing Committee for the purpose of appointing an additional tribunal shortlist only, without any minimum notice period for the meeting or for the agenda.

(3) In the case of sub-section (2), then for the purposes of SO B11, four days written notice shall not be required. However, the Returning Officer shall be required to ensure that a valid Requisition is published on notice board and that he or his Deputies have attempted to contact verbally or by phone each member of Standing Committee as far as possible in order to inform them of the meeting in advance.

(ii) The Election Tribunal shall have the complete power⁷⁸ to investigate all the Allegations and circumstances dependent upon those Allegations only. No Allegations brought after the time limits laid down in (b)(ii) and (b)(iv) above shall be considered by the Tribunal⁷⁹. The Tribunal shall have discretion in the determination of penalties, save that:

(1) Any candidate convicted of Malpractice shall be disqualified from the Election concerned unless (provided that the relevant candidate has not previously been convicted of electoral malpractice) the Election Tribunal, in its absolute discretion acting reasonably, unanimously determines that in the circumstances such a disqualification would be disproportionate to the Malpractice committed due to such Malpractice being of a minor nature and any other exceptional circumstances duly considered by the Election Tribunal.

(2) Any Member bringing frivolous or malicious allegations shall be suspended for at least one term, and, if such allegations be made against the Returning Officer or any of his Deputies the Member shall in addition be fined at least £50;

(3) If the Returning Officer or one of his Deputies be found guilty of an Electoral Malpractice, he shall be automatically disqualified from taking any part in the count in future, dismissed from any Office he currently holds in the Society, and suspended for at least one term;

(4) Any Member making an unreasonable appeal against the findings of an Election Tribunal under (d) below shall be suspended for one term, forbidden to serve on any Committee or nominate himself for any Committee or Office for a further three terms, and fined £50, these penalties in all cases being added to any penalties otherwise imposed under (c)(ii) or (iv);

(5) Notwithstanding anything else in this Rule, no penalty shall be inflicted upon a Member if the allegations against him are found to be frivolous;

(6) The Election Tribunal shall always consider whether or not any allegations brought before it are frivolous, or, if unfounded, malicious.

(iii) The standard of proof required for a conviction shall be that the Tribunal is satisfied beyond all reasonable doubt of the defendant's guilt. No person shall be found guilty save by unanimous vote. The standard of proof required to settle all other questions of fact shall be a simple balance of probability, and a majority verdict shall be sufficient.

(iv) The Election Tribunal may inflict any or all of the following penalties on a Member found guilty of Electoral Malpractice, even in addition to the provisions of (c)(ii) above:

- (1) a fine;
- (2) disqualification from holding Office or sitting on any Committee in any following term;
- (3) disqualification from nominating himself in any subsequent election;
- (4) suspension;
- (5) expulsion;
- (6) in the cases of the President-Elect, Librarian-Elect, and Treasurer-Elect only, immediate dismissal from Office, which shall for the purposes of Rule 38 be deemed to be a resignation.

(v) The Election Tribunal may, under the conditions laid down by Standing Order, inflict a fine on any Member who fails to appear before it.⁸⁰

(vi) The Election Tribunal shall not inflict any penalty upon nor recommend any proceedings against any person other than one whom it convicts of Electoral Malpractice, save as under (v) above. The annulment of the Poll or part of the election and the ordering of a re-poll or new election shall not be considered a penalty.

(vii) The Election Tribunal may annul the whole Election or the Election for any particular Office or Committee or for any particular place on any Committee, if it is satisfied that Malpractice or Innocent Interference, as defined in

⁷⁹ *Written allegations: see Interpretation E11.*

(b)(ix) above, has substantially affected the result, or otherwise in accordance with the provisions of (b)(viii)(1) or (c)(ii)(1). In the event of an annulment, it shall be the Returning Officer's duty to arrange a new Election at the most convenient time during Full Term. The Election Tribunal may make such provisions as it think fair concerning the procedure and arrangements of the new Election. Notwithstanding the provisions of Rule 67(e)(i), such orders shall not generally act as Authoritative Precedents. The Tribunal may make any provisions it thinks fair with regards to the conduct of this new election, including but not limited to:

- (1) Ordering a re-poll⁸¹;
- (2) Restricting those eligible to stand and/or nominate in the new election or re-poll;
- (3) Allowing previously-nominated candidates to withdraw from the election;
- (4) Re-opening nominations

Notwithstanding the provisions of this paragraph (c)(vii) in respect of any disqualification of any candidate pursuant to the provisions of (b)(viii)(1) or (c)(ii)(1) above, if the Election Tribunal is satisfied that no such re-election is necessary, the result of the original election shall be determined by recounting the ballot papers while ignoring all preferences for the disqualified candidate(s), save that the Tribunal may order that no such recount is necessary if satisfied that it could not affect the existing results. Furthermore, if, in respect of any disqualification of any candidate pursuant to the provisions of (b)(viii)(1) above only, no candidates disqualified under (b)(viii)(1) above in respect of any Election were elected in that Election then the Tribunal, at its absolute discretion, may order that no such recount is necessary in respect of such Election.

(viii) The Election Tribunal, or failing it, the Appellate Board shall have the power and the duty to make any order necessary to remedy any failure of the Rules otherwise to determine how to fill vacancies left by its action.

(ix) The Election Tribunal shall complete its investigations and shall present a declaration to the Returning Officer within 216 hours of the Close of Poll. The declaration shall state the allegations made, the verdicts returned, and any penalties inflicted, and shall be read by the Returning Officer to the next Public Business Meeting. Within 261 hours of the Close of Poll, the Election Tribunal shall report in full to the Returning Officer and thereupon cease to exist except as regards (d) below. A copy of the report shall be posted on the Notice board as soon as practicable for at least five days; this report shall be read by the Returning Officer to the next Public Business meeting, if he thinks it is necessary, or if he is so directed by the Election Tribunal, unless it have been quashed by an Appellate Board.

(x) Once the Election Tribunal is set up, no question whatsoever shall be asked, no motion whatsoever moved, nor discussion whatsoever initiated, in the House or in the Standing Committee, that in any way relates to the action of the Returning Officer under Rule 33, or to the setting-up, composition, action or report or any other circumstances whatsoever of the Election Tribunal, save as may be necessary for proceedings against convicted parties under Rule 7(c), or to enable the Standing Committee to ensure that any punishments inflicted are carried out, to determine the Society's response to any judicial or quasi-judicial proceedings, or to carry out actions directed or recommended by the Appellate Board in its Report made under (d) below.

(xi) Any Member who has a direct interest in the outcome of a Tribunal shall be entitled to be represented at said Tribunal. The Tribunal shall have the power to determine whether any interest be direct.

(d) *The Appellate Board*

- (i) The sole grounds of appeal to the Appellate Board from the decision of the Election Tribunal shall be either
- (1) that a breach of the procedures laid down in (b) or (c) above or of Standing Orders D7 or D8 has occurred, or
 - (2) that the decision of the Tribunal was founded on an error of law, or
 - (3) that there has been a breach of any of the Principles of Natural Justice⁸².
 - (4) an election tribunal failed to reach any verdict and publish a preliminary report within the set deadlines.

Except that an appeal on (2) or (3) shall not be allowed if the Tribunal were following or interpreting the Rules and Standing Orders unless it concerns the rationality of the Tribunal's interpretation.

(ii) The following shall have the right of appeal:

- (1) any Member who has brought an allegation under (b)(ii) above with regard to the Election concerned;
- (2) any Member who has had an allegation brought against him during the election concerned;
- (3) any other Member to whom a Senior Officer gives leave.

(iii) Notice of Appeal or request for Leave to Appeal, as appropriate, may be lodged with either of the Senior Officers within 48 hours of the Reports being posted on the Notice board as under (c)(ix) above.⁸³

(iv) If application for Leave to Appeal has been made under (ii)(3) above, either Senior Officer may grant

Leave, in which case the notice of application for Leave shall be treated as Notice of Appeal. If the Senior Officers refuse leave they shall publish the fact of, and the reasons for, refusal on the notice board within seven days of their receipt of the application. It shall be a legitimate ground for refusal of Leave that the interests of the Membership would, on balance, be adversely affected.

(v) The Returning Officer, acting under the instructions of the Senior Officers, shall set up the Appellate Board, which shall consist of three Members who are members of any Convocation⁸⁴ and which may include either or both of the Senior Officers.

(vi) The Appellate Board shall adopt whatever fair way of proceeding it think fit, save that it shall not alter nor quash a Tribunal's Report in whole or in part without informing the members of the Tribunal and giving them an opportunity to defend or explain their actions. Any party who had the right to be represented before the Election Tribunal shall have the right to be informed of the fact that the Appellate Board has been constituted and to be represented before it.

(vii) The Appellate Board shall:

- (1) ensure that explicit verdicts are returned on every defendant on every count, that it is explicitly stated in the case of every unsuccessful allegation whether or not it was frivolous, and that any ambiguous verdicts are clarified for this purpose. Any member of the Tribunal who did not explicitly dissent from the Tribunal's Report nor reply within a reasonable time to the Appellate Board's request for clarification shall be deemed to have voted with those who have made or do make their position clear, and if clarification be altogether impossible, ambiguous verdicts shall be treated as acquittals;
- (2) ensure that (c)(ii) above is obeyed;
- (3) have the power to order that a member or members of the Tribunal whose proceedings they are considering shall never sit on a Tribunal again;
- (4) have the power to quash the findings or purported findings of a Tribunal or purported Tribunal in whole or in part, save that if it do so it shall order a new Tribunal to be set up, unless the ground for quashing be that the act purporting to set up the original Tribunal was a nullity;
- (5) have the power to declare the appeal unreasonable in whole or in part whereupon the appellant shall be subject to the penalties laid down in (c)(ii)(4) above.⁸⁵

(viii) The Appellate Board shall report to the Returning Officer as soon as it shall have completed its investigations, which shall be within 28 days of Notice of Appeal, or Leave to Appeal being granted, and shall thereupon cease to exist. The Returning Officer shall read the report to a meeting of Standing Committee as soon as possible, and at the conclusion of the said meeting shall post the report on the Notice board. If the Board have exercised its powers under (vii)(4) above, the Returning Officer shall set up a new Tribunal from a Short List, the names upon which have been approved by the Standing Committee. Every member of the Committee shall be entitled to be informed of and be present at the said meeting, even if it be held in the vacation. The *quorum* for such a meeting shall be six, including at least two Officers or elected Members.

(ix) If a new Tribunal is to be set up:

- (1) The time limits laid down in (c)(ix) above shall apply from the opening of the said meeting of the Standing Committee instead of from the Close of Poll, save that if either of the Senior Officers certify in writing that gross injustice might thus be done, the time limits shall apply from the midnight of the Thursday before the Full Term next following;
- (2) No person who served as a member of the quashed Tribunal shall serve on the new Tribunal;
- (3) The new Tribunal shall consider those and only those charges and findings which the Appellate Board has quashed, and any other charges laid before the former Tribunal that the Appellate Board has directed the new Tribunal to hear;
- (4) If the new Tribunal annul any Election not annulled by the previous Tribunal, it shall itself determine upon whom the powers and duties of any Office in question shall devolve until the result of the new Election shall have been declared; such devolution shall not comport the Office itself. Any Committee places so affected shall remain vacant ad interim.

(x) Except as under Rule 33(d)(xii) below, no Member shall enter upon Office or an elected place on Committee until:

- (1) Forty-nine hours have elapsed since the close of poll in the Election concerned;
- (2) Forty-eight hours have elapsed since the publication of the Report of any Tribunal directly concerned with the Election to that Office or Committee;
- (3) the Senior Officers have refused Leave to Appeal, if such an appeal might have quashed that part of a Tribunal Report concerning the Election to that particular Office or place on Committee;
- (4) the Report have been published of any Appellate Board that might have quashed that part of a Tribunal Report concerning the Election to that particular Office or place on Committee.

⁸⁴ For definition of 'members of any convocation', see Interpretation A19.

⁸⁵ Including those with the right to appeal; see Interpretation F1.

(xi) A Tribunal may additionally prevent any Member who is directly implicated in an ongoing allegation from entering any Office or elected place on Committee until the deadlines outlined in Rule 33(d)(x) above have expired.

(xii) In the event that an Appellate Board rejects in its entirety all appeals before it, and if it is satisfied that the interests of justice and the interests of the Society are best served by a speedy succession of the new Officers and Committees, it may permit Members who would otherwise be prevented from doing so by the provisions of Rule 33(d)(x)(4) to enter their posts immediately upon making its determination, prior to issuing its Report. In doing so, the Board binds itself not to make any binding interpretations or directions which affect the succession in question.

RULE 34: ELECTION OF JUNIOR OFFICERS AND COMMITTEES

(a) Elections

An Election shall be held every term to choose the Junior Officers (other than the President, Librarian, and Treasurer) and the Elected Members of the Standing Committee and the Secretary's Committee for the following term. On submission of the sealed envelope, the Returning Officer (or his agent, as appropriate) shall countersign the seal of the envelope, write down the member's membership card number on the outside and issue the member with a receipt. He will also enter the member's name and the time of submission on a list, which will be available for inspection by any member, on demand. Once a nomination envelope has been received, it will be deposited in a secure location.

(iv) The Returning Officer shall ensure that all completed nomination forms received by him shall be available for inspection, on demand, by any member, after the close of nominations⁸⁸.

(v) No member shall be permitted to alter or to withdraw any nomination, or materials pertaining thereto, for any Office or Committee. If a member wishes to nominate for two separate positions, permitted under Rule 34(c)(i), he must submit two separate nominations in separate envelopes. If a member submits two nominations which are incompatible under Rule 34(c)(i), the nomination for the more junior position shall be accepted.

(vi) (1) For the information of candidates, the Returning Officer shall post on the notice board and state on the nomination forms, the total amount of time⁸⁹ during the vacation in which the candidates for election as Junior Officers (excluding candidates for the office of President-elect) or Committee members would

(3) Nomination forms which are not so signed shall be declared invalid.

(4) Candidates must also include a valid email address on the nomination form. Nomination forms on which such an email address is not included shall be invalidated, unless the Returning Officer acting at his absolute discretion decides to make an exemption. These email addresses must be compiled into a candidates' mailing list by the Returning Officer: this list shall be used to assist him in the discharge of his duties, and will be sent to the President-Elect by the Returning Officer no later than midnight on Friday of Seventh Week.

(vii) After the closure of nominations, the Returning Officer, in the presence of at least two Deputy Returning Officers, shall open the nomination envelopes, and verify that they contain valid nominations. A list of validly nominated candidates will be posted on the Society's notice board not later than 9.00p.m. on Friday of 6th Week.

(viii) It shall always be the obligation of the member wishing to nominate to ensure that his nomination is correctly completed. The Returning Officer shall, at the opening of nominations, give notice on the notice board and in the "Letter to Candidates" of at least two designated times at which he or his deputies shall be in the Society's buildings to advise members wishing to nominate on the proper completion of the nominations procedure.

Expenditure on the Society's elections shall be determined termly, before the opening of nominations, by the Returning Officer and the Senior Treasurer, in accordance with the electoral Rules and Standing Orders⁹⁴, and, notwithstanding anything elsewhere in the Rules, shall neither be subject to amendment nor to ratification nor to scrutiny by the Standing Committee or the Finance Committee or by any other Officer or Committee of the Society (excepting any Election Tribunal, Appellate Board or Disciplinary proceedings) although it shall be included in any accounts and financial reports presented to these Committees in subsequent Terms. as chosen by the candidate.⁹⁵ Where a candidate holds any position on the Table of Seniority, equal in status or senior to Ex-Elected Members of the Secretary's Committee, the most senior position he holds shall also be indicated. Should any candidate subsequently be declared ineligible, his name shall be removed from the order of ballot.

(b) Manifestos

(i) All candidates for Office shall be entitled to submit with their nomination form two manifestos, of the following word lengths:

	President	Other Office	Standing Committee	Secretary's Committee
Long	500 (max 3 pages)	350 (max 3 pages)	80 (max 1 page)	40 (max 1 page)
Short	140	80	40	20

(ii) The long manifesto will be displayed in the poll room on Election Day. Short manifestos will be included in the manifesto booklet (below).

(iii) No candidate may list on his manifesto:

- (1) Any specific speakers, by name or title, whom he intends to invite during his potential term of Office, nor any specific speakers, by name or title, whom he has invited or confirmed unless a written confirmation has been received which includes a confirmed date of attendance.
- (2) Any sponsorship or other monies raised for the Society, unless a contract or other form of written confirmation, has been received by the candidate (acting on behalf of the Society) from the claimed sponsor(s) or benefactor(s). All monetary values contained in manifestos shall exclude VAT.

(iv) All long manifestos shall be typed in 12-point Times or Times New Roman type, save for the heading, which may be in 14-point type. Boldface, italic type, bullet points and underlining shall be permitted in both long and short manifestos, but no other visual embellishments.

(v) *Manifesto Content*

- (1) Seventy per-cent and fifty per-cent of the total number of words in each short manifesto and long manifesto respectively for Office or the Standing Committee shall refer to the candidate's demonstrated experience within the Society and his capability regarding the office or Committee for which he stands.
- (2) Both long and short manifestos for candidates for the Secretary's Committee shall contain fifty per-cent demonstrated experience.
- (3) The remaining number of words in manifestos for Office and the Standing Committee may refer to the candidate's experience outside the Society providing that this does not refer specifically to any other society (University society or otherwise), political party, group or faction or anything else which may be contrary to Rule 33(a)(i)(3).
- (4) The Returning Officer shall ensure that all manifestos contain sufficient demonstration of experience and capability.

(vi) Short manifestos will be displayed on the notice board from 9.30am on Saturday of Sixth Week until 5pm. Long Manifestos will be displayed, alongside any photograph of the candidate concerned from 9.30am, Monday of Seventh Week until midday of Tuesday of Seventh Week.

(vii) If any Member considers any manifesto not to comply with the Rules or Standing Orders, he may bring this to the attention of the Returning Officer, who may arrange for it to be altered if he be satisfied that the complaint is justified. Objections must be given to the Returning Officer in writing by 5pm of Saturday Sixth Week for short manifestos and midday of Tuesday Seventh Week for long manifestos. Objections shall be made either as objections on the grounds that a claim is false or on the grounds that a claim is misleading⁹⁶, or that a claim is both. The Returning Officer when arranging alterations should pay special attention to the glossary of terms for the manifesto booklet and ensure that manifestos comply with it both in letter and as far as possible in spirit.

(viii) The Returning Officer shall keep a copy of all objections made. He shall rule on objections made to allegedly false claims as per the above clause, and shall try to amend claims objected to on the grounds that they mislead, appropriately. He shall post his final amended versions of the short manifestos for a period of four hours at some stage after he has amended them. All candidates must be notified by means of telephone or answer phone message at least two hours before the period begins. Candidates⁹⁷ may then re-register objections to manifesto claims they still believe to be misleading⁹⁸ by 5pm on Tuesday of Seventh Week, and before polls open all candidates to whom objections still stand must produce a written statement in response to each objection to explain explicitly why they believe the claim not to be misleading. The Returning Officer shall

ensure all objections and attached statements are collated and shall post notice in the poll room stating that the Returning Officer has received objections for those particular manifestos and such objections are available for viewing by any member on request, as well as to a Tribunal should one be called.

(ix) The manifestos of all Junior Officers shall be displayed on the Notice board and the Society's website during their term of Office.

(x) The Returning Officer shall publish and distribute a mailing to resident Life Members containing short manifestos of the candidates, any status they might hold in the table of precedence (SO D11), and details of the elections. This manifesto booklet shall also publicize the Poll, the Presidential Debate and the Officer Hustings. The Returning Officer shall distribute the manifesto booklets at least to resident Life Members. The Returning Officer shall have no obligation to provide Members with more than one copy, nor to deliver the booklet to non-Life Members or to Life Members not on University pigeon-post; however, he may make copies of the booklet available in the Society's General Office to any Member who is not eligible to receive a copy by pigeon-post. No person may photocopy or reproduce or store the contents of the booklet in any form (including electronically) without the Returning Officer's express permission. The booklet shall contain a copyright notice, forbidding any unauthorised reproduction or copying.

(xi) The Returning Officer shall not be held liable for any failures of the pigeon-post system, nor shall any non-malicious failings of the pigeon-post system be deemed as innocent interference.

(xii) No manifesto may suggest any joint or coordinated campaign between candidates.⁹⁹

(xiii) No manifesto shall make, either explicitly or implicitly, any false or misleading, libellous, racist, in camera or confidential, blasphemous, or unlawful statements, nor statements that (in the rational opinion of the Returning Officer) are liable or calculated to bring the Society into disrepute¹⁰⁰, nor shall they mention any other Member of the Society save the candidate by name or implication save those who have been guest speakers of the Society and are no longer studying for a degree of the University. The Returning Officer shall strike out from the manifesto text any comments which he deems to breach these guidelines.

(xiv) The Returning Officer shall not deem any comments under (xiii) above to be 'liable or calculated to bring the Society into disrepute' and strike them unless he is satisfied that the intent of the candidate is either frivolous or malicious. Candidates shall be allowed to express concerns about the activities or the running of the Society on the condition that they also outline the changes that they would implement were they to be elected.

(xv) As far as is practical, the Returning Officer shall provide a file of past manifestos, selected at his discretion, for members' consultation in the Old Library Reception. Any member may photocopy these manifestos at their own cost using the Library photocopier. No member shall take this file from the Old Library without the express permission of the Returning Officer.

(xvi) The Returning Officer shall draw the attention of Members to these requirements on the notice board by 9.30am on Friday of Fifth Week, and also on the nomination paper.

(xvii) Between midday and the time at which the Society's buildings close on Sunday of 7th Week of full term, the Returning Officer shall conduct interviews with every candidate for a Junior Officership, in order to verify claims made in their manifesto and discuss any alterations made thereto. These interviews must take place in accordance with the following:

(1) The interviews must be held in a room in the Society's buildings; no other member except the representative chosen by the candidate (the representative shall not be an electoral official) and members of staff, shall be permitted to enter the room in which the interviews are taking place, without the express permission of the Returning Officer.

(2) Candidates shall be informed on Saturday of 6th Week of any changes that the Returning Officer has made to their manifestos and of any claims contained therein for which he may require proof.

(3) These interviews shall be recorded on minidisk and the Returning Officer shall have the responsibility of safeguarding it.

(xviii) A small number of unmarked booklets shall be made available for consultation in the Polling Room on the day of the Poll; they shall not be removed from the Polling Room except with the permission of the Returning Officer; if they are defaced in any way they shall be replaced.

(xix) Should any member not have access to a computer, they may hand write their manifesto, which shall be later typed up by the Returning Officer.¹⁰¹

⁹⁹ This rule shall not prevent a person from claiming to be independent: see Interpretation A46.

¹⁰⁰ Including use of any slang or swear words of a sexual or scatological nature: see Interpretation A22.

¹⁰¹ For limitations of prohibitions on computer use, see Interpretation A20.

(xx) No candidate may mark, alter, tear, highlight or deface a manifesto booklet, nor shall he conspire to do so, or encourage others to do so. (Members who are not candidates may mark the booklet that they receive however they wish, but candidates shall not encourage other members to do so, nor may any person (whether a Member or not) engage in any systematic or persistent campaign to mark the manifesto booklets of other persons). No person, unless authorised by the Returning Officer, may systematically distribute booklets, or parts of booklets, to other persons (whether Members or not).

(xx) The Returning Officer shall ensure that when laying out the manifesto booklet he includes:

(1) In the title bar for each Office and Committee, descriptions of the Office or Committee as below:

President: with overall responsibility for the Society and for arranging its debates

Librarian: with responsibility for the Library and for arranging individual speaker addresses

Treasurer: with responsibility for the raising of sponsorship and for buildings maintenance

Secretary: with responsibility for the term's social events and for minuting Standing Committee meetings

Standing Committee: members of the Society's governing body, to assist the Officers and plan social events

Secretary's Committee: to assist with running social events and distributing publicity

(2) On the front page, a prominent direction to a glossary of terms in the manifesto booklet alerting members to the fact that the glossary may help the judge "the relative merits of manifestos" (a phrase which should be included).

(3) Somewhere in the manifesto, typeset at a minimum size of 10-point Times New Roman or Arial, a glossary of terms in the manifesto booklet as follows:

"The Returning Officer has ensured to the best of his ability that all claims made in manifestos are true; he advises, however, that Members acquaint themselves with the commonly used terms below in order that they are not misled. The list begins with five standardised terms for the most substantial claims and ends with seven for the least substantial. Members may wish to consider other similar words used as holding the same meanings and draw inferences from the fact that a candidate has been unable to make the most substantial kinds of claims:

Stronger claims:

Raised – the candidate must have produced a contract on which they have been the primary signatory, to claim to have raised a sum of money.

Brought – the candidate must have produced an acceptance email or letter addressed to them, to claim brought the Society a speaker.

Confirmed – the candidate must have produced written evidence either that a contract is being drawn up for a confirmed sum of money or that a speaker has accepted an invitation and provided a date.

Organised/run – the candidate must have produced substantial evidence, such as contracts, correspondence and testimony, that they were in control of an event, its inception and its development.

Responsible for – the above, or the candidate must have proven primary responsibility for the content of a claim.

Weaker Claims:

Assisted/helped – to raise/bring etc. The Returning Officer deems there to be sufficient proof that a candidate has contributed substantively, but insufficient to prove that they have had primary responsibility.

Likewise such terms as: facilitated, coordinated, supervised, oversaw [and any others inserted by the Returning Officer before nominations open].

Invited/contacted – proof has been provided.

Weaker claims will be used often in manifestos even by good candidates: usually only candidates for Office will be able regularly to make "stronger claims". The distinction is nonetheless worth making."

(xxi) No candidate may use the word "deputised" or any cognate thereof in any manifesto, hustings speech or other publicity connected with the election in reference to any Officer of the Society.

(xxii) All candidates must take into account the contents and spirit of Rule 35 when writing manifestos. It shall be an offence to deliberately make either a false or misleading statement in a manifesto. In order to consider what might constitute misleading statements, candidates are expected to have acquainted themselves with the relevant paragraphs of the Hilary Term 2005 Tribunal Report and be held accountable for their claims with this in mind. The Returning Officer shall ensure that the relevant paragraphs are available to all candidates.

(c) *Hustings*

(i) All candidates for office shall be entitled to make a hustings speech which shall not exceed three minutes, save in the case of candidates for the office of President-Elect, where it shall not exceed five minutes.

(ii) Hustings shall be held immediately prior to the Presidential Debate, unless there be no Presidential Debate, in which case hustings shall take place on the evening prior to the poll. Hustings shall be chaired by the Returning Officer, with the most senior Deputy Returning Officer acting as Secretary, ensuring that a tape-recording is made of all speeches and that this tape-recording is securely stored. The time at which Hustings shall take place shall be determined by the President, who shall give at least two days notice of it.

(iii) The President shall give the candidates for President the opportunity to make paper speeches during one of the Public Business Meetings between the close of nominations and the opening of the Poll; this debate shall be termed the 'Presidential Debate'.

(iv) Questions to Candidates

(1) Following the hustings speeches of the candidates for each Office, questions may be asked of the candidates' for that Office position.

(2) The Returning Officer shall decide how much time is allocated to questions for the various Officer positions, and how long candidates' answers to questions may be, before the hustings commence. The order in which candidates answer shall be rotated with each question.

(3) Candidates may take points of information at their discretion during their answers. Questions must be addressed to all the candidates of that Office. Questions and points of information must directly relate to the candidates' experience, capability or views concerning the administration of the Society. This subsection shall be brought to the attention of members at the start of hustings.

(4) The Returning Officer shall rule questions out of order if they suspect it may break these guidelines, and may fine any member up to £25 who engages in disorderly or disruptive behaviour during hustings.

(d) The Returning Officer shall be responsible for adequate publicity for the Poll in accordance with the Standing Orders¹⁰².

(e) Photographs

(i) Each candidate shall be entitled to submit one current, non-frivolous, full-facial photograph of himself, which is in black and white, has a plain background and is between 3cm x 4cm and 4.5cm x 5.5cm in size, to the Returning Officer for display on a board set aside for that purpose in the Poll Room during the Poll and for use on the manifestos booklets.

(ii) The candidate's photograph shall be submitted at the time of the candidate's nomination. No candidate shall be obliged to submit a photograph.

(iii) If the Returning Officer believes a submitted photograph does not conform to the above provisions, he shall inform the candidate at the close of nominations, and allow the candidate to provide a suitable photograph by no later than 10.30am of Saturday Sixth Week; candidates not providing a suitable photograph by this time shall not have a photograph displayed.

(iv) Candidates may, by the Monday of Fifth Week, enquire of the Returning Officer as to whether the Society holds an electronic copy of the candidate's photograph. If the Society holds such a copy, it may count for the purposes of the manifesto booklet, though the candidate must still provide a hard copy (if necessary of a different legitimate photograph) if they wish for a photo to be displayed in the Poll Room.

(f) Order in the Poll Room

(i) The ballot shall be secret. Any member infringing the secrecy of the ballot shall be liable to a fine of not more than £30, to be inflicted by the Returning Officer or any of his deputies.

(ii) The Returning Officer shall be responsible for preserving good order in the room in which the Poll is being held. Any member who continues to loiter in the poll room after he has cast his ballot shall be fined not more than £50 by the Returning Officer or any of his Deputies.

(iii) Nothing in (i) and (ii) above shall be held to prevent any Member from informing others of the way he has voted after he has left the Poll Room.

(g) Procedure for voting

(i) The Returning Officer shall appoint suitable persons to act as Poll-Clerks. Any Member of the Society may vote in the Poll by submitting, in person, his name and college, together with some form of identification bearing his signature or photograph, to one of the Poll-Clerks. The Poll-Clerk shall check that the person's name is recorded in the list of the Members of the Society provided for the purpose and that he has not already voted in the Poll, and if satisfied as to his identity, shall require him to sign a numbered list of those voting and shall

¹⁰² Specifically, *Standing Order D4*.

then deliver a ballot paper to him. The poll-clerk shall write the number by the voter's signature next to his name on the list of Members. The voter shall complete the ballot paper in accordance with Standing Order D7, and deposit it in one of the ballot boxes.

(ii) A voter may only be issued with another ballot paper if he inadvertently spoils his ballot paper. In this case, he shall return it to the Poll-Clerk who shall issue him with another, and shall deposit the spoiled paper separately in a box provided for the purpose.

(h) *System of Voting*

The Single Transferable Vote is to be used in all Elections of Officers and Committees of the Society, according to a system to be prescribed by Standing Order. If in any Election two or more candidates, one of whom must be excluded, have received an equal number of votes, he shall be excluded whose vote was lowest at the earliest distribution to show a difference. Should this criterion fail, the most junior of them under Standing Order D11 shall be excluded; should this too fail, the Returning Officer shall draw lots to determine who shall be excluded.

(i) *The Count*

(i) The Returning Officer shall be responsible for the counting of the votes, which shall be done as soon as is practicable and in accordance with Standing Orders, Chapter D¹⁰³. The Returning Officer, the Deputy Returning Officers, the President and the Returning Officers' Assistants shall have the right to be present throughout the count for the Society's elections. No other person shall have this right, save any candidates' representatives appointed under (ii) below.

(ii) Any candidate in the Society's elections shall be entitled to send a member to represent him at the counting of the votes. No person shall act as a representative for more than one candidate. No person currently a candidate, or member of the Short List for membership of the Election Tribunal under Rule 32(h), or the President, or the Returning Officer, or any of his Deputies or Assistants, or any person convicted of Electoral Malpractice, shall be the representative of any candidate.

(iii) For the duration of the count, the Returning Officer and all of his Deputies shall be empowered to inflict fines of up to £25 on any other person present at the count if such a person is acting in breach of Standing Order D5 or is otherwise disrupting the count.

(iv) In the case of a genuine emergency (such as the fire alarm sounding), the Returning Officer shall have the right to suspend the Count and evacuate the Counting Room. As far as is practical and safe, the ballot papers shall be stored in a secured ballot box, and guarded by at least three Deputy Returning Officers, until the Count can resume. If Any person breaking the secrecy of the Count during its suspension under this subsection may be fined up to £200 by the Returning Officer for each offence, subject to a maximum of £1000 per person; this shall not prejudice any further action by the Returning Officer or any other Member under Rule 33.

(v) In the case of a suspension of the count under Rule 35(i)(iv), the Returning Officer, if he believes that it will not be possible to recommence until 9 hours after the beginning of the count, may adjourn the count to a time stated at the time of adjournment. In the case of such an adjournment the Returning Officer shall, and shall only, announce such results as have been definitely decided at the time of adjournment. If there be an adjournment under this section, the ballot papers shall, when the count is adjourned, be sealed up as prescribed in Standing Order D5(g).

(v) The Returning Officer shall announce the results of the Poll in the Bar, immediately after the count has been completed, and shall then post the results on the Notice board.

(j) *Publishing information on the Internet*

(i) The Returning Officer shall publish the following on the Union's web site:

- (1) A list of validated candidates within 24 hours of the validation of the candidates after the close of poll. This list shall remain at least until the announcement of the results for that election.
- (2) A list of elected candidates within 12 hours of the announcement of the election results in the Society's bar. This list shall remain at least until the next election.
- (3) The manifestos of the Officers as per Rule 35. These shall remain at least until the announcement of the results; the losing candidates' manifestos shall be removed; the elected candidates' manifestos shall remain until the end of their term of office.
- (4) A brief summary of the instances of electoral malpractice.
- (5) A brief summary of how members may nominate and run for election.

(ii) The Returning Officer shall mention the Union's web site address, and briefly the electoral information available on it, both on any election poster and in the manifesto mailing.

¹⁰³ Specifically, *Standing Orders D5, D6 and D7*.

(k) *Committee Induction*

There shall be a training and induction day during full-term for Standing Committee and Secretary's Committee after they are elected. The induction shall be supervised by the President-Elect. Attendance shall be compulsory, on pain of a £20 fine, unless an individual has an acceptable reason as per SO B4 (with Standing Committee as the adjudicating body). The Returning Officer shall inform all candidates on their nomination form of the day that the induction day would take place if they were elected.

RULE 36: ELECTION OF THE CHAIRMAN OF CONSULTATIVE COMMITTEE

- (a) *Principle:* The Chairman of the Consultative Committee shall be elected by both the Consultative Committee and the Standing Committee in two separate secret ballots according to the mechanism given in Standing Order D10.
- (b) *Returning Officer:* The election shall be conducted by the Returning Officer, unless she has herself nominated to run in that election. In this case, the election will be conducted by the most senior Deputy Returning Officer who has not nominated for Chairman of Consultative Committee.
- (c) *Nominations:* The President shall post a notice on the Notice Board inviting nominations by the Saturday of Sixth Week and shall draw attention to this notice at the next Public Business Meeting. As soon as possible after the close of nominations, the Returning Officer shall post a notice declaring the nominations he has received.¹⁰⁴
- (d) *Eligibility to stand and to vote:*
- (i) Any member¹⁰⁵, who has attended four of the last eight meetings of the Consultative Committee may stand for election to the post of Chairman of Consultative Committee. The provisions of this clause shall not prevent the Chairman of the Consultative Committee standing for re-election in a term in which he holds office.
 - (ii) Members of the Standing Committee with voting rights shall be eligible to vote in the Standing Committee ballot.
 - (iii) Members who have attended four of the last eight meetings of the Consultative Committee, other than members of the Standing Committee with voting rights, shall be eligible to vote in the Consultative Committee ballot.
 - (iv) For the purposes of this Rule, attendance at a meeting of Consultative Committee may be demonstrated by in the following ways only:
 - (1) by having signed the official list of those present at the meeting kept by the Secretary of the Committee, to which the Chairman shall draw attention during the course of each meeting; or

(ii) *Powers and Responsibilities*

(1) Assumption of the powers and duties of a vacant post under Rule 38(j) below shall not prejudice a person's eligibility to succeed to any other post. No person shall hold the powers and duties of more than one vacant post under this Rule.

(2) If a person is simultaneously eligible to succeed to multiple vacant posts, that person shall assume the powers and duties of the senior vacant post, and the powers and duties of each junior post shall devolve in order of seniority to those next in line to succeed.

(3) Coincidence of vacancies shall not prejudice the discretion of the person in line to succeed to accept or reject any of the posts in question. However, any of those assuming the powers and duties of junior posts under (2) above shall be entitled to waive their right to succeed to any post utilising the mechanism described under Rule 38(j) below, as though they were refusing succession.

(j) *Timing and Refusal of Succession*

(i) *Right:* If an Office or place on any Committee of the Society becomes vacant, the individual who is eligible to succeed by virtue of seniority may choose to pass-over his right of succession. That individual shall remain in any current post and retain his current status, and shall have none of the rights, status, privileges or duties of the vacant post. The right of succession shall pass the next most senior individual under the appropriate Rule, who shall have the option of succeeding to the post, as if they were originally in line for succession.

(ii) *Mechanism*

(1) Upon discovering a vacancy in an Office, or a place on the Secretary's or Standing Committee, the President shall within twenty-four hours inform by email the individual eligible to succeed and every person who could, in the event that senior individuals refuse succession to the post, become eligible to succeed to the post without being co-opted.

(2) Every recipient of this email shall be entitled to waive their right to succeed to any post to which, as a result of the vacancy in question arising, they could become eligible to succeed. Such waiving must be sent simultaneously by email to the President to every person who could become eligible to succeed as under (1) above. Such waiving may not be made conditional on any circumstance other than becoming eligible to succeed to the post, is of immediate effect and cannot be withdrawn.

(3) Such refusal must take place within 24 hours of the President's email being sent in Full Term, or within 72 hours during the Vacation. The vacancy shall then be filled by the most senior individual who has not waived his right to succeed to that post. Further vacancies resulting from such succession shall be filled successively by the most senior remaining individuals who have not waived their right to succession to the post in question, or have not already succeeded to a senior post.

(4) Refusal of succession to any one post will not affect any individual's right to succeed either to a senior or a junior post on this occasion, nor will it affect their right to succeed to any post on a future occasion,

(iii) *Interim Powers and Duties:* upon being informed of the relevant death, resignation or refusal of succession, the individual immediately in line to succeed shall assume the powers and duties of the vacant post (except as under (h) above), but not the post itself, which shall remain vacant until filled under (ii) above. No person who has waived their right to succeed to a post shall hold the powers and duties of that post.

(iv) If a resignation takes place in the course of a meeting of a committee at the end of which the person in line to succeed was present, this person shall be deemed to have been informed at the time of resignation. Otherwise, a person in line to succeed shall be deemed to have been informed of a death, resignation or refusal of succession at such time as that person's immediate senior, or the President, has successfully sent that person an email to this effect.

(k) Any person who succeeds to a post under this Rule shall vacate any junior Office or any junior place on the Rules of the Oxford Union Society, Michaelmas Term 2011. Updated 1st December 2011.

If, at any time, there be no Members on the floor of the House wishing to speak, the Chair shall at once call upon the Tellers to sum up the Debate and the House shall proceed to a division.

(d) *Amendments and Riders*

The total time spent in discussing an Amendment or Rider to a Public Business Motion shall in no circumstances exceed half an hour; at the end of that time the Chair, should it not already have done so, shall immediately put it to the vote.

(e) *Counting Out*

If during Public Business a Member move that the House be counted, and there be fewer than ten members present, the Chair shall at once call on the Tellers to sum up the Debate, and the House shall proceed to a division¹¹⁴.

(f) *Hour of Division*

¹¹³ So where these rules do not provide alternative means of appeal, a SAM may be invoked: see Interpretation B4.

¹¹⁴ Not including the Chair, Secretary and Tellers: see Interpretation B13.

The hour of division shall never be later than 0100 hours and for each rider of which due notice has been given, the House shall divide on the substantive motion not less than ten or more than thirty minutes earlier than it would otherwise have done.

(g) *Division*

(i) During Public Business, except as provided in paragraph (ii) below, members leaving the House after the second speech shall be counted by the tellers as voting in favour of the motion if they pass to the right of the barrier, and against it if they pass to the left, unless they signify to the tellers their wish not to vote.

(ii) Where an Amendment to the Public Business Motion is to be proposed, voting on the motion shall not be allowed until the Amendment has been voted on, and, if the Amendment be passed, voting on the Amended motion shall not be allowed until two further speeches have been given.

RULE 47: PRIVATE BUSINESS MOTIONS

(a) *Notice*

(i) **At a Public Business Meeting:**

(1) A Private Business Motion moved by recommendation of the Standing Committee¹¹⁵ shall be posted on the notice-board not less than three days or, if it be a motion to which Rule 67(b)(ii) apply, eight days before it is to be discussed. No Private Business Motion not recommended by the Standing Committee shall be introduced at a Public Business Meeting unless notice of it has been posted on the notice-board not less than eight days before the meeting and before the Rooms have closed on the day next after the posting of the notice at least thirty Members have signed the notice in the Society's Rooms in support.

(2) The provisions of (1) above notwithstanding, any Private Business Motion may be moved at a Public Business Meeting following a Procedural Motion to that effect, passed at the Private Business Meeting before which the motion is due to be brought before or immediately after the vote. Such a Procedural Motion may be moved only by the proposer of the Private Business Motion to which it refers, in person or by proxy, and must specify the Public Business Meeting before which the motion shall be brought; the said Public Business Meeting being not less than three days and not more than one calendar month after the Private Business Meeting, save that if the Private Business Meeting is held within three weeks of the end of Full Term, the motion may be brought before the first Public Business Meeting of the following term.

(ii) **At a Private Business Meeting:**

Any Member may, provided that he have given at least three or, if it be a motion to which Rule 67(b)(ii) applies, eight days notice on the notice-board, bring forward a motion at a Private Business Meeting. This provision shall extend to motions for Private Business Meetings adjourned under Rule 41(d).

(b) *Speeches*

In Private Business a Member may not speak more than once on the same substantive motion unless in the opinion of the Chair the course of the debate makes it desirable. In a debate on a Private Business Motion, the speeches of the mover and opposer shall be limited to five minutes each; those of other speakers to three minutes each; save that the Chair may allow extra time at its discretion.

(c) *Dividing the Motion*

If a Private Business Motion deals with two or more distinct Questions, the Chair, on request, shall divide it, and shall put the Questions separately to the vote.

(d) *Divisions*

No Private Business Motion shall be regarded as having been decided by acclamation if fifteen or more Members call for a division.

(e) *Counting Out*

(i) If during or immediately following a vote on a Private Business Motion other than an Appeal, a Member move that the House be counted, and the number of members qualified to vote present is beneath that specified under (iii) below, the House or the mover of the motion may agree to a postponement of the discussion to a specified future Public Business Meeting.

(ii) If no such postponement is agreed, the House shall continue to debate the motion and proceed to a division, and the numbers voting on either side shall be recorded. The motion shall be put in Private Business at the next Public Business Meeting if within 144 hours a petition to that effect be posted on the notice-board and be signed by more Members than voted in favour of the motion if it passed, or more Members than voted against the motion if it fell. From the time of the said decision or petition to the division at the said meeting it shall be as if the said motion had not been put.

¹¹⁵ As defined by Standing Order B5, which also limits the rights of members of TSC to speak on such motions.

(iii) In the case of a Private Business Motion to which Rule 67(b)(ii) applies, the requisite number of members qualified to vote shall be 150. In the case of a Private Business Motion which Rules 67(b)(ii) does not apply, the requisite number of members shall be 40.

(iv) No part of Rule 47(e) shall be amended or deleted except in Private Business at a Public Business Meeting.

(f) *Polls*

(i) *Demand For:* Any Member may demand a Poll on a Private Business Motion or an Adjournment Motion moved under Rule 45(h) immediately after a division on it has been taken. A poll shall not be taken unless within 48 hours (excluding Sundays) after such demand a Requisition to the same effect, signed by one hundred and fifty members in the Society's rooms, be deposited in the Office. The Member demanding a Poll shall not be permitted to withdraw the demand. No Poll shall be demanded on an Appeal from a decision of the President or from a fine or a suspension, nor on a matter of expulsion.

(ii) *Time When:* If a Poll be requisitioned, it shall be held not less than five nor more than twelve days after the Requisition is presented.

(iii) *Repetition of Motion:* No Private Business Motion that has been rejected on a Poll shall be brought forward again in form or substance within two terms of being moved.

(iv) *Arrangements For:* In the event of a Poll being requisitioned, the Standing Committee shall lay down the arrangements for the Poll and the Count. The Extraordinary Returning Officer, who shall ordinarily be the Returning Officer, shall conduct the Poll, and shall have power to decide all questions not specifically covered by the Rules, the Standing Orders, or the motion laying down the said arrangements. He shall also have the power to inflict fines of up to £25 for disruption of the Count or interference with the secrecy of the poll. The Extraordinary Returning Officer shall not be the proposer or seconder of the motion, or named in the motion, nor shall he have spoken on either side or have taken the chair in any earlier debate on the motion. If the Returning Officer be hereby disqualified from being Extraordinary Returning Officer, the Standing Committee shall appoint a Deputy Returning Officer or an Ex-Returning Officer qualified to be a Deputy Returning Officer not so disqualified as Extraordinary Returning Officer.

(v) Any breach of the arrangements laid down for the Poll by Standing Committee or the ERO shall be an offence. Any such offence may be complained about as below:

(1) In the event of a poll being held on the same day as the Election of Officers and Committee, an allegation of Poll Malpractice may be made in the same manner, and with the same time limits as would be required of an allegation of Electoral Malpractice. An Election Tribunal shall then deal with the allegation in the same way as if it were an allegation of Electoral Malpractice. For the purposes of Rule 33(b)(ii) an allegation should state that a breach of Rule 47(f)(v) has occurred.

(2) In the event of a Poll being held at any other time of term, a breach of Rule 47(f)(v) shall be an offence under Rule 71(a)(i).

(vi) In addition, should notice be given of a Rule change such that a poll be required under Rule 72 for the change to have effect, Standing Committee shall lay down the motion required by Rule 47(f)(iv) at its next meeting. The same shall apply if Rule 67(b)(iv) or (v) is employed regarding a Rule change. If either of these should occur, 47(f)(v)(1) and (2) shall only apply to arrangements, as decided in Standing Committee's motion or by decision of the ERO promulgated in writing on the notice board, that are made before close of business on the sixth day prior to the date set for the Poll.

(g) *Rules*

Any Motion, Amendment, or Rider, affecting any Rule of the Society shall be subject to the provisions of Rule 67(b).

(h) *Expenditure*

No Private Business motion with financial implications shall be put¹¹⁶ without the prior written consent¹¹⁷ of a Senior Officer or the Standing Committee, with the exception of any motion tabled under Rule 58. Motions tabled under Rule 58 shall not entail spending more money than is available in the Library budget for that year.

(i) *Non-Members*

Non-members may not attend Private Business Meetings.

¹¹⁶ On the scope of this restriction, see Interpretation A47.

¹¹⁷ On the definition of prior written consent, see Interpretation A48.

- (ii) The hours of opening shall be at least from 9.30am until 11:30pm on Monday to Saturday and midday until 11.00pm on Sundays, except when functions sanctioned by standing Committee require otherwise.

(b) *Vacation:*

- (i) During Vacation the Society's Rooms shall be open from 10.00 to 17.00 Monday to Friday except when Standing Committee decides otherwise.
- (ii) The Society's Rooms shall be closed for a minimum period of seven consecutive days in each vacation.

(c) *Bars:*

- (i) In Full Term, when the Society's Rooms are open, the main bar shall be open and serve intoxicating liquors from at least 11.00 am to 11.00 pm on Mondays to Saturdays and at least from 12.00am to 10.30pm on Sundays.
- (ii) In Vacation, when the Society's Rooms are open, the main bar shall be open and serve intoxicating liquors as the Standing Committee so orders, to a maximum of the same hours as in full term.

(d) *Currently unused*

(e) *Times of Meetings*

No Public Business Meeting, Private Business Meeting, Election, Poll, informal debate, Parliamentary debate, emergency debate, Election Tribunal hearing, Disciplinary Hearing, or meeting of any duly constituted Committee shall commence during hours when the Buildings are closed under Rule 48. If the event of a Poll being requisitioned under Rule 47(f), and the five to twelve day period mentioned in Rule 47(f)(ii) coincides with the day of the main Elections, the Poll shall take place at the same time, in the same room and open for the same hours as the main Elections

RULE 49: UNUSED

RULE 50: UNUSED

RULE 51: DOGS

Any Member introducing or causing to be introduced a dog into the Society's premises shall be liable to a fine of £5 inflicted by the Treasurer. Any animal leading a blind person shall be deemed to be a cat. Any animal entering on Police business shall be deemed to be a wombat. Any animal that the President wishes to exempt from the Rule shall be deemed to be a mongoose.

RULE 52: GUESTS, VISITORS AND NON-MEMBERS

(a) *Exclusion of Disciplined Members*

Members of the Society who have been expelled or who are under suspension shall not be allowed onto the Society's premises, except for the purposes (solely) of any Appeal.

(b) *Room Hire*

- (i) Rooms may be hired as per Standing Orders, Chapter E.
- (ii) When a room is hired, the Society must be informed who will be using the room, and particularly told if any distinguished, high-security or controversial individual will be attending. The Society reserves the right to cancel room bookings without notice or liability, returning any monies paid.
- (iii) When a room is booked, the hirer must sign down on the booking form that he agrees to abide by the Rules of the Society as part of the room-hire contract.

¹¹⁸ Provision of keys and codes to the Rooms is governed by Standing Order E17.

¹¹⁹ Powers to assist the maintenance of order in the Rooms are listed under Standing Order G1.

¹²⁰ Restrictions on access, room hire and distribution of leaflets defined by Standing Orders E1, E4 and E6 respectively.

(c) *Guests of Members*

- (i) Any Member introducing a guest or guests into the Society's buildings shall write his name and college and his guest's name and address in a Guest Book on entering the buildings.
- (ii) Between the hours of 5.30pm and 2am, the President or Staff shall have the right to charge members a levy for each guest admitted onto the premises. This levy shall be determined by the Standing Committee from time to time.
- (iii) After signing in, guests shall be given a "Visiting Membership Card", which shall be valid for that day. By accepting such a card, guests agree to be bound by the Rules of the Society. Guests shall carry this card at all times whilst on the premises, and shall show it on demand to any member of Staff or Standing Committee. Cards issued before 5.30pm shall not necessarily exempt any guest from the evening charge set out in (c)(ii) above.
- (iv) Guests may use the main Bar provided they are accompanied by the Member who signed them in. They may not themselves be served at the Bar. They may attend a Debate or Speaker Meeting if accompanied by the Member who signed them in. Such guests shall have no voting rights in any Private Business or election.
- (v) No Member shall introduce more than three such guests onto the Society's premises at one time, nor introduce a particular guest more than four times a term, unless the President permits otherwise. No individual eligible to join the Society under Rule 3(A) or Rule 3(C) shall be introduced under this section without the President's written permission except that they may be allowed in the bar upon payment of fee of £3 as if they were eligible to join the society.
- (vi) Any Member who fraudulently introduces an individual eligible to join the Society under Rule 3(A) or Rule 3(C) shall be fined £60 for each offence.
- (vii) It shall be a disciplinary offence under Rule 71 for a Member to purchase alcohol for, or allow alcohol to be purchased by, a guest who is under-age.
- (viii) The President or his agent may exclude any guest from the premises at any point for any period of time.

(d) *Tourists*

- (i) The President is empowered to make arrangements to admit non-members to the Society's premises as tourists, and to charge such non-members a fee
- (ii) Members may not introduce guests onto the Society's premises for profit or commercial gain, nor sell tickets to debates or speaker meetings, without the express permission of the President.

(e) *Members' Only Events*

The President may choose to mark an event "Members only". Such events may only be attended by Members of the Oxford Union Society (as defined in Rule 3), and other individuals only as the President allows.

(f) *Trespassers*

The President may, at his discretion and notwithstanding Rule 72, submit to the Proctors the name of any member of the University found upon the Society's premises who is neither a Member nor an employee of the Society, and who has not been admitted legitimately under this Rule.

(g) *Ticketed Events*¹²¹

- (i) All tickets to events, whether for Members or non-Members, shall be non-transferable, except when done through the General Office.
- (ii) During a ticketed event, the Society may restrict access to any or all of the Society's rooms or buildings to those who hold a ticket. A notice informing Members of the restricted access to the buildings must have been placed on the Society's notice board at least 7 days in advance. The Society may not arbitrarily restrict access to the main generality of the buildings to particular types or groups of Members during normal opening hours in Full Term, save for reasons of security or safety. At ticketed events, the Standing Committee may specify that formal dress (daytime or evening as appropriate) is required; any individual not conforming to the specified dress code may be excluded from the event without compensation.
- (iii) The Society may not discriminate between different types of Member in the distribution of such tickets, save that in the interests of decorum, and notwithstanding anything else in the Rules, Standing Committee may choose to make any *bona fide* 'women-only' event open to female members only. It may also make events during Michaelmas Term open to freshers only.

¹²¹ For rules on the sale of tickets off the premises, see Standing Order A20.

(h) *The Open Period*

(i) Between Monday 0th Week and 7pm on Thursday 2nd Week of each Michaelmas Term, the Buildings shall be open to non-members of the Society who are eligible to join under Rule 3(A) or Rule 3(C). Such non-members may attend debates and meetings (unless the meeting is a 'members only' event). They may speak and vote in Public Business, but may not speak or vote in Private Business. They may purchase intoxicating liquor if licensing laws allow. They may use the Library but may not borrow books.

(ii) *Reciprocal Members*

Reciprocal Members entitled to full Life Membership under Rule 9 shall be treated exactly as normal full Members for the purposes of this Rule. Individuals from Kindred Societies who are entitled to limited reciprocal access shall be covered by the appropriate rules on reciprocal membership and not this Rule; however, they shall not be entitled to admit guests themselves. They may buy tickets to the Society's ticketed events at the discretion of the President.

(j) *Cellars*

The guest and non-member admission policy of the Cellars shall be determined by motion of the Cellars Management Committee, and regulated by the lease and management agreement between the Oxford Union and Purple Turtle. Admission of guests and non-members into the Cellars shall not necessarily grant such individuals access to the other parts of the Society's premises, and instead shall be regulated according to the other parts of this Rule.

RULE 53: ADMISSION TO EDUCATIONAL FACILITIES

(a) Subject to (c) below and to Rule 58(a) any member of the University of Oxford shall be entitled to be admitted to the Society's debates, addresses by distinguished persons, the reading- and writing-rooms, and to the Old and New Libraries for the purpose of using therein any of the books, upon payment to the Society of a termly sum to be determined under (d) below. Non-Members so admitted shall be subject to Rule 39(c)(i) and (iv) except that if it be necessary to close the Gallery for security or other reasons an area of seating shall be reserved on the floor of the House for the use of non-Members admitted under this Rule, the area being computed so as to bear the same proportion to the total seating space as the number of persons who have bought Termly Admission Cards in the term in question bears to the number of Subscribing Members.

(b) Any such person shall, upon payment of the said sum, be given a Term Card, the form of which shall be agreed between the Standing Committee and the Trustees of the Oxford Literary and Debating Union. When on the premises he may be required to give sight of his card to any Officer or member of the Society's staff. Any person who permits his card to be used by any other person shall be in breach of this Rule and liable to have his right revoked as under (c) below.

(c) If any Non-Member admitted to the premises under (a) above be guilty of misbehaviour or do or attempt to do any act on the Society's premises which he is not entitled to do under (a) above he may be removed there from by the House Manager or any Officer; and if such behaviour by a Non-Member be sufficiently serious, the Standing Committee may revoke the non-member's rights under (a) above, in which case the Society shall reimburse the Non-Member with an appropriate proportion of the termly sum already paid by him.

(d) The termly sum referred to in (a) above shall be agreed from time to time between the Standing Committee and the Trustees of the Oxford Literary and Debating Union, or if they disagree, by the Trustees of the Oxford Literary and Debating Union alone. The said termly sum shall bear a reasonable relationship to the monthly subscription which is due from a Life Member paying his Membership fee by Banker's Order who joins in the terms in which the termly sum is to be paid, having regard to the cost to the Society of providing those facilities which, being non-educational, non-members admitted to the premises under (a) above are not entitled to use. For the purpose of determining what is a reasonable relationship the Trustees of the Oxford Literary and Debating Union may require the Standing Committee to procure a report on the question from the Society's auditors.

RULE 54: THE PRESS

(a) The President may permit representatives of the Press to enter the premises at any event. The President may exclude the Press from the premises, or part of the premises, at any time, as he sees fit.

(b) No photography, video recording or audio recording shall take place on the Society's premises without the President's prior permission.

(c) *Permissions*

(i) Members shall not communicate information to the Press about any event on the Society's premises which

is closed to the Press, or is under Chatham House Rules¹²².

(ii) No candidate in any of the Society's Elections, appointed official or member of any Committee of the Society shall speak to the press concerning the Society's Elections, any Election Tribunal or any Appellate Board unless in receipt of specific written authorization from the President and the Returning Officer.¹²³

(d) The President may exclude any Member from any event which is closed to the Press, or is under Chatham House Rules, if he reasonably suspects that that Member would communicate information about the event to the Press.

(e) Any meeting of the Society may be covered by local, national or international media and Members may be filmed, taped or photographed. In consideration of their attendance, and without compensation, Members, guests or visitors consent to be filmed, taped, recorded or photographed, and they further consent that their image may be distributed, by any media, in connection with any event.

(f) Breaches of Rules 54 (b) or (c) shall be disciplinary offences as per Rule 71 or 33, as appropriate.

¹²² Further restrictions on members of committee are laid out by Standing Order B1.

¹²³ This shall not prevent the Returning Officer from publicising the poll: see Interpretation A18.

CHAPTER EIGHT: THE LIBRARY

RULE 55: GENERAL AND GOVERNANCE

- (a) The Library shall have multiple roles as an historic collection and as a working library for study and research and general reading.
- (b) The Senior Librarian and Junior Librarian shall be responsible for the general supervision of the Library. The Librarian-in-Charge shall be responsible for the day-to-day management of the library and shall work together with the Library Committee.

- (h) After each meeting of the Library Strategy Committee, the Librarian or Senior Librarian shall report back to Library Committee.
- (i) All Library matters (other than its fabric) shall fall within the exclusive responsibility of those persons and bodies named in (b), subject to the budget in Rule 56 and the ultimate responsibility exercised by the Standing Committee in paragraphs (d) and (e) above.

RULE 56: LIBRARY FINANCE

- (a) Standing Committee shall, no later than the second week of Michaelmas Term establish an annual income and expenditure budget for the library; this shall be reported to the Library by the Standing Committee.
- (b) This shall be based on a report by the Senior Librarian and the Junior Librarian which, taking account of the overall financial outlook for the Society and after discussion by the Library Committee, shall:-
 - (i) set out the committee's strategy as in Rule 25(j) (Library Strategy)
 - (ii) review progress of that strategy in the last year, including library accounts for that year
 - (iii) report on available external finance and
 - (iv) set out the capital and current requirements of the library accordingly.
- (c) Management of the Library shall include generating revenue, including sponsorship, although not to the exclusion of such by members of Standing Committee or Junior Officers.
- (d) The President may, on the suggestion of the Senior Librarian, invite the Librarian-in-Charge and other appropriate members of the Library Committee to attend Standing Committee, without vote, when the library budget is to be established.

 - (i) The Bursar, on behalf of the Senior Librarian, shall cause the accounts of the Library to be entered in a ledger, which shall, when they have been audited, be open to inspection by members.
 - (ii) The Bursar shall prepare termly accounts with the assistance of the Librarian-in-Charge, on behalf of the Senior Librarian, which shall be presented for audit annual together with the Senior Treasurer's accounts.

(iii) In each term the Junior Librarian shall present the Librarian-in-Charge's account for the preceding term to a Public Business Meeting:

(iv) At the first Ordinary Private Business Meeting of each Michaelmas Term the Junior Librarian shall present the Librarian-in-Charge's audited accounts for the preceding year for the approval of the Society.

RULE 57: ACQUISITIONS AND DISPOSALS

(a) The Library Committee shall establish policies for the acquisition and disposal of books and other library materials.

(b) The Junior Librarian's weekly list of acquisitions shall be proposed to the House for approval.

(c) A book or other library item presented to the Society shall be laid before the Library Committee. If the Committee think that the item is of permanent value, it shall place it on the list proposed under (b) above.

(d) The Library Committee may authorise the Junior Librarian to purchase pamphlets without reference to the House.

(e) Lists of titles suitable for disposal shall be prepared by the Librarian-in-Charge and approved by the Library Committee for submission by the Junior Librarian to the House for approval. Such lists shall be:-

(i) notified in writing to the Senior Librarian one month in advance of approval;

(ii) posted on the Society's notice boards two weeks before approval and;

(iii) amended by the Junior Librarian, on the advice of the Senior Librarian and Librarian-in-Charge, to omit any items for whose retention a compelling case has, in his opinion, been made.

(f) The Senior Librarian may, over and above his stated general charge of the Society's libraries, prohibit any disposal.

(g) After any item has been approved for disposal it shall be listed for two weeks on the Society's notice boards together with a market value set by the Librarian-in-Charge, unless Library Committee shall have rules that a bulk sale including such item will be in the Society's best interest. Any member of the Society may purchase that item on a first come, first served basis at the market value set by the Librarian-in-Charge.

(h) Any items not sold shall be disposed of by the Library Committee. Any income from such sales shall be applied only for library purposes.

(i) Any income from such sales shall be applied only for library purposes.

RULE 58: LIBRARY MANAGEMENT

(a) *External Relations:* The Librarian-in-Charge, subject to the Rules on financial control and to any general direction by the Standing Committee, may:-

(i) negotiate with suppliers of library services, including online information resources and staff training and;

(ii) approach sponsors, provided that the President and Treasurer shall be advised in advance.

(b) *Library Regulations:* Library Committee may make regulations for the safe handling and borrowing of library materials and for other routine library matters.

(c) Library staff

(i) Staff shall be answerable on all matters of operational management (other than personnel, contractual and health and safety matters) to the Senior Librarian and to the Library Committee, who may assign appropriate powers and duties to the Librarian-in-Charge.

(ii) Paragraph (i) above shall be without prejudice to the Bursar's role in overseeing staff matters. To the extent that matters in respect of paragraph (i) do affect such responsibilities, the Senior Librarian shall normally invite the Bursar to attend, without vote, Library Committee.

CHAPTER NINE: STAFF

RULE 59: SUPERVISION

(a) The Bursar shall have general oversight of the rooms and the Society's staff, subject to the direction of the appropriate Officers and Committees of the Society¹²⁴.

Nor shall a member of Staff who is also a Member of the Society be eligible for membership of any Committee of the Society, excluding Consultative Committee (unless a member by virtue of their duties and/or responsibilities as a member of Staff). This sub-section shall not apply to staff who are employed on a casual basis, or who work sixteen hours or fewer per week and are not on a fixed term contract.

RULE 60: APPOINTMENT, DISMISSAL, AND SALARIES

(a) *Division of Responsibility*

(i) The power to appoint and dismiss members of the staff and to fix their salaries shall be vested in the Standing Committee¹²⁵¹²⁶.

(ii) All staff appointments must be approved by Standing Committee before a potential staff member is made a formal offer of permanent employment.

(iii) Any staff dispute or matter of contention which cannot be resolved informally shall be considered by Standing Committee, and not by any other Committee or working party of the Society¹²⁷. As an exception to this Rule, the Standing Committee may appoint a Special Committee with the specific purpose of reviewing such a dispute or matter of contention, and bringing authoritative recommendations to the Standing Committee, whenever and in such manner as this appointment will be necessary to conform with the Employment Law of England and Wales.

(iv) The Bursar shall have day-to-day control over staff, excluding those employed within the Library. The Bursar shall be responsible directly to Standing Committee.

(b) The Society shall not employ or appoint any Bursar who is the Hon. Secretary, the Hon. Treasurer or a Trustee of OLDUT.

(c) The staff in the Cellars shall be appointed, dismissed and governed by the Purple Turtle, subject to the general oversight of the Cellars Management Committee. They shall not otherwise be deemed to be Union staff for the purpose of these Rules.

(d) Any discussion relating to changing existing responsibilities of members of staff, or otherwise changing the structure of permanent staffing shall be handled by an *ad hoc in camera* Committee consisting of the Junior Officers, Officers-Elect, ex-Presidents with a vote on Standing Committee, and the Senior Officers. They may invite the Bursar to advise them of relevant issues concerning the proposed change. This Committee shall present its recommendations to Standing Committee for ratification before any action is taken.

RULE 61: GRATUITIES

Any Member giving a gratuity to a member of the Staff shall be liable to a fine not exceeding ten pounds, at the discretion of the Standing Committee.

¹²⁴ *Complaints against staff are submitted to the Bursar or the President: see Interpretation C23.*

¹²⁵ *For rules regarding the payment of pensions, see Standing Order A8.*

¹²⁶ *On the authority of the Standing Committee and others over staff, see Interpretation C23.*

¹²⁷ *Which should not prevent disciplinary committees from hearing evidence: see Interpretation C13.*

CHAPTER TEN: FINANCE¹²⁸

RULE 62: FINANCE - GENERAL¹²⁹

The Members entrust their assets to the Standing Committee and, through Standing Committee, to the Society's Staff. This rule is designed to ensure that members can have confidence that their money is being spent wisely and all expenditure is adequately scrutinised by their elected representatives. However, it is also sometimes necessary for decisions to be made quickly: in such cases, it is important that there is adequate flexibility combined with proper reporting afterwards.

(a) All budgets and expenditure must be scrutinised by the Finance Committee before being presented to Standing Committee. In exceptional and unforeseen circumstances, this may be waived by the Senior Treasurer.

(b) In these finance rules, "permission" must be given in writing or by email and stored for a period of two years.

(c) The Society's financial year shall run from July 1st to June 30th.

(d) An annual budget, or business plan, must be scrutinised and proposed by Finance Committee and passed by Standing Committee. It will detail the following:

(i) **Expected Income**, divided into:

- (1) Subscriptions (less Membership Drive expenses);
- (2) Sponsorship;
- (3) Net Members' Bar Contribution (including Bar Staff)
- (4) Net Private Events/Private Hire Contribution (including Events Staff);
- (5) Net Standing Committee Events Contribution;
- (6) Rental Income;

This does not apply to items that would be subject to *in camera* regulations, which may only be consulted by members of Standing Committee or the Returning Officer.
- (c) By First Week of each term, the Bursar must present an account to Finance and Standing Committee detailing the Society's performance in the previous term compared to its annual and termly budgets. This will also include recommendations for future actions, as well as indicating any necessary modifications to the annual budget, which must be passed by a two-thirds majority.

Provisional social event accounts shall be presented one week after the event.

(g) If applicable, the account shall detail all expenditure and income associated with the event(s) concerned. It will also detail any future commitments which have arisen because of any related item, whether future predicted income, recurring costs, or other liabilities.

(h) If the deadline passes with no account presented, then the member shall be liable to disciplinary proceedings. In any event, any member who fails to present an account within one week of the deadline shall be fined £50. There shall be no appeal to this fine, except in the case of debilitating illness.

(i) If no account is presented by the responsible member of committee, the Bursar shall compile one to the best of his ability and present it to Finance and Standing Committee.

(a) Establishment Expenditure is spending that must be made for the long-term interests of the Union, but may be postponed from the current period(s). This includes (but is not limited to) equipment replacement, equipment upkeep, repairs and maintenance, building work, structural installations, and staff training. All such expenditure over £700 must be specifically and individually authorised in the budget passed by Standing Committee. In the case of items falling under the Repairs and Maintenance Budget, any item of £700 must be specifically and individually authorised by Treasury Committee and be in accordance with their termly budget. Establishment expenditure on items of less than £700 may be authorised by the Bursar from the relevant budget. Repairs and Maintenance Budget expenditure by the Bursar must be reported to the next meeting of Treasury Committee.

(b) Outside of term time, if the President is reasonably satisfied of the emergency need for Repairs and Maintenance expenditure which could not have been foreseen during term time, then he may grant authorisation for discretionary spending of the Repairs and Maintenance Budget. It will also include any spending which has been specifically and individually sanctioned by the Standing and Treasury Committee on a long-term basis and is specifically and individually listed in the relevant annual or termly budget. The payment of Recurring expenditure may be authorised by the Bursar.

Ex-Officers serving on the Standing Committee may only sign contracts with the knowledge and permission of the relevant officer under whose responsibility the contract would fall.

(b) Any member who commits the Society to any cost which is not properly authorised as detailed in these Rules shall be personally liable for that amount. The Senior Officers, acting unanimously, may waive up to 90% of this liability. If the final amount is less than £300 then it shall be considered a fine under Rule 6. If the final amount is more than £300, then on non-payment within one month, the Standing Committee shall pursue the matter through the Courts.

(2) any member of Staff to appear before it to answer any questions which it may put to him which may fairly relate to his employment by the Society and which are within its remit, in which case the Committee shall determine a fair means by which that summons should be sent.

(iv) Any person summoned to appear before the Committee under Rule 66(e)(iii) shall have the right to be represented, and shall not be required to answer any questions which might implicate him in a breach of his contract of employment with the Society, nor which might implicate him in a criminal offence.

(v) Any Member who fails to comply with a requirement imposed under this paragraph shall be guilty of Disciplinary Misconduct under Rule 71.

(vi) In cases where a member of Staff is required to comply with a direction of the Committee made under Rule 66(b)(ii) or Rule 66(b)(iii)(2) above, and fails to do so without good cause, the President shall be guilty of Disciplinary Misconduct under Rule 71 if it can be shown that he failed to exercise all reasonable endeavours within his power to secure the member of Staff's compliance with that requirement. In the event that the Committee is unable to agree its report, the Chairman shall transmit notice of that fact to the President who shall cause it to be read out in Private Business at the next Public Business Meeting.

(iv) The Committee shall have the power, on its own motion, to make such directions as it sees fit regarding the extent to and means by which its reports shall be published or disseminated. Any breach of a direction given under this section shall be Disciplinary Misconduct under Rule 71.

In the case of any conflict or ambiguity, the Rules shall take precedence over any Standing Order or Schedule; and in the case of any conflict, Rules shall take precedence over any Interpretation made under Rule 67(e)(i)(7) through (11).

(b) *Amendment*

(i) No Rules may be amended or repealed, nor may a new Rule be enacted, except by way of Private Business Motion in respect of which the provisions of Rule 47(a) shall apply.

(ii) A Motion, Amendment or Rider which affects any Rule of the Society shall specify the Rule affected. The President shall decide whether a Motion, Amendment, or Rider does affect any Rule of the Society. If the President decides that a Motion, Amendment or Rider affects a Rule to which it does not refer, then he shall suppress the Motion, Amendment, or Rider, and place on the notice-board a statement of the action taken.

(iii)

(1) A Member proposing to alter the Rules shall state in the Motion the words he proposes to delete or insert, and the place or places where they are to be deleted or inserted. He shall also post as a Schedule to the Motion the section or sections of the Rule or Rules affected as it stands or they stand at the time of posting. All such Alterations shall come into effect immediately after the end of the Meeting whereat they are proposed and passed, unless otherwise provided for in the Motion or unless the provision of Rules 47(e) or (f) be applied in which case the Alteration shall come into effect either after the allotted time for the collection of signatures has elapsed, if the requisite number of Members' signatures be not forthcoming, or not unless the subsequent Vote or Poll approves the motion, whereupon it shall take effect immediately after the Public Business Meeting at which the Motion is represented, or the result of the Poll announced.

(2) Alternatively, a Member may propose a Motion, that in principle be accepted, in which case, where such introduction would affect the Rules, he shall post as the First Schedule to the Motion a statement of all Rules affected, together with any words to be deleted or inserted, which changes are consistent with and directly consequent on the principle of the Motion.

(iv) The Standing Committee may decide that a particular proposed Rule-change is of such importance that it should be brought to the special attention of Members. In such a case, consideration of the Rule-change in question shall be postponed to such Public Business Meeting, at least six and not more than fourteen days after the day specified in the original notice¹³⁰; notice of that Meeting, with an indication of the nature of the business, shall be sent to every College or Hall 5 days at least before the Meeting; and a notice of the Meeting shall be inserted in two newspapers, whereof one shall be a paper circulating in the Oxford area¹³¹ and one a national newspaper¹³², to appear at least two days before the said meeting.

(v) The provisions of (iv) above shall apply automatically if a Requisition to that effect, signed by 50 Members, be posted on the notice-board four days before the day specified in the original notice of motion.

(vi) Neither the Rules relating to the conduct of Elections, Election Tribunals, and Appeals against Election Tribunals, nor this subsection shall be altered after the opening of nominations in the Society's main elections in any Full Term unless the motion in question provide that the alteration shall not come into effect until the first day of the following term.

(vii) No motion affecting any of Rules 1, 2, 18(b), 25(d)(v), 29, 53, 62(c), or 67(b)(vii) nor any motion to introduce any new Rule which contradicts any of these, may be introduced except with the consent of the Trustees of the Oxford Literary and Debating Union.

Unless the Standing Committee decide, with the consent of the Appellant or of the House, that it shall be postponed, the motion shall be brought forward at the next Public Business Meeting, provided that such meeting, except in the Eighth Week of any term, be held not less than three days after such notice has been given. This shall not apply if Standing Committee decides that it would be inappropriate to pursue a prosecution.¹⁵⁵

(iii) No complaint that amounts to an Allegation of Electoral Malpractice as defined in Rule 33(a) shall be dealt with under this Rule. However, if in the unanimous opinion of the Senior Officers, a complaint alleges misconduct some of which would amount to electoral malpractice and some of which would not, proceedings under this Rule shall be permitted insofar as they relate to matters which an Election Tribunal would not be able to consider. Complaints forwarded by an Election Tribunal under this rule are subject to the Senior Disciplinary Procedure.

(vi) The following shall not under any circumstances be subject to disciplinary proceedings under this Rule¹⁵⁶:

The Standing Committee shall have the power, by simple majority vote, to ban that non-member from the premises for a temporary or permanent period, and to decline any membership application from that individual. Such decisions may not be referred to the Disciplinary Committee. Non-members shall have a right of appeal to the Senior Officers, who shall overturn or uphold the decision of Standing Committee.

(b) *Junior Disciplinary Procedure*

(i) In the event of a complaint being made under Rule 71,

- (1) The defendant may ask the Senior Officers and Returning Officer to dismiss the complaint on the grounds that it is frivolous or unfounded. A complaint shall only be dismissed by unanimous vote. If the Senior Officers and Returning Officer dismiss a complaint, they shall attempt to reach an informal resolution between the involved parties.
- (2) Junior Disciplinary Committee: A preliminary Hearing shall be held at a meeting of the Standing Committee not less than 72 hours nor more than two weeks after the complaint was received by the Returning Officer, at which at least one Senior Officer and the Returning Officer shall be present.
- (3) The Returning Officer may delegate his role for the purpose of the hearing to an uninvolved DRO. A Senior Officer may delegate their role for the purpose of the hearing to an uninvolved OUS Trustee.
- (4) The Returning Officer shall as soon as possible deposit a copy of any complaint he has received with the Bursar, and shall date when he received it. This copy shall be stored in a safe and secure place by the Bursar until the end of the disciplinary process.
- (5) Once a Junior Disciplinary Committee has been called, but before the evidence is heard, a defendant or complainant may apply that the case be referred automatically to an Intermediate Disciplinary Committee on the grounds of natural justice¹⁵⁷. In this instance, the Junior Disciplinary Committee shall deliberate and then vote; if two-thirds of those present and voting support the request, the complaint shall be subject to the Intermediate Disciplinary procedure
- (6) Where the Junior Disciplinary Committee is required to consider a complaint brought by a member who would ordinarily be eligible to sit as a member of the Junior Disciplinary Committee, that Member shall not be permitted to sit as a member of the JDC or be present for any of its proceedings except as to exercise the ordinary rights of a complainant under the Rules.

(ii) Standing Committee may decide at the conclusion of the Junior Hearing to do any one of the following:

- (1) To fine the Member against whom the complaint was made a sum not exceeding £100.
- (2) To suspend the Member against whom the complaint was made for a period not exceeding one term¹⁵⁸;
- (3) To refer the case to a Senior Disciplinary Committee. The Committee may recommend (with an additional two-thirds vote) but is not obliged to, that the Senior Disciplinary Committee considers expulsion of the Member concerned.
- (4) To exclude the Member on a permanent basis, or for a set period of time, from using the Cellars, provided that the misconduct was one of violent or disruptive behaviour, possession of illegal substances, theft or deliberate damage to the Society's property.
- (5) To fine a Member the cost of loss or damage to the Society's property in the case of theft or damage

¹⁵⁶ This imposes a burden on the complainant to justify the complaint: see Interpretation A52

¹⁵⁷ On breaches of the principles of natural justice with respect to bias, see Interpretation F10.

¹⁵⁸ That is, eight weeks of full term: see Interpretation C12.

(iii) Such a decision shall be taken only if two-thirds of those present and voting consider it justified. Such voting shall be by secret ballot. The debate preceding such a vote shall be *in camera*, and no person except members of Standing Committee and the Returning Officer shall be present. The Senior Officers and Returning Officer shall not vote, nor shall they intervene in debate except to prevent any illegal, improper or unjust remarks being made or decisions being reached. If the Standing Committee reaches no positive decision under this clause, the complaint shall be deemed to have been dismissed, in which case no further action shall be taken, except in the case of an appeal being lodged under (b)(vi)(2) below.

(iv) The Returning Officer shall notify in writing both the complainant and the defendant of the result of such a meeting within 24 hours of the close of the meeting, and shall include in such notification details of the procedure laid down in (v) below.

(v) The Member against whom the complaint is made and the Member making the complaint shall be sent at least 72 hours notice of any meeting held under (i) above, and the accused member shall be furnished with a copy of the written complaint together with any other information the Returning Officer considers appropriate. Both the complainant and the accused member shall be entitled to attend the meeting, and to address the Committee or to appoint a representative to do so on their behalf.

(vi) *Referral to a Senior Disciplinary Committee*

(1) In the event of the Standing Committee having voted to refer a complaint to a Senior Disciplinary Committee, the accused Member shall within five days be notified of this result

(2) Within five days of being notified of the result of the Junior Disciplinary Committee, either the defendant or complainant shall give notice in writing to the Returning Officer that he wishes to appeal. The Returning Officer shall summon a Senior Disciplinary Committee to hear the appeal. In such circumstances the Disciplinary Committee shall proceed as if the Standing Committee had referred the case to them.

(c) *Intermediate Disciplinary Committee*

(i) The Returning Officer shall produce a list (the “IDC List”) to be passed by Standing Committee in 0th Week.

(1) The list shall be divided into categories, each of which shall be constituted according to the following criteria:

- Category A: All ex-Officers enrolled at institutions specified under Rule 3(A) except the previous term’s Officers
- Category B: All ex-Returning Officers enrolled at institutions specified under Rule 3(A)¹⁵⁹
- Category C: All ex-Officers, no longer enrolled at institutions specified under Rule 3(A), but that do not fulfil the eligibility criteria to serve on an SDC panel
- Category D: All ex-Returning Officers, no longer enrolled at institutions specified under Rule 3(A), but that do not fulfil the eligibility criteria to serve on an SDC panel

If any individual qualifies to be included in more than one category, that individual may, prior to the passing of the IDC list, inform the Returning Officer which of these categories he or she wishes to be considered a member of. If no preference is expressed, that individual shall be considered only to be a member of the category listed first under this rule. No individual shall ever be considered to be a member of more than one category. Members who have been found guilty of an offence by an Election Tribunal or Senior Disciplinary Committee, which has not been overturned on appeal, shall not be eligible to sit on an IDC Panel and shall not be included on the IDC list. The Returning Officer shall make clear, on presenting the list to Standing Committee, the names of any Members excluded under this Rule.

(2) These lists are to be written in order of seniority. For the purposes of Rule 71(c) only, seniority is determined by the number of terms that have elapsed since an individual has become a member of the Union. Standing Orders D11 and D12 will only be used to break ties.

(3) Standing Committee shall only amend the list to ensure the accuracy of the list

(4) Once the list has been passed by Standing Committee, it shall be binding; no subsequent resignation from Standing Committee shall affect the IDC List for that term, nor shall the IDC List be altered to reflect an erroneous inclusion or omission noticed after the passing of the IDC List. Any name appearing on the passed List shall be eligible to serve on the IDC. Any name not appearing on the passed List shall not to be eligible to serve.

(ii) The intermediate Committee shall be composed of between three and five Members of the Society, according to the following criterion: the panel shall be as large as possible, according to the permitted permutations.

¹⁵⁹ *Except for ex-Returning Officers who are also the Returning Officer: see Interpretation A45.*

(1) If the Panel has three members:

- (i) One shall be the most senior member of Category “A” on the IDC list willing to serve
- (ii) One shall be the most senior member of Category “B” on the IDC list willing to serve.
- (iii) One shall be any other member of Category “A” or “B” on the IDC list willing to serve (iv)

If it not possible to fulfill these criteria, a member of Category “C” and “D” shall substitute for Category “A” and “B” respectively. If it is still not possible to form a quorate panel, the complaint shall immediately be subject to the SDC procedure.

(2) If the Panel has four members:

- (i) Two shall be the most senior members of Category “A” on the IDC list willing to serve.
- (ii) Two shall be the most senior members of Category “B” on the IDC list willing to serve.

(3) If the Panel has five members:

- (i) Two shall be the most senior members of Category “A” on the IDC list (below) willing to serve.
- (ii) Two shall be the most senior members of Category “B” on the IDC list (below) willing to serve.
- (iii) One shall be either the next most senior Ex-Officer if only two ex-Returning Officers have replied, or the next most senior Ex-Returning Officer if only two ex-Officers have applied. If more than two ex-Officers and more than two ex-Returning Officers are willing to serve, the category (either ex-Officer or ex-Returning Officer) of the fifth member of the panel shall be decided by the toss of a coin, and the most senior member willing to serve from that category shall serve.

(iii) Where the Intermediate Disciplinary Committee is required to consider a complaint brought by or against a member who would ordinarily be eligible to sit as a member of the Intermediate Disciplinary Committee, that Member shall not be permitted to sit as a member of the IDC or be present for any of its proceedings except as to exercise the ordinary rights of a complainant or Defendant under the Rules.

(iv) Senior Officers may observe all proceedings but shall not vote, nor shall they intervene in debate except to prevent any illegal, improper or unjust remarks being made

(d) Intermediate Disciplinary Procedure

(i) Complaints against any of the following shall be subject either to the Intermediate Disciplinary Procedure or to the Senior Disciplinary Procedure. No Junior Disciplinary Hearing shall be held.

- (1) Any member of the Standing Committee;
- (2) Any member of the Secretary's Committee;
- (3) Any Committee member (excluding Consultative Committee) or any appointed official, or any individual whose appointment had to be ratified or was subject to veto by Standing Committee under the provisions of the Rules or Standing Orders;
- (4) Any Member selected for an External Debating Competition under Rule 28, or otherwise selected to be the Society's representative in any public context, provided that the misconduct alleged relates to his conduct while representing the Society or the exercise of any powers relating to his selection.

(ii) The Senior Officers and the Returning Officer shall decide in respect of all complaints of misconduct whether or not the complaint falls into a category listed above. In the event of their disagreeing, the complaint shall be considered to fall into such a category. Ordinarily, the Returning Officer shall then summon an Intermediate Disciplinary Committee to hear the complaint. However, if the complainant and defendant agree that it would be inappropriate for the Intermediate Disciplinary Procedure to be pursued, the Senior Disciplinary Procedure will instead be activated.

(iii) In the event of the Returning Officer being required to summon an Intermediate Disciplinary Committee, he shall within 24 hours, send an email to all members of Category “A” and “B” on the IDC list, to their University email address detailing the time, date and place of the IDC, and a copy of the initial complaint. The members of that list shall have two days to indicate their willingness to serve. If necessary, the Returning Officer shall then contact all members of Category “C” or “D” as appropriate, who shall have two days to indicate their willingness to serve. It shall be for the Returning Officer to decide at what time it shall meet, which shall be no fewer than 3 and no more than 15 days after the initial receipt of the Complaint.

(iv) The IDC shall adopt whatever fair way of proceeding as it shall decide, save as provided for below:¹⁶⁰

- (1) Once an Intermediate Disciplinary Committee has been called, but before the evidence is heard, a defendant or complainant may apply that the case be referred automatically to a Senior Disciplinary

¹⁶⁰ *And that its Chairman be the most senior ex-RO under Category B: see Interpretation A44.*

Committee on the grounds of natural justice for reasons of bias in their absolute discretion. In this instance, the Intermediate Disciplinary Committee shall deliberate and then vote; if a majority of those present and voting support the request, the complaint shall be subject to the Senior Disciplinary procedure¹⁶¹

(2) The complainant and accused Member, and any representative that either of them may appoint, shall be given the opportunity to address the Disciplinary Committee, and to put forward any relevant evidence.

(3) The deliberations and votes of the IDC and any other business that it deem necessary shall be *in camera*.

(4) All votes shall be by secret ballot.

(5) No person shall be found guilty unless a majority of those present and voting are in favour.

(v) The Intermediate Disciplinary Committee may inflict any or all of the following penalties on a member found guilty of misconduct:

(1) To fine the Member against whom the complaint was made a sum not exceeding £175.

(2) To suspend the Member against whom the complaint was made for a period not exceeding one year; except where such a suspension would result in a deemed resignation from Office or Standing Committee under Rule 23(c)(ii)(3).

(3) To exclude the Member on a permanent basis, or for a set period of time, from using the Cellars or the bar, provided that the misconduct was one of violent or disruptive behaviour, possession of illegal substances, theft or deliberate damage to the Society's property.

(4) To ban the Member for a period not exceeding one year from representing the Society at external debating competitions or tours.

(5) To fine a Member the cost of loss or damage to the Society's property in the case of theft or damage.

(6) To immediately dismiss the Member from any committee of the Society, except Standing Committee. This punishment shall not entitle the IDC to remove a sitting Officer from Office.

(8) To refer the matter to a Senior Disciplinary Committee. The IDC can, with an additional majority vote, recommend that the SDC:

(i) Expel the Member from the Society¹⁶²

(ii) Remove from Office or Standing Committee any Officer or Member of Standing Committee

(vi) Any person convicted of a charge under Rule 71(a)(i)(9) against the Returning Officer or any of his Deputies shall be suspended for at least one term and in addition be fined at least £50.

(vii) Any Member dismissed from a Committee under this Rule shall lose all seniority conferred by having served on that committee, and shall be deemed not to have held it except for the purposes of Rule 34(c)(iii).

(viii) The Disciplinary Committee may, subject to any restrictions laid down by Standing Order, inflict a fine on any Member who fails to appear before it.

(ix) At the conclusion of their proceedings, the Chairman of the Intermediate Disciplinary Committee shall within 72 hours notify the complainant and defendant in writing of their decisions and of the reasons for them. They shall subsequently post on the notice-board notification of all penalties inflicted or that no penalty was inflicted or that the complaint has not been upheld, as appropriate. Their report shall also include any recommendations for the running of the Society and interpretations made under 67(e)(i) as they decide.

(x) *Appeals procedure*

There shall be an appeal from the Intermediate Disciplinary Committee to a Senior Disciplinary Committee. Within three days of being notified of the result of the Intermediate Disciplinary Committee, either the defendant or complainant shall give notice in writing to the Returning Officer that he wishes to appeal. The Returning Officer shall summon a Senior Disciplinary Committee to hear the appeal.

¹⁶¹ For clarification, see *Interpretation A55*.

¹⁶² On the date that any expulsion shall take effect, see *Interpretation D1*.

(e) *The Senior Disciplinary Committee*

(i) In the event of the Returning Officer being required to summon a Senior Disciplinary Committee, he shall within seven days summon three Members from the shortlist drawn up under (h) below to form the Senior Disciplinary Committee. He shall as soon as practicable notify the complainant and the defendant. It shall be for the Committee to determine at what time it shall meet, which shall be within twenty-eight days of the summons being issued. The Returning Officer shall try to ensure that at least one of these three members is a qualified lawyer, and shall ensure that none of them were present at any Junior Hearing of the complaint held under (b) above.¹⁶³

(ii) The Disciplinary Committee shall adopt whatever fair way of proceeding as it shall decide, save as provided for below:

(1) The complainant and accused Member, and any representative that either of them may appoint, shall be given the opportunity to address the Disciplinary Committee, and to put forward any relevant evidence.

(2) Any member of the Standing Committee shall be given the opportunity to address the Disciplinary Committee, and to put forward any relevant evidence.

(3) The standard of proof required for a conviction shall be that the Committee is satisfied beyond all reasonable doubt of the defendant's guilt. No person shall be found guilty save by unanimous vote. The standard of proof required to settle all other questions of fact shall be a simple balance of probability, and a majority verdict shall be sufficient.

(4) No person shall be required to give any evidence that might incriminate himself.

(iii) If in the course of their investigations the Committee discovers evidence of misconduct by any member against whom no complaint has been made, they shall be entitled to take proceedings against that member. In this event, it shall be as if a complaint had been made and referred to them. Any member shall be informed immediately in writing if proceedings are to be taken against him under this clause.

(iv) The Senior Disciplinary Committee may inflict any or all of the following penalties on a member found guilty of misconduct:

(1) a fine, the size of which may reflect any cost involved in the disciplinary proceedings if the Committee see fit, but which shall not exceed £500.

(2) suspension;

(3) expulsion;

(4) immediate dismissal from any office or committee of the Society;

(5) disqualification from nominating himself in any subsequent Election or Elections;

(6) in the case of an officer or ex-officer, disqualification from serving on Standing Committee.

(7) exclusion on a permanent basis, or for a set period of time, from using the Cellars, provided that the misconduct was one of violent or disruptive behaviour, possession of illegal substances, theft or deliberate damage to the Society's property.

(8) a fine, reflecting the cost of loss or damage to the Society's property in the case of theft or damage, or reflecting the misuse of the Society's funds in the case of abuse of office.

(9) a ban, temporary or permanent, from representing the Society at external debating competitions or tours.

(v) Any person convicted of a charge under Rule 71(a)(i)(9) against the Returning Officer or any of his Deputies shall be suspended for at least one term and in addition be fined at least £50.

(vi) Any Member dismissed from an Office or Committee under this Rule shall lose all seniority conferred by having held that office or served on that committee, and shall be deemed not to have held it except for the purposes of Rule 34(c)(iii). If the Disciplinary Committee dismisses a member from office, they shall also be empowered to order that he should lose any seniority held by virtue of any Office or Offices he may previously have held or Committees on which he may previously have served. The Committee shall explicitly state whether or not they impose such a penalty.

(vii) The Disciplinary Committee may, subject to any restrictions laid down by Standing Order, inflict a fine on any Member who fails to appear before it.¹⁶⁴

(viii) At the conclusion of their proceedings, the Disciplinary Committee shall within 72 hours notify the complainant and defendant in writing of their decisions and of the reasons for them. They shall subsequently post on the notice-board notification of all penalties inflicted or that no penalty was inflicted or that the complaint has not been upheld, as appropriate. Their report shall also include any recommendations for the running of the Society and interpretations made under 67(e)(i) as they decide.¹⁶⁵

¹⁶³ Other requirements on the RO are listed under Standing Order G3.

¹⁶⁴ This is Standing Order D9; regarding subpoenas, Interpretations C10 and C11 should also be consulted.

¹⁶⁵ For clarification on deadlines, see Interpretation C8.

(f) *Disciplinary Appeals Committee*

(i) The following shall be the sole grounds of appeal to the Disciplinary Appeals Committee:

- (1) That there has been a breach of any of the principles of natural justice¹⁶⁶;
- (2) That the decision of the Disciplinary Committee was founded on an error of law; or
- (3) That a breach of sections (a) to (d) above has occurred.¹⁶⁷

An appeal shall not be allowed if the Disciplinary Committee or Standing Committee were following or interpreting the Rules and Standing Orders unless it concerns the rationality of the Committee's interpretation.

(ii) The following shall have the right of appeal:

- (1) Any Member on whom the Disciplinary Committee has inflicted any penalty;
- (2) Any Member who brought a complaint which was the subject of a decision by the Disciplinary Committee; or
- (3) Any other member to whom a Senior Officer gives leave.

(iii) Notice of Appeal or request for Leave to Appeal, as appropriate, shall be lodged with the Returning Officer within 48 hours of the report of the Disciplinary Committee being posted on the notice board.

(iv) The Returning Officer shall pass the request for leave to appeal to the Senior Officers, who shall consider the application. If the Senior Officers refuse leave to appeal, they shall within seven days of their receipt of the application notify in writing to the Member concerned their reasons for refusing him leave. In the absence of the Senior Officers coming to a decision within 7 days and notifying the relevant Members, the Returning Officer shall be empowered to reach a decision himself, and ensure that the relevant Members are notified within 24 hours.

(v) The Returning Officer shall, as soon as a Disciplinary Appeals Committee is requisitioned, set up the committee, which shall consist of three members whose names appear on the Disciplinary Committee shortlist. He shall attempt to ensure that one of the three is a qualified lawyer, and shall ensure that none of the three served on the Senior Disciplinary Committee against whose decision appeal is being made or was present at any meeting of Standing Committee at which the complaint was discussed. If the Returning Officer is unable to summon three members from the shortlist, he shall add names to the list as per (h) below.

(vi) The Disciplinary Appeals Committee shall adopt whatever fair means of proceeding it sees fit, and shall reach decisions by a simple majority.

(vii) The Disciplinary Appeals Committee shall in its report record for each ground of appeal one of the following verdicts:

- (1) That the appeal is justified, in which case they shall consider whether they should exercise any of the powers enumerated in (viii) below, and shall record their reasons for the way in which they exercise them or for deciding not to exercise them;
- (2) That the appeal is unjustified, in which case they shall confirm the decision of the Senior Disciplinary Committee;
- (3) That the appeal is unreasonable, in which case they shall confirm the decision of the Senior Disciplinary Committee and in which case the appellant shall be subject to the penalties laid down in (ix) below.

(viii) The Disciplinary Appeals Committee shall have the power to confirm or overturn any decision of the Senior Disciplinary Committee, to remit or vary any penalty inflicted or recommendation made by the Senior Disciplinary Committee, or to impose any penalty upon the member against whom complaint was made which could have been imposed by the Disciplinary Committee.

(ix) Any Member making an unreasonable appeal to the Disciplinary Appeals Committee shall be suspended for one term, forbidden to serve on any committee or nominate himself for any office or committee for a further three terms, and fined a sum to be determined by the Committee. These penalties are in addition to any penalties otherwise imposed under this Rule.

(x) The Disciplinary Appeals Committee shall report in writing to the Returning Officer as soon as possible as it has completed its investigations. The Returning Officer shall publish its report on the notice board and distribute it to the involved Members. The report shall also contain any recommendations or interpretations, which the committee see fit to make.

(xi) In the event of an unsuccessful appeal under the above procedure, the costs of the appeal shall be borne by the Member making the appeal, unless the Disciplinary Appeals Committee directs otherwise. In no circumstances shall the Society be required to pay for the costs of a Member's representative or his other legal expenses.

¹⁶⁶ On breaches of the principles of natural justice with respect to bias, see *Interpretation F10*.

¹⁶⁷ Where this is a failure to meet reporting deadlines, see *Interpretation F11*.

(g) *Exclusion from the Premises*

By a unanimous decision, the Senior Officers and the President may exclude any Member against whom proceedings are being taken under this Rule from the Society's premises until the completion of such proceedings. This shall only apply to cases concerning violent or disruptive behaviour, possession of illegal substances or theft or deliberate damage to the Society's property. Nothing in this paragraph shall be allowed to prevent the attendance of the Member (or his representative) at any proceedings, or to prevent access to the buildings to obtain copies of the Rules or other material evidence for the hearing.

(h) *Shortlists*

(i) The shortlist for the Senior Disciplinary Committee shall consist of at least eleven and up to twenty-five members of at least 18 term's standing. The Standing Committee shall nominate the members of this shortlist by way of a Private Business Motion at a Public Business Meeting; any objections to the shortlist shall be dealt with separately. No Member shall serve on the shortlist for more than three years without being successfully re-nominated. Members who have been found guilty of an offence by an election tribunal or disciplinary committee which has not been overturned on appeal shall not be eligible to serve.

(ii) In the event of the Returning Officer being unable to find sufficient members of the shortlist who are willing and able to serve, he shall present a new Shortlist to Standing Committee, which may approve Members on that Shortlist to serve on the Disciplinary Committee for that occasion only. The criteria for eligibility shall be the same as for the original list.¹⁶⁸

(i) *Confidentiality and Records*

(i) All proceedings, but not the private deliberations, of Standing Committee or the Disciplinary Committee under this Rule shall be recorded and shall be retained for one year after the conclusion of proceedings.

(ii) It shall be up to each Disciplinary Committee to decide whether to hold its proceedings in private or to allow observers.

(iii) No Union Rule shall prevent:

- (1) The complainant and defendant discussing the case with friends or advisors
- (2) Any Member rebutting any potentially defamatory claim made before the end of the disciplinary process
- (3) The submission of evidence in a court of law or in proceedings under this Rule or Rule 33.
- (4) The publication of any notice or other official notification required by the disciplinary Rules.

(iv) After the commencement of proceedings under this Rule, no question whatsoever shall be asked, no motion whatsoever moved, nor any discussion whatsoever initiated in the House or in any Committee, that in any way relates to those proceedings, except as otherwise provided by these Rules or in response to a recommendation of the Senior Disciplinary Committee or Disciplinary Appeals Committee.

(j) *Disorderly Behaviour*

In the event of a staff member or agent of the President (or in the cellars, an agent of the Purple Turtle) catching an individual on the premises engaging in disorderly behaviour, fraudulent behaviour, attempted or actual theft, vomiting, possession or sale of illegal substances, or being in an unacceptable level of intoxication, then that staff member or agent may confiscate the membership card of that individual. The Society shall then have five days to initiate disciplinary proceedings or levy the appropriate fine, otherwise the Society must return the membership card to the Member, if necessary by Royal Mail to the Member's last known address¹⁶⁹. If disciplinary proceedings are initiated, the card shall also be returned to the Member (unless the member is excluded from the premises under the provisions of Rule 71(g)).

(k) *Time Limits*

A complaint shall not be considered¹⁷⁰ if the disciplinary process would commence¹⁷¹ more than one year after the offending incident or behaviour occurred (or in the case of abuse of office, or theft, was discovered¹⁷²). A disciplinary committee shall consider if significant delay in bringing a complaint after the incident occurred constitutes evidence of malicious behaviour.

¹⁶⁸ Where members of a validly-constituted SDC are no longer able to serve, see Interpretation A37.

¹⁶⁹ Failure to return the card is a disciplinary offence: see Interpretation C16.

¹⁷⁰ Whether the complaint was brought in time is therefore the first matter of business: see Interpretation C5.

¹⁷¹ The disciplinary process commences once a complaint has been submitted: see Interpretation C7.

¹⁷² For definition of 'discovered', see Interpretation C6.

(l) *Withdrawal of Complaints*

(i) Once a complaint has been submitted to the Returning Officer, it may be withdrawn at any time by the complainant in writing. The Returning Officer shall acknowledge the withdrawal in writing to the involved parties. A complainant that has been withdrawn may not be considered or brought again in any substance. The Returning Officer may rule that a complaint can be considered again if he believes that this procedure has been abused purely to prevent the fair consideration of a complaint.

(ii) A Member can still be charged with making frivolous or unfounded and malicious complaint even after it has been withdrawn.

(iii) The withdrawal of a complaint shall not prevent a Disciplinary Committee that has formally commenced from considering or ruling on the complaint or related offences under (d)(iii) above.

(m) *Vacation Disciplinaries*

Any Member, who is subject to a complaint, may ask in writing that any relevant Disciplinary Hearing which is scheduled for a point during the vacation be delayed until term-time. If either the Senior Officers or the Returning Officer take the view that this would not damage the interests of the Society, either of them may so consent. The disciplinary process shall be frozen until term-time, and any days in the vacation shall not count as *dies non* for the purpose of time deadlines.¹⁷³

RULE 72: INDEPENDENCE

(a) *The Proctors*

(i) The Society shall not be registered with the Proctors as a University Club.

(ii) The permission of the Proctors shall not be sought for any Union activity, except after consultation with the Senior Officers and after Standing Committee has given its consent.

(iii) No negotiations on behalf of the Society shall be entered into with the Proctors or with any other University Body without the knowledge and consent of the Standing Committee; save that the Officers and Senior Officers are authorised to consult with the Proctors and to give them any information about the Union's affairs which is of legitimate interest to the University; and that this provision shall not apply to action under Rule 52(f).

(iv) No member shall complain to the Proctors about any action of the Society or of the Standing Committee or of any Officer acting in his official capacity, or about any interpretation of the Rules made by the President or by the House on appeal, or any disciplinary proceedings of the Society.

(v) It shall be a disciplinary offence to break this rule, under Rule 71.

RULE 73: TABLE OF EXECUTIVE SENIORITY

(a) In the event of a conflict over a decision concerning a particular policy or the implementation of a particular policy, or concerning amendments to the Rules or Standing Orders, and the Rules and Standing Orders are otherwise silent, the following shall take precedence in the following order of seniority:

- (1) A Poll of Members as under Rule 47(f);
- (2) A Private Business Motion at a Public Business Meeting to which Rule 67(b)(iv) or Rule 67(b)(v) applies;
- (3) Other Private Business Motions at a Public Business Meeting or any Special Adjournment Motion, as under Rule 45;
- (4) A Private Business Motion at a Private Business Meeting;
- (5) The Returning Officer, for the purposes of his duty only, as defined in Rule 32(e) only;
- (6) A motion of an Ordinary or Emergency Standing Committee;
- (7) A motion of a Vacation Standing Committee.

All conflicts between any other bodies, Officers, committees, committee members, officials or staff members shall be resolved by Standing Committee.

(b) This Rule shall not prevent a particular body from changing its own stance over a particular policy, provided such a change is within the other Rules and Standing Orders of the Society, and always provided that such a change does not conflict with a body senior under the Table above.

¹⁷³ This should read 'shall count as *dies non*': see *Interpretation C7*.

(c) Should the circumstances concerning a policy change, and that policy was set by a Poll, then the policy may be over-ridden by a Private Business Motion at a Public Business Meeting to which Rule 67(b)(iv) or Rule 67(b)(v) applies, as well as by another Poll.

(e) This Rule in no way implies that any body listed on this table may overturn the verdict of any Election Tribunal, Appellate Board, Disciplinary Committee, Disciplinary Appeals Committee or other disciplinary hearing.

(f) The Returning Officer shall keep a record of policy decisions, which he deems relevant, that are passed by a Poll or in a Public Business Meeting. These policy decisions shall be published in an appendix to the Rules, until they are otherwise overridden or become void or irrelevant.¹⁷⁴

(g) Interpretation concerning what constitutes a conflict or a change of circumstances under this Rule shall fall to the bodies specified in Rule 67(e)(i), and such interpretations may be challenged only in accordance with the mechanisms given in Rules 67(e)(ii) - (iv). All such interpretations shall be rational.

(h) Notwithstanding anything else in this Rule, Rule 73, Rule 47(f), Rule 67(b)(iv), Rule 67(b)(v) may not be amended except by a Poll or by a Private Business Motion at a Public Business Meeting to which Rule 67(b)(v) has been applied.

¹⁷⁴ This appendix is the 'Schedule of Formal Policy Decisions' attached.

If necessary, the Librarian and Librarian-in-Charge shall pursue any books and monies owed to the Society.

A6: COLLECTION OF DEBTS

(a) Approved Organisations

(i) There shall be a schedule to the Standing Orders containing the names of organisations which the Standing Committee by a simple majority considers not to be credit worthy¹⁷⁸.

(ii) No organisation shall be removed from the schedule without the approval of two-thirds of the Standing Committee present and voting.

(iii) No organisation which appears in the schedule shall be permitted to obtain goods or services from the Society.

(b) Schedule of Unacceptable Contractors

(i) There shall be appended to the Standing Orders a Schedule¹⁷⁹ which shall list the firms, individuals and contractors who have in the past been found to be unsuitable for the Society's requirements. The Society (including the Society's Staff and members of any Committee of the Society) shall in no circumstances purchase from, or undertake business with, those listed in any manner, directly or indirectly.

(ii) This Schedule may be added to by a simple majority resolution of Standing Committee or in Private Business; no contractor shall be removed except by a two-thirds majority of those present and voting in either Standing Committee or Private Business.

A7: INTEREST ON ACCOUNTS

Interest shall be charged at the rate of two percent compounded monthly on all accounts held with the Society on which interest is charged.

A8: PENSIONS

(a) When a member of staff of the Society retires, the Standing Committee will decide whether or not to augment the superannuation benefit. Such augmentation will be the normal rule.

(b) If, in recognition of good service, the Standing Committee decides to grant a pension after retirement, this pension shall amount to two-thirds of his average yearly income from the Society during his last three years with the Society as a guaranteed income to include state pension and the calculated annuity from any lump sum.

(c) When a member of staff dies before or after retirement the Standing Committee decides to grant a pension after retirement the Standing Committee will not feel bound in principle to grant a pension to the widow, but may do so if special circumstances warrant a pension.

A9: CHEQUES

(a) Members may cash cheques at the bar for a fee of £3. In the event of any loss arising the staff shall not be held responsible, and the matter shall be referred to the Standing Committee. No member of the Society shall be permitted to cash a cheque in excess of £25 and only then on presentation of a valid guarantee card.

(b) Unpaid cheques

(i) Individuals whose cheques are subsequently returned unpaid may be fined not more than £10. In addition, they shall refund any bank charges incurred by the Society as well as the amount of the unpaid cheque. The Returning Officer shall liaise with the Bursar to oversee the levying of these fines.

(ii) There shall be appended to the Standing Orders a Schedule entitled "Schedule of those not allowed Cheque Facilities". Members, non-members and organisations whose cheques are returned unpaid more than once shall have their names inserted in this Schedule by the Bursar or Returning Officer and shall not be allowed to remit the Society by cheque. No name shall be removed from this Schedule except with the approval of two-thirds of those present and voting at an Ordinary Meeting of the Standing Committee.

¹⁷⁸ This is the 'Schedule of Non-Creditworthy Organisations' attached to these rules.

¹⁷⁹ This is the 'Schedule of Unacceptable Contractors' attached to these rules.

(c) The Society shall permit debit card cash back in the Bar. The limit shall be by set the Wines & Spirits Committee.

A10: CHEQUE SIGNING POWERS

(a) The Bursar shall have cheque-signing powers.

(b) Any cheque for more than £1000 sterling shall be counter-signed by a Senior Officer. This shall not apply in the case of recurring expenditure.

A11: PAYMENT OF COSTS

The Society will pay for essential travel and accommodation costs for any member, authorized by the Standing Committee, attending an activity away from Oxford on behalf of the Society.

A12: TRAVEL COSTS¹⁸⁰

(a) Travel will be by the cheapest reasonable form of Public Transport. Rail travel will be at the cost applicable to those holding a Young Person's Rail Card, unless the member is ineligible to hold such a card.

(b) Air travel shall only be authorised for trips out of mainland Britain, or when it can be clearly demonstrated that it is cheaper, or when essential additional accommodation costs would make the total cost greater. Whatever possible flights should be booked through the cheapest agency taking advantage of all early booking discounts and should be paid in advance by the Society. Three quotations should be obtained for all non-UK air travel.

(c) The cost of any changes in travel arrangements will fall on the member causing the change to be required. Members will therefore be required to pay a deposit to the Society of an appropriate amount, at the discretion of the President, of not more than £30 (£50 for travel by air). This deposit will be used to cover additional expenditure should the member selected subsequently withdraw from the event, unless such a withdrawal is due to circumstances beyond their control.

(d) The cost of Taxis will not be reclaimable if there is any alternative public transport available.

(e) Car hire will only be paid for if it can be demonstrated that it is the cheapest alternative for a group of members travelling together.

A13: INSURANCE

For travel out of the European Union, the Society will pay for medical insurance cover, which should normally be arranged by the person authorised to purchase the tickets. Members travelling within the European Union will be expected to have completed the necessary forms to obtain reciprocal cover under the National Health Service. Those not eligible for reciprocal cover should arrange medical insurance to be paid for by the Society.

A14: ACCOMMODATION AND FOOD

(a) For official tours and competitions, accommodation and the cost of some meals may be included in the pre-paid cost. The cost of any additional accommodation will be paid by the Society only if it can be shown to be essential as a result of the flight timing or other nights away from Oxford which have been agreed prior to departure and which do not form part of the pre-paid trip. In the event of accommodation costs being claimed from the Society the onus is on the member to obtain the cheapest reasonable accommodation available.

(b) The maximum charge that the Society will pay per room must be agreed by the Standing Committee prior to departure. Room costs must be the minimum possible to allow for one bed per person. Males and females are not expected to have to share a room unless both parties agree.

(c) Every effort should be made to obtain free accommodation. In the event that free accommodation is provided and it is considered necessary to reciprocate by entertaining one's host then the reasonable cost of one meal will be reimbursed by the Society up to a maximum of two thirds of the agreed room cost which is being saved. The cost of the meal of the Society's representative shall not be claimed, except in the instance of reciprocation for hospitality extended during the American Tour (the validity and reasonable costs of which shall be determined by the Standing Committee). Where accommodation is provided by the host institution on contractual basis as part of the rearranged programme, no cost of entertaining shall be reclaimed from the Society.

(d) No food costs will be paid by the Society, save that the Standing Committee may authorise for trips over one week, abroad and during the vacation, a contribution towards the cost of food.

¹⁸⁰ For guidance on reasonable travel expenses outside of term time, see Interpretation B8.

A15: CLAIMS PROCEDURE

- (a) No claim for reimbursement will be considered unless supported by an official receipt.
- (b) All claims for reimbursement by the Society must be submitted on the correct Oxford Union Expense Claim Form within seven days of full term after returning from the event. Prior to payment the claims must be authorised by the Treasurer as having been passed by Standing Committee.
- (c) Claims for foreign currency expenditure should be converted to sterling at the prevailing tourist rate on the day of return.
- (d) In the event that an advance against expenses is made by the Society the full amount must be repaid within 14 days of returning from the event except for that amount which has been submitted and authorised in accordance with the procedure set out above.

A16: EXPENSES ON SOCIETY BUSINESS

The procedures detailed in this standing order shall govern all reimbursement of expenditure incurred on behalf of the Society or whilst acting as the Society's representative, except as provided for by other Standing Orders in this chapter.

(a) *Normal Procedure*

Except as provided for elsewhere in this Standing Order, the Society shall not advance money to members in anticipation of their spending it on the Society's business.

(i) *Reimbursement of Expenditure*

Members shall submit claims for reimbursement of money spent on the Society's business in writing to the Treasurer, together with a written account of how such money was spent and all relevant receipts, within a period of seven days of Full Term of the expenditure being made. Reimbursement shall be authorized by a motion of the Standing Committee, such a motion shall only be considered valid if Standing Committee is presented with a full break down of the expense claim submitted, distinguishing travel, registration, food and other costs. The Standing Committee shall be empowered to refuse reimbursement in part or in whole if in their opinion the expenditure was unreasonable, or if the claim was late.

(ii) *Reasonable Expenditure*

(1) The Standing Committee shall, from time to time, draw up guidelines as to what forms of expenditure, what sums and for what purpose it would normally consider reasonable in various circumstances; the guidelines shall form a schedule to this Standing Order¹⁸¹ and a copy shall be provided upon request to any member who anticipates incurring expenditure on the Society's behalf. The Standing Committee may, in addition, by motion, set out expenditure guidelines and restrictions governing expenditure for a particular purpose or by a particular member. In considering whether expenditure is reasonable, the Standing Committee shall have regard for any guidelines in force, although they need not be bound by them. No guidelines under this section shall have any retrospective effect.

(2) In the event of claims to reimburse expenditure being other than the least expensive option for a particular purpose, the member shall submit in writing his reasons for believing the extra expenditure to be necessary or in the interests of the Society. The President shall judge all submissions and shall, unless in his opinion the reason submitted is valid, be empowered to direct that only a motion for reimbursement for a lesser sum than that claimed be put before Standing Committee. This clause shall cover claims for travel expenses, accommodation and all other similar expenditure necessary for but incidental to the purpose for which a member incurred expenditure.

(iii) *Emergency Expenditure*

No member shall incur expenditure of more than one hundred pounds on the Society's behalf for any one purpose unless previously authorized by a motion in Standing Committee or unless such expenditure could not have been reasonably foreseen in time to put such a motion before the Standing Committee.

(b) *Payment in advance*

(i) The Society shall not advance monies to members in anticipation of expenditure on the Society's behalf except under (1) and (2) below.

(1) *Exceptional circumstances:* In exceptional circumstances, the Standing Committee may authorize payment in advance to a member for the purposes covered by this Standing Order. Applications for circumstances to be considered exceptional should be made in writing to the President who shall judge each case on its merits and shall be empowered to decline to submit a case to the Standing Committee.

¹⁸¹ This is the 'Schedule of Reasonable Costs'.

(2) *Expenditure in excess of £100*: If the sum of money that any one member may need to spend on behalf of the Society for any one purpose or in total for several purposes before it be practicable for him to claim reimbursement, will exceed £100, the Standing Committee may pass a motion authorizing the advance of a sum equal to the anticipated expenditure to the member concerned. Such a motion shall specify in detail precisely how the money is to be spent and, as far as possible, the sum to be spent for each specific purpose.

(ii) Any member being advanced money shall as soon as practicable after the event for which the expenditure was authorized submit detailed accounts of how all the money was spent, together with all relevant receipts, and shall return any excess money. In the event of his failing to do so within fourteen days of Full Term or of the accounts submitted being in the opinion of the President and the FAA inadequate or of the expenditure being in the opinion of the Standing Committee not in conformity with the provisions of the motion by which the money was advanced, the member concerned shall be liable for the return to the Society within seven days of the whole sum advanced such lesser sum as the Standing Committee deems appropriate. Failure to do so shall be considered a disciplinary offence within the ambit of Rule 71.

(iii) *Liability forms*

Any member being advanced money by the Society under this Standing Order shall sign a form to indicate that they are aware of the provisions of this Standing Order and that they accept personal liability for the proper use or return of the sum advanced.

(iv) *Additional expenditure*

Any member who, having been advanced money under these provisions, incurs further expenditure over and above the sum advanced, may be reimbursed in the normal manner as laid out in (a) above, for any expenditure adjudged reasonable, always provided that the provisions of (i) above have first been fully met.

A18: MEMBERSHIP DRIVE

The Standing Committee member(s) responsible for the Membership Drive shall prepare a report for Standing Committee every fortnight during Michaelmas Full Term, listing the current join-up rates by college or institution. By Monday 7th Week, he shall also present a comprehensive report to Standing Committee detailing all expenditures on the Membership Drive and recommendations for the future.

A19: SCHEDULE OF RECOGNISED POLICY DOCUMENTS

(a) *Purpose*: The Schedule of Recognized Policy Documents shall list only documents describing policy relating to management and development of the society and its interests. Standing Committee shall not be bound by any Recognized Policy Documents.

(b) *Enactment and Repeal*: No document may be added to or removed from the Schedule of Recognised Policy Documents without a resolution of Standing Committee to which two-thirds of those present and voting signify their consent.

(c) *Maintenance*: Up to date copies of the Schedule of Recognised Policy Documents shall be maintained by the Returning Officer. At least one copy shall be held in the Library, and made available to all members.

A20: TICKET SALES

(iv) The Standing Committee shall be empowered to inflict fines of up to £50 on any member found guilty of a breach of this Standing Order.

(v) Notwithstanding (iv) above, it shall be in order for proceedings for suspension or expulsion under Rule 70 to be instituted for a breach of this Standing Order if the circumstances so warrant.

B2: COMMITTEE PROCEEDINGS

(a) The proceedings of any Committee of the Society shall not be confidential unless Rule 23 states otherwise. Decisions or discussions which are not confidential shall be noted in the public minutes¹⁸².

B5: STANDING COMMITTEE AND PRIVATE BUSINESS MOTIONS

(a) No motion shall go before the House as a Standing Committee motion, unless supported by two-thirds of those members of the Standing Committee present and voting.

(b) When Standing Committee has decided that a motion shall go before the House as a Standing Committee motion, members of the Standing Committee may not speak against that motion, but they may vote either for or against it.

(c) When Standing Committee opposes a motion in Private Business, members of Standing Committee may not speak in favour of that motion, but they may vote either for or against it.

B6: STANDING COMMITTEE AGENDA

- (20) Competing or Judging for another institution at the European Universities' Debating Championships

(d) Class A, B and C IVs are defined as follows:

- (i) An IV is a university-level debating tournament, be it purely Inter-Varsity or 'Open' in composition, within the British Isles or abroad. As such, the Australasian Debating Championships, NorthAms, South African Nationals or any other regional competitions will be assessed as IVs.
- (ii) The system for classifying IVs will use speakers who have been a member of the top 32 teams at Worlds or finished in the top 64 speaker positions at Worlds or who have been a member of the top 16 teams at Euros or finished in the top 32 speaker positions at Euros, over the course of the last four World and last four European Championships. These speakers will be denoted as 'Break Speakers'.
- (iii) Each competition shall receive a numerical value using the following formula: Number of 'Break Speakers' on the tab + $(0.5 \times \text{number of non-dummy teams on the tab}) = \text{Preliminary Value}$. For competitions where the CA is a 'Break Speaker', this preliminary value will be their 'Formula Value'. For competitions where the CA is not a 'Break Speaker', the competition's 'Formula Value' will be $(0.75 \times \text{preliminary value})$
- (iv) Only 'Break Speakers' attaining their qualification prior to a competition taking place count in the classification formula.
- (v) DSC will maintain a database able to calculate the 'Formula Value' of any competition, but any union member may challenge the status of an IV and if they can provide evidence that the calculation has been performed incorrectly then the IV's status will be corrected accordingly.
- (vi) A class A IV is an IV as defined in (d.i) that scores a 'Formula Value' of 41.0 or more. A class B IV is an IV as defined in (d)(i) that scores a 'Formula Value' of less than 41.0 but more than 20.0. A class C IV is an IV as defined in (d)(i) that scores a 'Formula Value' of 20.0 or less.
- (vii) If insufficient data is available to rank an IV using the procedure outlined above, DSC shall use the last available ranking for that competition. Should there be no previous ranking for that competition, DSC shall follow the formula outlined above using as much information as is available to them.

(e) If applicants are tied based on the criteria laid out in section (c) they shall be differentiated according to the following criteria with all three factors taken into consideration but in order priority:

- 1) The number of times they have achieved the highest of the above criteria
- 2) The ranking of their next highest achievement based on the criteria above
- 3) Their relative positions on the speaker tab at the competition at which they fulfilled their highest criteria on rankings above

(f) No competitions or tournaments attended on an individual basis – i.e.. not representing a debating society – nor any tournaments attended for another institution whilst a student at Oxford University shall count in section

(g) For the purpose of section (c), an institution is defined as an educational institution where the member is enrolled on a full-time basis as a student.

(h) Notwithstanding any of the above, no member may sit on the Debates Selection Committee unless they have accumulated, during their time in Oxford, eight points where:

- (i) Helping at or adjudicating an individual round of any Oxford Union tournament, including the Oxford IV, the Oxford Schools Competition regional rounds and Finals Day, the ICYD regional round and Finals Day, and all internal competitions and tournaments shall be worth one point.
- (ii) Accepting crash accommodation during the IV shall be worth one point
- (iii) Coaching a workshop for the Oxford Union shall be worth one point
- (iv) Travelling more than six miles from Carfax to help or adjudicate at any Oxford Union tournament shall be worth one point

(j) Regardless of whether a member meets the above criteria, DSC may decide not to appoint a member to the committee if it deems that member to be unsuitable to take a place on the committee. DSC may register such a corporate objection if three-quarters of the committee vote to do so. Such a decision may only be upheld once Standing Committee passes a motion in support of the corporate objection. Such a vote shall take place using a secret ballot, and if such a corporate objection is registered, a written justification of the decision shall be delivered

to the President and posted on the notice-board. This clause shall not apply to the President's appointment under B12(b).

B13: OPERATION OF THE DEBATES SELECTION COMMITTEE

(1) *Applicability*

- (a) The following rules apply to tournaments in which the participants are wholly or partially funded by the Oxford Union.
- (b) These guidelines do not apply to the World Championships or European Championships, except and only where they are explicitly cited in S.O.B13.4.c.

(2) *Novice and Intermediate Speakers*

- (a) A speaker is deemed to be a "novice speaker" if and only if:
 - (i) Their highest achievement, as specified by Standing Order B12(c), ranks at point 16 or lower, with the following exceptions:
 - (1) Achievements for other institutions are ranked as though they were achievements for the Oxford Union
 - (2) The Australasian Universities' Debating Championships and equivalent regional tournaments shall be ranked equal to the European Universities' Debating Championships
 - (ii) They have competed at fewer than five IVs for the Oxford Union OR they have not competed at an IV with an intermediate or experienced speaker for the Oxford Union
- b) A speaker is deemed to be an "intermediate speaker" if and only if:
 - (i) They are not a novice speaker (as specified above)
 - (ii) Their highest achievement, as specified by Standing Order B12(c), ranks between points 9 and 15 inclusive, with the following exceptions:
 - (1) Achievements for other institutions are ranked as though they were achievements for the Oxford Union
 - (2) The Australasian Universities' Debating Championships and equivalent regional tournaments shall be ranked equal to the European Universities' Debating Championships
- c) Other speakers are deemed to be "experienced speakers".

(3) *Duties of the Selection Committee*

- (a) All tournaments in a term are to be advertised, where possible, to Union Debaters during 0th week.
- (b) DSC should call for nominations and, if practicable, advertise the number of funded novice, intermediate and experienced places at least ten days before the IV. The closing date for applications should be clearly stated.
- (c) It shall be the role of the DSC Chairman, or whoever he nominates, to keep an up to date record of all applications and selections as well as whether members are designated as 'novice', 'intermediate' or 'experienced' debaters. This shall be known as the 'DSC record.'
 - (i) This record shall be placed on the DSC notice board and kept up to date for members to view.
 - (ii) Members shall be able to challenge the DSC record by writing to the Chair of DSC, who should notify the entire committee of any such request by the next meeting.
 - (iii) DSC shall decide by majority vote whether to uphold challenges and amend the DSC record.
- (d) DSC shall conduct selections at least 5 days in advance of any IV, unless this is impracticable. After the close of nominations DSC shall use the process detailed below to select speakers in the following order:
 - (i) All applicants shall be checked against the 'DSC Record' and classified as 'novice', 'intermediate' or 'experienced'
 - (ii) All applicants shall be checked against the 'DSC Record' to ascertain whether they have fulfilled their 'helper quota' as laid down in rule 4c. Any speakers that have not fulfilled their obligations under this rule may only be considered for a position as a 'helper'
 - 1. Rule 3.d.ii may be suspended in exceptional circumstances with the majority support of DSC but only if the fact that 3.d.ii has been suspended is publicised to all those who applied for the IV concerned.
 - (iii) All applicants shall be checked against the 'DSC Record' to ascertain whether they comply with rule 4b concerning the maximum number of tournaments to be attended in any academic year.
 - (iv) DSC shall calculate the minimum number of novice and intermediate speakers it should select using the novice and intermediate quota as laid out in rule 4f.
 - (v) Experienced and intermediate speakers shall be selected based on the following criteria with all three taken into consideration, but in the following order priority:
 - (1) merit (as evidenced by debating achievements)
 - (2) involvement in union debating activities
 - (3) spreading opportunities to as many people as possible
 - (vi) Novice speakers shall be selected on the following criteria with all three taken into consideration, but in the following order priority:
 - (1) involvement in union debating activities
 - (2) spreading opportunities to as many people as possible

(3) merit (as evidenced debating achievements)

(vii) Judges shall be selected on the following criteria, which should be considered with equal weighting:

- (1) spreading opportunities to as many people as possible
- (2) involvement in union debating activities
- (3) merit (as evidenced debating achievements)

(e) DSC should inform applicants of selections within twenty-four hours of the selections being made.

(f) Any applicant may request a written explanation of a selection decision by writing to the Chair of DSC. The entire committee should be notified of any such request by the next meeting. The Chair of DSC, or whomever they nominate, shall reply to any such request before the competition concerned occurs, or within two weeks of the receipt of the request by the Chair, whichever is the sooner.

4) Selection rules

(a) For the purpose of the rules below, attendance at a tournament refers to being formally registered as either an adjudicator or debater for the Oxford Union. A tournament does not count towards a person's total number of tournaments attended if the person was neither receiving any funding or contribution from the Oxford Union for the tournament, nor using the words 'Oxford Union' as part of their team name.

(b) Any member can be selected for up to six tournaments in an academic year. Once six tournaments have been attended, a member may only be selected for another tournament if there are insufficient applications to fill the advertised positions.¹⁸⁵

(i) For the purpose of rule (4)(b), multiple tournaments which take place on one trip (for example to Durham and Newcastle on successive days) shall be counted as one tournament.

(ii) If there is confusion over whether multiple tournaments count as one trip, a majority vote by DSC shall decide the matter.

(c) All members selected to represent the Union at an intervarsity should have a 'helper score' attached to them, which should be kept as part of the DSC Record. Two points are to be added to a speaker's score after they attend a tournament as a helper (as defined below). Points are to be deducted for each tournament attended as a non-helper (i.e. not as a helper, as defined below). Novices should have half a point deducted for attending a tournament as a non-helper; intermediate and experienced speakers should have one point deducted for attending a tournament as a non-helper. No member is permitted to have a helper score below –1.5 points, and DSC should not select a member to attend a tournament if it would cause his or her helper score to fall beneath this level.

(i) For experienced speakers, helper is defined as attending a tournament as either:

- (1) The partner of a novice speaker if DSC deems that doing so would benefit the novice speaker
- (2) The partner of an intermediate speaker if DSC deems that doing so would benefit the intermediate speaker
- (3) An adjudicator

(i) For intermediate speakers, helper is defined as attending a tournament as either:

- (1) The partner of a novice speaker if DSC deems that doing so would benefit the novice speaker
- (2) An adjudicator

(ii) For novice speakers, helper is defined as attending a tournament as a judge.

In the case that a speaker is unable to attend a tournament as a helper because doing so would prevent them from attending two tournaments in preparation for the World or European Championships, DSC may decide, upon request, to defer attending a competition as a helper (and thus allow the speaker to have a helper score below –1.5 points) until the next available opportunity. However, DSC must not select a speaker to trial for subsequent World or European Championships if his or her helper score is below –1.5 points at the time of the trial.

(ii) *Modifications to helper score*

(1) Any member selected as a speaker or a judge for an IV who declines to attend that IV after selections have been announced will have 1 point deducted from their helper score. That IV shall also count towards the six-tournament limit for selections in an academic year.

(2) Any member who cancels their attendance less than 48 hours before an IV is due to begin, or is absent without notice from an IV, shall have an additional point deducted from their helper score

(3) Any member who misses a preliminary round as a judge or speaker for an IV, but is otherwise in attendance, shall have one point deducted from their helper score. (Helper points are otherwise still accrued as normal).

(4) DSC may waive the deductions in part (i), (ii), and (iii) if and only if it deems, with a two-thirds majority vote, that the member's reasons for non-attendance were both serious and entirely unforeseeable.

(5) For the purposes of part (iv), serious and unforeseeable reasons shall include (but not limited to) medically certified personal illness, bereavement, and involvement with disciplinary committees in

¹⁸⁵ On the scope and applicability of this Standing Order, see Interpretation B9.

the Oxford Union. Ordinary academic and social commitments shall not constitute serious and unforeseeable reasons.

- (d) Tournaments attended as 'helpers' count towards a person's total subject to 4b.
- (e) For experienced speakers only, attending a tournament as an adjudicator shall only define a member as being a Helper once in any academic year.
- (f) At tournaments where four or more Union members are sent, at least one quarter of debaters and one quarter of the total number of members sent to the tournament (debaters and adjudicators) are to be novices. The quota is rounded up such that 1-2=0, 3-4=1, 5-8=2, 9-12=3.
 - (i) Rule 4e shall not apply to tournaments outside the British Isles.
 - (ii) In the event that insufficient novices apply to fill the quota, DSC may fill the vacant places with intermediate speakers.
 - (iii) In the event that insufficient novices or intermediates apply to fill the quota, DSC may fill the vacant places with experienced speakers.
- (g) No member can attend more than two Irish IVs in one academic year.
- (h) DSC may decline to select any member if that member has failed to fulfil their obligations to the committee in terms of contributing to Union debating in return for their place on a Worlds, Euros or Development Squad or by virtue of being a member of DSC.
- (j) Debaters who are selected to judge or speak at worlds must apply to be the pro in a pro-am at some point after the time of their selection. When applying to be the pro in such a pro-am, they may not specify that they only wish to be selected to speak with a chosen partner. Until debaters with this obligation have made such an application, they shall not be eligible to trial to represent Oxford at Worlds or Euros.

5) Membership

- a) DSC shall consist of eight members and a non-voting delegate from the Standing Committee. Vacancies should be filled within two full weeks of academic term unless no suitably qualified candidates emerge.
- b) If DSC decides to fill a vacancy the Chair shall advertise the vacancy to Members of the Oxford Union Society using the Debate Announce Mail-list and invite applications at least five days before the meeting to determine how the vacancy is filled. Applicants should be selected based on the criteria detailed in Schedule B13.
- c) On accepting an invitation to join the committee, members must agree to contribute whatever time the committee deems to be reasonably sufficient to support debating with the Oxford Union.
- d) Members may resign from the committee at any time either by writing to the Chair (e-mail correspondence shall be considered sufficient) or in person at a meeting of DSC.

6) Roles of DSC members

- a) DSC shall consist of a Chairman, Treasurer and Secretary as well as five other members. The responsibilities of the Chairman, Treasurer and Secretary are detailed below, and the remaining five members will be allocated portfolios by the Chairman as he deems necessary.

- (d) Hustings shall comprise of each candidate giving a brief speech of no more than two minutes outlining why they feel they would be suited to the position. The order of speaking shall be decided by lots. All committee members (including the outgoing Chairman) may ask questions of the candidates. Each question must be posed to all the candidates. The order in which the candidates answer shall be rotated for each question with the starting order being one clockwise rotation from the order decided for the opening speeches. Once there are no more questions or after 20 minutes, whichever is the sooner, the Standing Committee Delegate shall call a vote. Each committee member (including the candidates) shall write their preferred candidate on a piece of paper and hand it to the Standing Committee Delegate who shall count the ballots in a corner of the room. The Standing Committee Delegate shall announce the elected candidate and the number of votes they received.
- (e) The outgoing chairman shall only have a vote if they are continuing to sit as an Ordinary Member of DSC.

 - (i) Hustings should be opened for an additional ten minutes and a second closed vote taken
 - (ii) The candidate with the least votes (if there are more than two) should be eliminated and all members should recast their votes
 - (iii) The candidate who is at that point ranked highest on the DSC appointment criteria detailed in schedule B13 should be selected
- (g) The candidates are entitled to a recount of the ballots. Only one recount shall be allowed and all the candidates are to observe the Standing Committee Delegate recounting if one is called.
- (h) The Chairman must resign from his position within one year of being elected. However he may then offer himself as a candidate for election to the position of Chair at that point.

(d) *The Access Officers and the Press Officer*

(i) The President-Elect shall be required, if at all possible, to select the individuals to fill the positions of Press Officer and Access Officers before the end of full term.

(ii) All applicants for the positions of Press Officer and Access Officers shall be interviewed by a panel of at least three members, which may include the President-Elect if he or she so wishes, before the end of full term. All interviews must take place during Eighth Week.

(iii) The President-Elect shall ensure that these positions, and the application process, are advertised in both the *Cherwell* and the *Oxford Student* newspapers before the end of full term.

(iv) If Standing Committee refuses to ratify the appointment of either of the Access Officers or the Press Officer, then the President may select another individual from the original pool of applicants.

(v) If Standing Committee refuses to ratify any of the applicants for either position, that position must lie vacant until further interviews, to be held before Monday of 2nd Week, may be advertised.

The President, if he so wishes, will be enabled to edit the online termcard. He shall also be enabled to send emails on the Society's mailing list. CHAPTER D: ELECTIONS

D1: REPORTS

(a) All Junior Officers (except the President-Elect), elected Members of Standing Committee, appointed officials and the Chairman of Consultative Committee must deliver a concise report upon all activities they have undertaken and intend to undertake concerning their official duties, to the Returning Officer, at least five days before the Ordinary Private Business Meeting during their term of office¹⁸⁶. Any of these who do not deliver their report on time shall be fined £10 by the Returning Officer. The report of the President must include details of the activities of all his appointed officials. A full list of any external person or organisation that has been contacted on behalf of the Society by a member submitting a report, irrelevant of outcome, must be detailed in their report, unless they are subject to *in-camera* regulations.

(b) All reports must be typed out in accordance with the guidelines laid out in Rule 35 (b) (iii) for manifestos. The reports shall not contain photographs or visual graphics. They shall not be printed on official Union stationery. The Returning Officer may amend the reports if they break these guidelines.

(c) The Returning Officer shall place these reports on the notice board four days before the Ordinary Private Business Meeting. Such reports shall remain on one of the Society's notice boards until after the close of Poll for the Society's main elections.¹⁸⁷ A copy of each report shall also be kept by the Returning Officer to assist in the verification of any claim made by candidates in the Society's elections, during their hustings speeches or in their manifesto. The fact that any statement made in any of the reports has not been questioned at the time of its delivery shall not in itself mean that it may not subsequently become the subject of later investigation.

(d) Junior Officers shall read out their report at the Ordinary Private Business Meeting. Questions may be put to any individual who has or could have submitted a report.

(e) The Returning Officer shall inform all those who must produce a report of this Standing Order, at least 10 days before the Ordinary Private Business Meeting.

(f) The Returning Officer shall present a short report on the conduct of his duties to Standing Committee at some point after the end of the electoral process but before the end of his term of office. The report shall include a full breakdown of all items of expenditure incurred during the electoral process. The report shall also be published on the Society's notice board. Members shall be able to obtain past reports from Returning Officers on request.

(g) Any member of the Standing Committee undergoing negotiations of an *in-camera* nature at the time of the Ordinary Private Business Meeting, must give a full report of such negotiations to an *in-camera* Standing Committee at the next full meeting of the Standing Committee.

D2: NOMINATION

(a) *Nomination fee*: The following sums shall be paid to the Society by any candidate in the Society's Elections when handing in his nomination form:

- For the Secretary's Committee: £20;
- For the Standing Committee: £30;
- For any Office save that of President-Elect: £40;
- For the Office of President-Elect: £50.

However:

(ii) Any candidate in receipt of a full Maintenance Grant as proved on submission of a document from their Local Education Authority, the NHS, or the Church of England, or a Hardship Fund shall have the nomination fee subsidized so that they shall instead pay the following sums to the Society when handing in his nomination form:

- For the Secretary's Committee: £5;
- For the Standing Committee: £10;
- For any Office save that of President-Elect: £15;
- For the Office of President-Elect: £20.

(b) *Nomination deadlines*:

- (i) Candidates must present themselves to nominate before 3.00p.m. and zero seconds exactly on Friday of 6th Week, with a sealed envelope containing the materials set out in Rule 34(b)(iii)(1)-(4). At 2.30p.m. the Returning Officer shall order at least two Deputy Returning Officers to seal the entrance to the Morris Room in

¹⁸⁶ *The President must submit these reports to the Librarian-in-charge under Standing Order C3.*

¹⁸⁷ *Removing or defacing these reports is therefore Electoral Malpractice: see Interpretation A13.*

order to ensure that no person may enter without a sealed nomination envelope and that no member is admitted after the close of nominations.

(ii) Candidates who have presented themselves to nominate by this point, but have not had their nomination envelope countersigned and their membership card number recorded, as per Rule 34(b)(iii) by the Returning Officer or his Deputies shall be allowed to nominate.

(iii) If the deadline has passed, and the candidate does not have sufficient or authorized means of payment on their person, their nomination shall not be accepted. Candidates shall not be allowed to go elsewhere to find other means of payment, or receive assistance from any other individual, if they do not have sufficient means of payment on their person once the deadline has passed.

(iv) Candidates who pay their nomination fee by a cheque which subsequently bounces shall not be invalidated, but shall be treated in accordance with SO A9(b).

(v) Candidates may provide their manifestos on disk in a format that the Returning Officer can read, without hard copy - however, the Returning Officer shall take no responsibility if he cannot read the disk. Any such disk shall be included in the nomination envelope.

(c) Candidates' Meeting

(i) All members who have nominated themselves in the Society's Elections shall attend one of two meetings with the RO where he will explain election procedure and rules to them. These meetings shall take place after the close of nominations on the Friday of Sixth week, and on Saturday of 6th week, at a time and place to be advertised by the RO on the Society's notice board by the open of nominations. It shall also be included in the "Information for Candidates" booklet.

(ii) If the RO is unable to take either meeting, then he may appoint one of the Deputy Returning Officers to take the meeting.

(iii) If a candidate cannot attend either meeting because of debilitating illness or compulsory university academic commitments, he shall inform the RO and obtain his leave to miss the meeting.

(iv) Failure to attend one of these meetings without having satisfied the RO of a reasonable excuse shall incur a fine of £10. This shall not constitute any form of electoral malpractice.

D3: currently unused

D4: PUBLICITY FOR THE POLL

The Returning Officer shall secure adequate publicity for the Poll by distributing posters containing similar details and the names of the candidates on the Society's premises and in all the colleges of the University and institutions admitted to the benefits of Rule 3(A) and ensuring that these be prominently displayed and neither defaced nor altered in any way. Rule 33 shall be brought to the notice of members in all publicity concerning the Society's Elections, and by the President at the Public Business Meeting immediately prior to the Elections.

D5: THE COUNT

(a) The Count shall be performed by the Returning Officer, the Deputy Returning Officers and, if necessary, any Returning Officer's Assistants appointed by the Returning Officer. It shall take place in the presence of such candidates' representatives as appear before the commencement of the Count. The Returning Officer shall publish on the Notice board by 4.00p.m. on the day of the Poll, the place and time at which the Count will commence. Candidates' representatives may be appointed, at the discretion of the Returning Officer, to assist in the counting of votes under this section, but not so as to count for any office or committee for which the candidate they are representing is standing.

(b) At the commencement of the Count, the ballot boxes shall be opened in the room in which the count is to be held. The ballot papers shall then be counted and the total number received shall be ascertained. Meanwhile, the number of signatures of those Members who have voted shall be counted. The ballot papers shall then be severed and sorted into piles according to the Office or Committee concerned.

(c) One counter shall be placed in charge of the Count for each Office, and at least one other counter shall assist in each officer count. One counter shall be placed in charge of the count for each Committee, and any counters remaining shall assist in one of the committee counts. The counters shall then sort the ballot papers into groups according to the first preferences indicated, segregating blank, spoilt and void ballot paper into separate groups and ascertaining the total number of blank, spoilt and void papers, which shall be recorded. The papers in each group of valid votes shall then be counted and the total numbers of first preferences for each candidate shall be recorded. The count shall then proceed by the mechanism prescribed by the Counting Regulations and the total number of

ballot papers received for each candidate at each stage shall be recorded.

(d) *Recounts*

Any candidate's representative present may demand a recount of the votes for the office or committee in which the person he represents is standing, but not for any other office or committee. Such recounts shall be granted subject to the following provisions:

(i) The first recount demanded for any office or committee shall always be granted.

(ii) Further recounts for any office shall be granted subject to the following provisions:

(A) If two candidates for any office or committee differ, as to their total votes at any stage in the count at which one of them must be elected or eliminated, by ten votes or less on the last count held, then one further recount shall be conceded, provided that not more than three counts in all (original together with recounts) shall be obligatory on the Returning Officer or Deputy Returning Officers in respect of any office by virtue of the provisions of (i) above and this sub-clause.

(B) If on two successive counts the votes obtained by a candidate shall, at any stage in the respective counts, differ by five or more votes, or shall differ in such a way as to alter the order of the candidates at that stage, whether by causing candidates to exchange places, at that stage, as between counts, or to tie and fail to tie as between the counts, then the Returning Officer shall, upon demand by a representative of one of the candidates concerned (but not otherwise), be bound to grant a recount or recounts of the election, until such time as: either

(1) two successive counts shall agree as to the person elected, the order of elimination of other persons, the presence or absence of a tie and (within five or a lesser number of votes) as to the total of each candidate in the election; or

(2) such agreement not having been obtained, six successive counts for the same office have taken place, in which case he shall automatically adjourn the count for that office, which shall be restarted in the presence of a Senior Officer as soon as may be. Nothing in this section shall impair the right of the Returning Officer (or Deputy Returning Officer in charge of a particular count) to grant recounts at his discretion, above the obligatory number.

(e) If it shall appear to the Returning Officer at any stage that further proceedings under this Standing Order would be unlikely to produce a true election result, whether by reason of a disagreement in successive counts or for any other reason, he shall so declare and post a notice to that effect on the Notice-board. An Election Tribunal shall then be constituted under the Rules and Standing Orders of the Society, to which the proceedings of the election shall stand referred. This power shall only be exercised before the official publication of the results of the election and its exercise shall suspend such publication. All further dealings with the ballot papers and other records of the count shall be sealed up as if the count had been completed until the Tribunal is able to inspect them.

(f) Any time after nine hours from the commencement of the count, the Returning Officer may adjourn the count to a time stated at the time of the adjournment. In the case of such an adjournment the Returning Officer shall, and shall only, announce such results as have been definitely decided at the time of the adjournment. If there is an adjournment under this section, the ballot papers shall, when the count is adjourned, be sealed up as prescribed in the next section.

(g) At the conclusion of all the counts the Returning Officer and his Deputies shall ascertain that the original total of ballot papers, as determined under (b) above, tallies with the totals for the various officers and committees, account being taken of spoilt, void and blank papers, and shall make suitable enquiries if a discrepancy appears. They shall then seal up the ballot papers (including spoilt, void and blank papers) in the presence of at least four representatives of candidates if they are available.

(h) The ballot papers so sealed up shall be preserved until the end of the second week of the next Full Term following that in which the election took place, at which time the Returning Officer shall see that they are destroyed. They shall not be unsealed during that period save by order of the courts, or on the order of an Election Tribunal or an Appellate Board. They shall only be unsealed in the presence of the Tribunal or a person appointed by it, or of the Appellate Board or a person appointed by it, or by the Returning Officer in the presence of a Senior Officer and at least three Deputy Returning Officers.

(j) Throughout any count the doors of the room in which it takes place shall be locked, and entrance and exit, after the start, shall only be with the knowledge of the Returning Officer or his senior Deputy present in the room. Persons other than the Returning Officer, his Deputies, Assistants, and representatives of candidates shall not, save in special circumstances with the permission of the Returning Officer or his Deputy, be present in the room. No representative of a candidate may leave, unless accompanied, between the beginning of the count and the conclusion or adjournment of the count.

(k) The Returning Officer shall make the announcement of the result at the conclusion of the count. In the event of a postponement of the count, the Returning Officer shall announce the results of the postponed count to the Society

as soon as may be.

(l) The Returning Officer and his Deputies shall have complete control over the count in accordance with the Rules and Standing Orders.

D6: COUNTING REGULATIONS

In accordance with Rule 35, the Count will be performed according to a system of Single Transferable Vote. The system used shall be as follows:¹⁸⁸

(a) Count valid papers. Calculate the Quota, as being $\{(v/s+1)+0.01\}$, where v = the number of valid papers received, and s = the number of places to be filled. The Quota shall be rounded down to 2 decimal places. Set initial value of all papers to 1. Go to (b).

(b) Allocate and count first preferences. Go to (c).

(c) If all places to be filled have been filled, stop. If not:

- (i) If one or more candidates are over quota, a candidate must be elected and his surplus distributed. Go to (d).
- (ii) If no candidates are over quota, and the number of continuing candidates plus the number of candidates already elected is equal to $(s+1)$, eliminate the candidate with least votes as Runner-Up and declare all the other continuing candidates elected, in order of votes held.
- (iii) If no candidates are over quota, and the number of continuing candidates plus the number of candidates already elected is more than $(s+1)$, a candidate must be eliminated. Go to (e).

(d) *Distributing a Surplus*

(i) Declare the candidate with most votes elected. Only one candidate may be elected at each stage. Calculate the surplus of (votes received - quota). Calculate current total value of papers transferable to another candidate, and sort by the next valid preference.

(ii) Calculate the transfer value of each paper.

(1) If the total current value of transferable papers is less than the surplus, the transfer value = current value.

(2) Otherwise, transfer value = $\left[\frac{\text{surplus} \times \text{current value}}{\text{total value of transferable papers}} \right]$ (rounded down to 3 decimal places)

(3) Transfer all transferable papers at their transfer value. Go to (c).

(e) *Eliminating a Candidate*: Declare the candidate with least votes to be excluded. Sort all papers by next valid preference and transfer at their current value. Go to (c).

(f) When all positions on a committee have been filled by the above process, the order of seniority shall be determined by first preferences. In the event of a tie, the result of the next redistribution of votes shall be taken into account. [Passed Standing Committee 04/11/02]

D7: INTERPRETATION OF BALLOT PAPERS

(a) Voters shall enter their order of preference for each office or committee by placing the numerals 1, 2 and so on opposite candidates' names. A paper shall be void, so far as a particular office or committee is concerned, on which a first preference for that office is not indicated; it shall also be void if any single numeral be entered more than once, except insofar as it indicates the voter's order of preference up to and including the immediate predecessor of the numeral so entered more than once. If a voter enters his preferences in a broken sequence, the paper shall be void insofar as it expresses preferences after the break. A sequence including a preference for a candidate deemed excluded for any reason or disqualified from the election shall not by virtue of that constitute a broken sequence. Voters need not indicate any preference beyond their first. A single tick or cross shall be deemed to indicate a first preference, but such symbols against two or more names for the same office shall render the ballot paper void as regards that office or committee. The appearance of such symbols in addition to the numeral 1 shall render the ballot paper void as regards that Office or Committee.

(b) If at any stage of the count for either an office or a committee any paper is proposed to be set aside as spoilt or void, it shall be examined by the Returning Officer who shall initial those papers which he decides are spoilt or void. The decisions of the Returning Officer on the interpretation of ballot papers shall be final, unless the matter be submitted to an Election Tribunal. The Election Tribunal shall adopt the interpretation of any ballot paper given by the Returning Officer in accordance with this section, unless it is satisfied that the interpretation cannot reasonably be sustained.

¹⁸⁸ The value of ballot papers should always be expressed to three decimal places: see Interpretation A17.

D8: ELECTION TRIBUNAL

In carrying out its functions, the Election Tribunal shall observe the following regulations at all times:

- (a) During the hearing of evidence that concerns them directly, all complainants and defendants shall have the right to be present, in addition to any person they appoint to represent them.¹⁸⁹
- (b) Defendants, complainants and members of the Election Tribunal shall have the opportunity to call, examine and, where possible, cross-examine witnesses. Witnesses may only be asked questions of fact except where they are expert witnesses. If a witness deliberately says something that is untrue as under Rule 33(a)(i)(13), on a matter of substance related to the charges which the Tribunal is considering when he is being examined, he shall be liable to the same penalties as if he had committed the offence of making a frivolous or malicious allegation, and the Tribunal shall have the power to inflict the penalties on him under the same conditions as if an allegation of that offence were laid against him during the Tribunal.
- (c) All formal allegations shall be read out at the start of the investigation. If, during the investigation, the Tribunal should have reason to suppose that a Member who is not a defendant has committed an electoral offence, they shall inform him immediately, and he shall have the rights of a defendant thereafter¹⁹⁰. If the ground the Tribunal has for supposing a Member has committed an offence is evidence that he has not been present to hear, it shall ensure that the evidence is repeated in his presence or, failing that, that the tape-recording made of it under (g) below is played over to him. Any person given the rights of a defendant under this section shall be deemed to have had an allegation brought against him.
- (d) Adjournments may be requested by any party to the investigation and shall be granted at the discretion of the Tribunal.
- (e) After all the witnesses have been called, defendants and complainants shall have the right to sum up.
- (f) After the summing up, the Tribunal shall retire to make its decisions and consider its report. The report shall contain a record of the decisions of the Tribunal and a statement of the reasoning that led to the decisions; if different routes were followed (whether or not to the same conclusion) by different members of the Tribunal, the reasoning of each of them shall be stated.
- (g) The proceedings of an Election Tribunal shall be recorded on magnetic tape, save only those parts of the proceedings at which only members of the Tribunal are present. The tapes shall be available, except as under (c) above, only to an Appellate Board set up under Rule 33(d). They shall be stored *in camera* in the archives for one year and then be destroyed.
- (h) This Standing Order shall be brought to the attention of defendants, complainants and every other person appearing before the Tribunal in any capacity whatsoever.¹⁹¹
- (i) The Tribunal shall make an explicit finding of 'guilty' or 'not guilty' on every charge.
- (j) The Returning Officer shall attach a Schedule to the Standing Orders detailing further suggested guidelines on the procedures for election tribunal hearings. Such guidelines shall in no way be binding on tribunals.¹⁹²

D9: FINES FOR NON-ATTENDANCE AT AN ELECTION TRIBUNAL OR DISCIPLINARY COMMITTEE¹⁹³

- (a) No Member shall be fined under Rule 33(c)(v) or Rule 71(e)(vii) unless a letter, which specifies a time (which shall be between the hours of 10.00 am and midnight inclusive) at which he is required to attend by the Election Tribunal or the Disciplinary Committee and which states the conditions under which he may be fined if he fails to attend, has been handed to him in person, at least 20 hours before the said time, by the Returning Officer, a Deputy Returning Officer, or by a Returning Officer's Assistant.
- (b) No member shall be fined under Rule 33(c)(v) or Rule 71(e)(vii) if:
 - (i) (A) He has given the Tribunal or the Disciplinary Committee good reason for non-attendance as under Standing Order B4, where "two-thirds of those present and voting" be deemed to mean "two-thirds of the Election Tribunal" or "two-thirds of the Disciplinary Committee" as appropriate, and
 - (B) Either
 - (i) he is unable to give evidence in writing, or he has made a written statement, which shall be subject to Rule 33(a)(i)(13) or Rule 71(a)(i)(8) as appropriate, which he has signed in the presence of the Returning Officer or one of his Deputies or Assistants who has signed the statement as a witness; or,
 - (ii) He has attended at the time specified in the letter under (a) above and has placed himself at the disposal of the Tribunal or the Disciplinary Committee for the ensuing two hours; or,
 - (iii) The allegation or complaint in connection with which his presence was required was one brought against himself.

¹⁸⁹ On the presence of observers, see Interpretation E5.

¹⁹⁰ For clarification, see Interpretation E11.

¹⁹¹ On whether failure to observe this rule is grounds for a tribunal to be quashed, see Interpretation F3.

¹⁹² This 'Schedule of Suggested Tribunal Procedure' is attached. On non-binding effect, see Interpretation F4.

¹⁹³ For more details, see Interpretations C10 and C11.

D10: MECHANISM FOR THE ELECTION OF THE CHAIRMAN OF CONSULTATIVE COMMITTEE

(a) The first preferences for each candidate in each ballot shall be calculated as the percentage of the total number of valid votes cast in that ballot. The two percentages for each candidate shall be combined as under (f) below to make the 'score'.

(b) If, at any point, any candidate has a higher score than the sum of the scores of all the other candidates, then that candidate shall be elected.

(c) If there are more than two candidates, then the candidate with the lowest score shall be eliminated and his votes shall be redistributed according to the next preference indicated. The percentages for each candidate in each ballot shall be recalculated. The new 'score' shall then be calculated from the new percentages.

(d) The process of redistribution in (c) above shall be continued, until one candidate is elected under (b) above.

(e) If, at any stage, two or more candidates, one of whom is to be eliminated, tie, then the tie shall be resolved by Rule 35(h).

(f) The 'score' for a candidate shall be the sum of the percentages of the two ballots, unless less than 20 votes are cast in the Consultative Committee ballot, in which case the 'score' shall be calculated according to the following formula:

'score' = [Standing Committee percentage + (Consultative Committee percentage x N x 0.05)] where N is the number of votes cast in the Consultative Committee ballot.

E1: OFFICE SECURITY

Any non-member of Standing Committee who without the permission of the President or the staff crosses the barrier in the General Office or the Officers' Offices may be fined a sum not exceeding £20 by the President, any officer, or the Office staff.

E2: THE PUBLIC ADDRESS SYSTEM

(a) The Public Address System (which includes all apparatus, microphones, leads, and speakers) will, at all times when not in use, be stored in a public area of the building under lock and key.

(b) Any Officer, or any Member whom the President appoints in writing, may take responsibility for the use of the equipment, by signing the key out from a Member of Staff.

(c) The Member, who has taken responsibility in such a way, shall have an obligation to take reasonable care of the equipment and shall be liable for the cost of replacement or repair should the Public Address System become damaged or stolen due to their negligence between the time that the key was signed out and when it is signed back in by a Member of Staff, the System having been once again secured in its storage.

(d) This liability shall be considered a debt to the Society under Rule 6. Damage shall be presumed to be through the negligence of the Member who has signed out the key except that an Intermediate Disciplinary Committee, which shall be convened in order to determine the issue on request of the relevant Member, finds as a matter of law and fact that the damage was not caused by the negligence of that Member.

(e) It is also the duty of the Member, who has taken responsibility in this way, to ensure that the system is complete and in full working order before he secures it in its storage, and for him to report any missing or malfunctioning apparatus to the Bursar and the Standing Committee immediately.

(b) The Standing Committee shall draw up a list of Clubs, Societies and persons to which rooms may not be let, and shall instruct the House Manager and Events Manager not to let rooms to these bodies or persons. (c) The Returning Officer, any Member of Standing Committee or Member of the Staff of the Society shall have the right of entry to any function in a hired room.

(d) No public rooms may be occupied after 23:20 hours, except by prior arrangement with the House Manager, the Events Manager or the Standing Committee.

The letting of the room shall not be deemed to have come to an end until the room in question has been cleared of all persons.

(h) Charges for private and non-commercial room hire shall be set by the House Manager, subject to the approval of the Standing Committee. The rates shall be listed in an Appendix to the Rules. The House Manager, Events Manager or Bursar may alter the rates for commercial organisations as he sees fit.¹⁹⁵

(2) No Member should refer to another Member by his name, but as "The Honourable Member" or "The Honourable Member from — College"; or, in the case of Officers or ex-Officers, as "The Hon. —".

(3) If the President interrupts proceedings with his bell, all members, except the one speaking at the despatch box should resume their seats.

(4) There are two legitimate forms of interruption - points of order and points of information.

Points of order must refer to the order of the debate, and should be introduced to draw the President's attention to an abuse of the forms of the House (e.g. interjections from the gallery, a slanderous remark from the speaker, which the Member wishes to be withdrawn, etc.) Such points take automatic precedence in the proceedings.

Points of information must be literally points of information, and not just expressions of opinion. A Member wishing to raise such a point should rise in his seat, and wait until the speaker at the despatch box gives way. If the speaker does not wish to give way, the Member must resume his seat. Theoretically no two members of the Society may be on their feet at once. Shouted interruptions are not allowed, although cries of "order" are permitted to draw speaker's attention to a Member wishing to raise a point of information, whom he may not have seen. The speaker is never under any obligation to give way to interruptions.

(These points are introduced with the phrase "On a point of order" or "On a point of information" respectively.)

(5) Booing or hissing a speaker is both a grave and a pointless discourtesy, and an abuse of the forms of the house.

(6) Speakers on the paper will be told in advance the time that will be allowed them, and should observe this with the aid of warning cards, passed up by the Secretary.

(7) Members should always appreciate that visiting speakers are entitled to a quiet hearing, but in the interests of the debate guest speakers are always open to challenge on points of information. Members are reminded that speakers who come down are usually very busy people who come as a favour to the Society and are hence entitled to the courtesy which one would normally extend to a guest in one's home.

(8) Members are reminded that they should not bring mobile phones, food, drink or cigarettes into the Chamber at any time.

Yotam Levy, *St Cross College*, Returning Officer.
© Oxford Union Society MMXI

- a. The parties (starting with the complainant) introduce themselves. In each case, any representative introduces his clients.
 - b. The Panel introduce themselves to the parties, and satisfy themselves that they are eligible to sit, and have no actual or apparent conflict of interest. Further, they assure themselves that they are meeting in time and subject to any other provisions in the Rules.
 - c. The Panel examine the Allegations count by count. Where there are any Allegations that were brought in time but in some other manner not according to the form or containing in an obvious form all of the content contemplated in the Rules. Where these Allegations have, since initially being brought, been corrected on form or substance, or where the Tribunal can so correct them, it should do so where relevant, and then consider the Allegations as corrected. The Tribunal may not use its powers of investigation to correct said Allegations.
2. Where the Complaint cannot be so corrected, the Complaint must be dismissed as having no case to answer, and the Tribunal should proceed to consider a case of Electoral Malpractice against the Complainant for bringing a frivolous or unfounded and malicious complaint, using its full investigative powers.
 3. Where the Complaint has been withdrawn under the power afforded to Complainants within the 72 hour deadline, the Tribunal shall follow the direction of the Returning Officer on how best to proceed.
 4. Where the Allegations have been well-made out (by the initial Allegation, through the help of the Returning Officer since the initial Allegation was submitted, or through the help of the Tribunal), the Returning Officer should read out the Allegation (s). He should take each count of electoral malpractice and read it out.
 5. The Chair of the Tribunal asks if the Defendants wish to enter a plea to any or all of the allegations. They do not have to do so if they do not wish to; if they do not do so the Tribunal considers the allegations as if they had entered not guilty pleas.

Where pleas of guilty to all charges by each defendant are made

6. The Complainant will outline the facts of the offence.
7. The Defendant may agree the facts. If they do not, the Tribunal proceeds to hold a trial on those facts to determine the basis for sentencing. This will proceed as if (as below) the Defendants had entered no guilty pleas.
8. The Defendant may make a plea in mitigation to argue for what they consider to be the appropriate sentence. The sentence itself is a matter for the Tribunal and thus the Complainant does not have the right to address the Tribunal on this point, unless the Tribunal subsequently pass a sentence which was not open to them under the rules.

Where not guilty pleas have been made

9. The Complainant calls his witnesses. For each witness:
 - a. The Complainant examines the witness in chief
 - b. The Defendant cross-examines the witness
 - c. The Complainant may re-examine the witness
 - d. The Tribunal may ask the witness questions
 - e. If the Tribunal have asked questions which go into new matters then both Complainant and Defendant shall have a right of re-examination
10. When the Complainant has called all of his witnesses, he formally closes his case (this is often a good point for an adjournment).
11. Before the Defendant opens his case, it may make a submission of 'No Case to Answer'. The Tribunal should then rule on this submission - this may involve their retiring for consideration. The Tribunal should give their ruling. If the submission is accepted on all or some of the counts, the Tribunal must enter formal not guilty verdicts on those charges at that time. If so, the Tribunal should consider whether any of the allegations that were ruled as No Case to Answer were either frivolous, or unfounded and brought out of malice. The Tribunal shall then continue - to consider any remaining charges.
12. The Defendant opens his case, calling his witnesses using a similar process to paragraph 9 above.
13. The Defendant formally closes his case.

14. The Complainant may make a closing speech.
15. The Defendant may make a closing speech.
16. The Tribunal retires to consider its verdict.
17. The Tribunal announces its verdict.
18. In the case of a Not Guilty verdict, the Tribunal shall consider whether the allegations were either frivolous, or unfounded and brought out of malice. If so, anyone accused of making such allegations shall become a Defendant, and a case shall ensue on those grounds (the Defendant may wish to call an adjournment to prepare his case).
19. In the case of a Guilty verdict, the Tribunal shall consider whether the allegations are frivolous. If they find they are, the Tribunal shall pass no penalty on the Defendant on that count, and shall consider a case against the Complainant for making a frivolous complaint.
20. If a verdict of guilty has been made on any count, the Defendant may make a plea in mitigation on those charges.
21. The Tribunal retires to consider its sentence.
22. The sentence is announced.
23. The Tribunal recommends any recommendations or rulings arising from its actions, including whether the President-Elect should succeed to Office immediately.

 - d. Major Public Broadcasts.
 - e. Any programmes being displayed in conjunction with a promotion in the Members' Bar
- 2) Such programmes shall be shown at the request of any member and at the discretion of the bar staff on duty.
- 3) Whether a sporting fixture or public broadcast is "major" shall be at the discretion of the bar staff on duty.
- 4) The Television shall not be switched on except to show programmes in accordance with this Schedule.

SCHEDULE OF FORMAL POLICY DECISIONS

As per Rule 73(f), the following are policy decisions which have been decided by a Poll or in Private Business at a Public Business Meeting and have not been overridden or become otherwise void or irrelevant.

A: THE JUKEBOX DEBATE

“This House resolves to prohibit the use of the jukebox in the Bar”; passed at the Special Private Business Meeting on 6th April 1998, subsequently taken under Rule 47(e) to the Public Business Meeting held on the 12th April 1998 and passed in Private Business at that meeting.

B: THE POLLS OF 12TH JUNE 1998

Two motions were passed at the above debate, the full text of which are given here for the purposes of Rule 72.

Motion 1: “This House finds the practice of candidates publicly harassing members to vote in Union elections both offensive and detrimental to the quality of candidates elected; therefore this House amends the Rules to ban the canvassing of votes in Public places.”

Accordingly Rules 33(a)(ii) and 33(a)(iii) were amended.

Motion 2: “This House believes

- (1) The Oxford Union is a Members’ Society to be run for the benefit of all Members.
- (2) Members have a right to know how their money is spent and what decisions their elected representatives make; decisions must not be made behind closed doors.
- (3) The Union has nothing to fear from openness, accountability and transparency.

Therefore this House amends the Rules to make the Union more accountable, open and responsive.”

Accordingly Rules 14(a), 23(g), 27(a), 27(c), 40(d), 45(h), 60(a) were amended and Rules 18(c), 18(d), 18(e), 21(c), 23(i), 23(j), 33(a)(ii)(9), 34(f) 35(k), 35(l), 37(d), 60(b), 62(e), 67(i), 68(e), and 73(h) were inserted. Standing Orders A1, A2, A3 and B2 were amended.

C: SUPPLEMENTAL DECLARATIONS OF TRUST

“This House approves the supplemental trust to the Oxford Union Society Trust Deed, as attached,” passed as a Private Business in a Public Business Meeting on 4th March 1999 (see the Supplemental Redclaration of Trust for the schedule to the motion).

D: TRUST DEED REDECLARATION CHANGES

“This House amends the Rules to reflect the recent changes to the Oxford Union Society Trust Deed – namely removing the Senior Officers and Trustees as members of the Standing Committee,” passed as a Private Business Motion in the Public Business Meeting on 11th March 1999.

Accordingly Rule 24(a), 34(c) 62(a), 71(c) and Standing Order B7(b) were altered.

SCHEDULE OF FORMAL INTERPRETATIONS OF THE RULES AND STANDING ORDERS

This is the schedule of interpretations of the Rules and Standing Orders issued by the Returning Officer and other bodies correct as of 8th December 2010.

A. Interpretations of the Returning Officer

The following interpretations of the Rules and Standing Orders have been issued by Returning Officers in furtherance of Rule 32(g) and in accordance with Rule 67(e)(i)(6). They shall act as binding authoritative precedents to the extent set out in the Rules.

1: Qualifying Speeches

In the absence of adequate record of a debate, any speeches claimed in that debate must be allowed. In the event of it being discovered that a candidate has deliberately misled the Returning Officer into validating his nomination when he has not in fact made the appropriate number of qualifying speeches, action should be taken under Rule 33... as being a deliberate breach of the Rules regarding the conduct of the election.

Roger Mortimore, University College, Michaelmas 1991.

2: Appointment of Additional Deputy Returning Officers

In Rule 32(c), the power of the Returning Officer to appoint (with the approval of the Standing Committee) further Deputy Returning Officers to bring the total number to at least eight does not imply that the number may not be so brought to more than eight. Nor is the appointment of DROs under Rule 32(e) governed by the upper limit of twelve DROs who may be appointed under Rule 32(a)(i); the maximum number of DROs that can be appointed under Rule 32(c) is governed by the discretion of the Returning Officer and the Standing Committee.

Justin Brett, Exeter College, 27th October 1992.

3: Deputy Returning Officer Selection

The power of the Standing Committee under Rule 32(a)(iii) to amend the list of Deputy Returning Officers whose appointment is to be ratified, may be exercised only in accordance with the criteria of experience and capability laid down for the composition of the original list.

Marcus Mollan, Corpus Christi, 2nd March 1997.

4: Emergency Debates and Election Qualification

For the purposes of eligibility for nominations for the Society's elections, the following is the validity of speeches made in emergency debates: All speeches made in emergency debates before Hilary Term 1990 shall count. For any emergency debate in any term including and since Hilary Term 1990, no more than one speech may be counted from this debate. Speeches may count from any number of emergency debates. A speech will not be counted under this Rule if a speech is counted under Rule 34(c)(viii)(1) from the Public Business immediately following the emergency debate in which the speech was made.

Marcus Mollan, Corpus Christi, 2nd March 1997.

5: Deputy Returning Officer Selection

In Rule 32(a)(i), the criterion of experience is to be interpreted as referring first to experience in the administration of the Society's Elections (and where applicable, ought to follow the order of seniority of Deputy Returning Officers of the Society as defined in Standing Order D12 and then to experience in the administration of other Elections and to other general experience of the governance of the Society.

The criterion of capability represents the view of the President, Returning Officer and Chairman of Consultative Committee in the first instance, and that of the Standing Committee, concerning the competence of the applicants to assist in the administration of the Society's Elections in that Term. This is to be based initially on the criterion of experience and then on any other known factors that may affect any applicant's general ability to perform his duties were he appointed. This may include the definite absence of an applicant from Oxford during the period of the Election but not mere possibility that this may occur. It may not involve the taking of a view on the basis of the potential level of expenditure governed by Rule 34(e) and Standing Order D14 concerning the Election of that Term, nor of the future allocation of duties by the new Returning Officer between his Deputies.

Ashley Paver, Collegium Sancti Hugonis, 24th February 1998.

6: Nomination for an Office and the Standing Committee

There is no requirement under Rule 34(b) for a Member wishing to nominate for an Office and the Standing Committee to submit both his nominations at the same time. However, this shall not be taken as releasing such a Member from his obligation to submit all the relevant monies, photographs and documentation relating to each single nomination at the time of that nomination.

Matthew Gullick, Wadham, 27th February 1998.

7: Re-Election to the Post of Chairman of Consultative Committee

In Rule 36(d)(i), the provision preventing the Chairman of Consultative Committee from serving for more than three terms applies only to a Chairman of Consultative Committee standing for re-election in a term in which he holds office.

Matthew Gullick, Wadham, 27th February 1998.

8: Provision of Verbal Lists by non-Verbal Means

The verbal provision of a list of selected candidates within the meaning of Rule 33(a)(i)(18) includes any verbal identification of more than one candidate, including identification by means of indicating the photographs, names, mannerisms or persons of candidates accompanied by the soliciting of votes for or against those candidates.

James Griffith, Collegium Sancti Petri le Bailey, 21st May 1998.

9: Verification of Qualifying Speeches

The means by which the Returning Officer shall determine that a speech has been made, when deciding the eligibility with regard to the provisions of Rule 34(b)(viii) of a candidate to stand for election, shall ordinarily be the presence of that candidate's name in the list of speakers in the approved Minutes of a Meeting, or the presence of an official audio or video recording of the speech.

If in the rational opinion of the Returning Officer, there is serious and sufficient doubt as to whether both of these means of verification reflect the entirety of the proceedings as regards the making of a claimed speech (notwithstanding any ratification or approval of such means of verification), or one of these means of verification is unavailable to the Returning Officer and in his rational opinion there is serious and sufficient doubt as to whether the remaining means of verification reflects the entirety of the proceedings as regards the making of a claimed speech (notwithstanding any ratification or approval of such means of verification), he may allow, for the purposes of eligibility under Rule 38(b)(viii) only, a speech claimed by a candidate.

James Griffith, Collegium Sancti Petri le Bailey, 7th June 1998.

10: Resignation of Office

When a letter of resignation signed by an Officer is given to the President, the resignation of that Officer from Office is valid and cannot be withdrawn (Rule 38(a)).

Ashley Paver, Collegium Sancti Hugonis, 31st October 1998.

11: Loitering Near Election Publicity

If any Member loiters in close proximity to any official publicity for the Society's Elections displayed in a public place outside the Society's premises, he will be guilty of drawing the fact of the Election to the attention of Members in a persistent way, and thus of breaching Rule 33(a)(i)(2).

Ashley Paver, Collegium Sancti Hugonis, 4th November 1998.

12: Deputy Returning Officer Selection

If there are more applicants than are permitted under the Rules to serve as DROs, the President, Returning Officer and Chairman of Consultative Committee are obliged to present to Standing Committee a list of the 12 applicants they consider most experienced and capable, for Standing Committee to ratify. The Committee may amend the proposed list, before ratifying it, if it considers the criteria of experience and capability to have been misapplied in drawing up the list, and may then prefer Members who applied but were not included on the proposed list over some of those who were on the proposed list...Standing Committee is obliged to appoint the 12 most experienced and capable members of those who applied validly, unless it considers fewer than 12 of them to be suitable under Rule 32(a)(iii). Suitability in this Rule is to be construed to mean capability to perform any of the duties of a DRO. That is, provided that a Member is capable of fulfilling any one such duty, he is not to be considered an unsuitable applicant under this Rule. Only if an applicant is totally incapable of fulfilling any duty at all, may Standing Committee consider his application not suitable. Absence from Oxford during part of the election period may be considered in assessing competence, but only complete absence during that period could render an applicant unsuitable, since the Returning Officer is entitled to allocate duties between his Deputies in accordance with their respective availability. Therefore, only if there are fewer than 12 valid applicants who are at all capable, may Standing Committee decline to appoint some of those who applied and suggest further names *ad numerum supplendum*.

Ashley Paver, Collegium Sancti Hugonis 26th January 1999.

13: Ordinary Private Business Meeting Reports

It shall be electoral malpractice under Rule 33(a)(i)(8), (11) and (16) to interfere with, deface, or remove an Ordinary Private Business Meeting report that is posted on the notice board, without the express permission of the Returning Officer.

Sheridan Westlake, Brasenose and St Cross, 19th February 1999.

14: The Conclave

Rule 32(b) (“The Conclave”) does not preclude or prohibit the admission of observers into the meeting of Deputy Returning Officers to elect the Returning Officer. Correspondingly, observers shall be allowed. Notwithstanding, in line with other elections in the Society, the election of the Returning Officer shall be by secret ballot.

Sheridan Westlake, Brasenose and St Cross, 18th April 1999.

15: Use of the Phrase “Vice President”

No candidate in the Society’s elections may use the term “Vice-President” when actually referring to the Office of Librarian in any manifesto, manifesto booklet entry, hustings speech, or any other publicity connected with the election; nor may it be used in reports issued for Private Business Meetings.

John Everett, Collegium Sancti Ioannis Baptistae, 25th October 1999.

16: Candidates’ Names

With respect to Rule 35(a), the candidate must include at least his surname and one of his first names in the name supplied. The Returning Officer may refuse to accept any name given by a candidate which he believes may confuse other members, whether or not this is deliberate.

John Everett, Collegium Sancti Ioannis Baptistae, 25th October 1999.

17: Counting Regulations

With regard to Standing Order D6 (“Counting Regulations”), the value of ballot papers will at all times be expressed to three decimal places.

John Everett, Collegium Sancti Ioannis Baptistae, 25th October 1999.

18: Election Publicity

Rule 54(c)(ii) clearly prevents discussion of the Election by Members in the Press unless approved by the President and Returning Officer. However, Rule 32(e)(i) states that “the Returning Officer shall conduct the Elections of Officers and Committees of the Society as provided in Rules 33-38 and Chapter D of the Standing Orders”. Rule 34(d) further states that “the Returning Officer shall be responsible for adequate publicity for the Poll in accordance with the Standing Orders”, and this is further clarified in Standing Order D4. Nothing in Rule 54(c)(ii) can therefore be construed as requiring the President to approve publicity for the Poll in the form of manifesto booklets, posters, newspaper advertisements, and other appropriate publicity material.

Robert Dougans, Oriel and Brookes, 20th November 1999.

19: Appellate Board Composition

For the purposes of Rule 33(d)(v) (Composition of the Appellate Board), “members of any convocation” shall include those with MAs, MA status, or who are entitled to supplicate for an MA.

Daniel Johnson, Corpus Christi, 7th December 2000.

20: E-mailing of Manifestos

Rule 35(b)(viii) shall not include the use of the Society’s network provision when it is accessed using a computer that is not the property of the Society. Similarly, the use of a Union e-mail address shall not constitute use of the Society’s computers, unless the mail is altered or printed using a computer belonging to the Society.

Daniel Johnson, Corpus Christi, 19th November 2001.

21: Election of the Returning Officer

In the event of a tie for the election of a new Returning Officer, the election shall be determined by lot, and organised by the out-going Returning Officer.

Daniel Johnson, Corpus Christi, 29th January 2002.

22: Use of Inappropriate Language in a Manifesto

Rule 35(b)(xiii) implicitly prohibits the use of any swear word or slang of a sexual or scatological nature. This prohibition extends to and encompasses the documentation of actual events within manifestos. A candidate wishing to document an event which entails the use of such language – and only in the report of an event when such language was used in or on an official publication – may use an “*” in place of every letter, saving the first and the last.

Alexandra da Costa, St Hilda's, 22nd February 2002.

23: Conclave Attendance

Conclave must occur during the hours when the Society's buildings are usually open. Should the buildings be closed during those hours for social reasons, observers shall be admitted to the buildings, provided they alert the Returning Officer and Secretary to their desire to attend and providing they leave after Conclave business is concluded, and not attempt to use said Conclave as mean of entry to a social event.

Alexandra da Costa, St Hilda's, 4th May 2002.

24: Withdrawal from the Election for Chairman of Consultative Committee

A candidate for the post of Chairman of Consultative Committee may withdraw his nomination at any stage prior to the commencement of the Consultative Committee ballot. This shall not be taken to release any other candidate from his traditional obligation to hust, but shall not require any ballot if only one candidate remains.

Matthew Taylor, St Benet's Hall, 2nd December 2002.

25: Nomination Folder

The Nomination folder is available to members for the purposes of confirming that a nomination is valid, and for no other purpose. On no account shall any member be permitted to extract personal information from that file, including, but not limited to, telephone numbers and addresses.

Matthew Taylor, St Benet's Hall 2nd December 2002.

26: Publishing to the Websites

Where the Rules state that any individual must publish material to the Society's website, he shall be taken to have discharged his responsibilities when he passes to the Webmaster either electronic or hard copy of the material with a request that it be placed on the Society's website.

Matthew Taylor, St Benet's Hall, 7th December 2002.

27: Notification of Fines

For the purposes of Rule 6(b)(i), “written notice” shall constitute any notice delivered to the member in question in accordance with Rule 67(j)(ii) which brings the fact of the fine to the attention of the member.

Peter Orlov, New College, 28th January 2003.

28: Eligibility to Stand as Chairman of the Consultative Committee

Rule 11(a) states that, “only Life Members may be candidates in the Society's elections.” However, Rule 36(d)(i) states that “Any member, who has attended four of the last eight meetings of the Consultative Committee... may stand for the post of Chairman of Consultative Committee...”, and Rule 26(a) states that, “The [Consultative] Committee shall consist of all members of the Society”. Hence: all members, including temporary and long-term members, are members of the Consultative Committee, and all members of the Consultative Committee (except members of Standing Committee and Secretary's Committee) are eligible to stand for the post of Chairman of Consultative Committee. Rule 11(a) refers to the Society's main elections, i.e. non-Life Members are ineligible to stand for any Office, or to serve on Standing or Secretary's Committee. However, nothing in Rule 11(a) can be used to prevent a non-Life Member from nominating for Chairman of Consultative Committee.

Alexander Young, Oriel, 16th March 2004.

29: Speeches that may not Count as Electoral Qualification Speeches

Neither speeches on Private Business matters made at Public Business Meetings, nor points of order nor points of information, nor speeches made debating any procedural motion brought, during an informal debate, emergency debate or Public Business Meeting, may count towards electoral qualification under Rule 34(c)(viii).

Alexander Young, Oriel, 16th March 2004.

30: Regarding Rule 33(a)(i)(21)

1. Rule 34(c)(viii) requires that any member wishing to be a candidate in the society's elections has made, by the time of nomination, **two** speeches in the case of nomination the Secretary's Committee, or **four** speeches in the case of nomination for the Standing Committee or an Officership. Hence, the theoretical maximum number of speeches that a member could be expected to make in any one term, in order to nominate himself in the Society's elections, is four.

2. Under the requirements of 34(c)(viii)(3), the final window of opportunity for any member to make sufficient speeches to nominate themselves for election, is therefore EITHER the last four Public Business Meetings prior to Close of Nominations, OR the last four Emergency Debates prior to Close of Nominations, OR the last four Informal Debates prior to Close of Nominations, OR a combination of the above.

3. With specific regard to Rule 33(a)(i)(21), the phrase "hindering the candidature of a Member" may be taken to refer:

(1) EITHER to preventing any Member, by any means prohibited under 33(a)(i)(21), from *becoming* a candidate;

(2) OR to hindering any Member, by any means prohibited under 33(a)(i)(21), from promoting his candidature (within the parameters permitted by these Rules) once it is declared.

4. Hence: obstructing fair and proper debate in the House by any means specified within 33(a)(i)(21), and as such obstructing opportunities to make speeches for the purposes of 34(c)(viii), is Electoral Malpractice if such obstruction occurs within any of:

EITHER the last four Emergency Debates before Close of Nominations, OR the last four Public Business Meetings prior to the Close of Nominations, OR the last four Informal Debates prior to the Close of Nominations.

Any change to the number of speeches required shall not affect the principle of this interpretation: if the Rules are changed to require 5 speeches, for example, then 33(a)(i)(21) shall apply to the last five sequences of opportunities to speak before Close of Nominations, and so on.

5. Under Rule 33(a)(i)(21), what constitutes "misuse or abuse" of the rules or forms of the house or of procedural motions, or other behaviour described therein such as biases, shall be at the interpretation of the rational opinion of the Returning Officer whether he be in the Chair or not, as per Rule 67(e)(i)(6) and Rule 32(e), specifically Rule 32(e)(i), pursuant to his duty to "attempt to ensure that no breach of Rule 33 occurs".

6. Behaviour constituting "misuse or abuse" shall be decided on a case-by-case basis, but the following principles and definitions shall be universally applied.

- (1) 33(a)(i)(21) clearly implies a distinction between "misuse" and "abuse".
- (2) 33(a)(i)(21) clearly implies that the only procedural motion whose legitimacy is beyond question, is 46(e); therefore it is also implied that the employment of all other procedural motions may be regarded with suspicion.
- (3) "Misuse" should therefore be taken to mean employing a procedure in a technically *correct* sense, but for an ulterior purpose. For example, any Member may move "that the question be now put," but if there are reasonable grounds for suspecting that his action is electorally motivated, in that termination of the debate would deny a Member or Members the chance to qualify, this constitutes "misuse".
- (4) "Abuse" should be taken to mean employing a procedure in a technically *incorrect* sense. For example, attempting to bring forward an adjournment motion under 41(d), ten minutes after a previous adjournment motion brought under 41(d), would be an abuse because 41(d) requires half-hourly intervals.
- (5) Grounds for 'reasonable suspicion' about procedure brought before the house, (particularly in after-debates) may include, but is not limited to: an unusually high number of Members in the chamber, or Members being ushered into the chamber / marshalled by agitators; facetious or unconvincing reasons being given by the Member moving a procedural motion for the reason of its moving.
- (6) The purpose of this interpretation is to check what has sadly become an increasingly common practice, of a faction or factions 'packing' the chamber with their supporters and using their majority to railroad through suspensions or terminations of debates, with the purpose of preventing Members making sufficient speeches to nominate themselves for election.

7. Per 67(e)(i), any ruling of the Returning Officer, on a case by case basis, of what constitutes breaches of 33(a)(i)(21) "shall be binding in the instant case" and act as "authoritative precedents for Members, or Bodies, with powers of interpretation of junior or of equal status".

8. If a ruling of the Returning Officer in this regard alters the outcome of the Society's Main Elections it may be challenged by 33(b)(ix)(2).

Alexander Young, Oriel, 19th May 2005.

31: Regarding Rule 35(b)(viii)

Rule 35(b)(vii) states “Candidates may then re-register objections to manifesto claims they still believe to be misleading by 5pm...”

1. This clearly implies a distinction from Rule 35(b)(vi), which declares “any Member” shall be able to object to manifestos in the first instance. The second round of objections specified by Rule 35(b)(vii) shall not be available to “any Member”, but only to “Candidates”. In order to verify that objections submitted under this clause are submitted by Candidates, no objection made under this rule shall be valid if it is anonymously submitted.

2. Rule 35(b)(vii) states that objections may be made to claims that are “misleading” and omits to mention objections to claims that are “false”. The Returning Officer has a short period of time in which to produce the manifesto booklet, and whilst he has ensured “to the best of his ability that all claims made in manifestos are true” [Rule 35(b)(xix)(4)], this is not a failsafe. It may be reasonably supposed, given that Rule 33(a)(i)(20) allows complaints against deliberate falsehoods to be submitted to Election Tribunals, that the manifestos amended per Rule 35(b)(vi) may still contain false statements. Therefore, objections that such manifestos contain false statements, as well as misleading statements, may be submitted according to the fifth sentence of Rule 35(b)(vii).

Alexander Young, Oriel, 7th June 2005.

32: Regarding Rule 33(d)(iii)

Where the Election Tribunal has failed to report in full to the Returning Officer within one hundred and eighty eight hours of the Close of Poll as required under Rule 33(c)(ix), the period in which leave to appeal may be requested from the Senior Officers under Rule 33(d)(iii) shall begin at one hundred and eighty eight hours after the Close of Poll in the Society’s main elections for that term, and shall end forty eight hours after the eventual publication of such a report.

Andrew Grey, Collegium Sancti Petri le Bailey, 18th June 2005.

33: Appointment of Deputy Returning Officers *Ad Numerum Supplendum*

Rule 32(a)(iii) states that Standing Committee may amend the shortlist of Deputy Returning Officers in accordance with the criteria laid out in Rule 32(a)(i), if in doing so, they decide to remove any applicant from the shortlist, then they shall look in the first instance to any original applicant who did not make it onto the first shortlist due to their having had insufficient experience in the original pool of applicants. These applicants shall be considered in their order of precedence, subject to the criteria laid out in Standing Order D12. Only if an applicant is objected to by a vote of Standing Committee shall the next most junior applicant be considered.

Standing Committee is only obliged to replace any applicant if the number on the shortlist should fall below eight, although they may replace as many applicants as they should wish, subject to the number on the final shortlist not exceeding twelve. As such, the reference to appointments of Deputy Returning Officers as *numerus supplendum* shall only apply when the original pool of applicants has been entirely exhausted and there are still fewer than twelve suitable applicants.

Joanna Lee Morrison, Christ Church, 31st January 2006.

34: Appointment of Deputy Returning Officers under Rule 32(c)

In the event of the number of Deputy Returning Officers falling below eight at any time other than during the original meeting of Standing Committee in which they are appointed, as laid out in Rule 32(a)(i), then the Returning Officer shall look in the first instance to any original applicants who were not appointed, in their order of precedence, as laid out in Standing Order D12. Only after all these applicants have been given first refusal shall any other members be considered. Original applicants who were removed from the shortlist by the Standing Committee, or who were removed from the shortlist after the *in camera* meeting of the President, Returning Officer and Chairman of the Consultative Committee, shall not be eligible for appointment under this Rule. No member shall be appointed as a Deputy Returning Officer in this way unless all original applicants not otherwise exempted have refused to serve.

Joanna Lee Morrison, Christ Church, 31st January 2006.

35: Regarding Rule 32(k), Returning Officer’s Assistants

A Returning officer’s Assistant has a term of office equivalent to that of a Deputy Returning Officer, as laid out in Rule 32, extending from their appointment by the Returning Officer, until the appointment of new Deputy Returning Officers as per Rule 32(a)(i), unless the ROA should be objected to according to the provisions of Rule 32(k).

Jo Joyce, St Hilda’s College, 24th February 2006.

36: Regarding Rule 33(a)(i)(11) and Rule 23(h)

The first sentence of Rule 23(h) is a “Rule... regarding the conduct of the election”. As such, any failure to fulfil the requirements of this first sentence on the part of any candidate in the Society’s main elections will be a breach of a rule regarding the conduct of the election and could, therefore, constitute electoral malpractice under Rule 33(a)(i)(11).

Jo Joyce, St Hilda’s College, 25th February 2006.

Rules of the Oxford Union Society, Michaelmas Term 2011. Updated 1st December 2011.

37: Changes in Senior Disciplinary Committee composition

The clause of Rule 71(h) referring to situations in which the Returning Officer is “unable to find sufficient members of the Shortlist who are willing and able to serve” shall also be considered to apply to those situations in which the Returning Officer is informed by members of a validly-constituted Senior Disciplinary Committee that they are no longer able to serve. So long as all members of the committee as originally constituted approve the measure, the places of those no longer able to serve shall be taken by persons on the new shortlist. The committee shall in all respects – save its membership – be considered the same as that originally summoned in accordance with Rule 71(e)(i).

Francis Murphy, Trinity College, 19th June 2006.

38. The System of “Random Selection” of Rule 32

The system of “random selection” of applications for Deputy Returning Officer positions shall consist in the following, to take place in the presence of the Returning Officer and at least one of his Deputies at a meeting of Consultative Committee: after having been publicly written on separate pieces of paper of similar size, the names of those eligible shall be placed into a hat or similar receptacle (to be determined by the Returning Officer), shaken, and then removed – by the Returning Officer or one of his Deputies – until all available positions have been filled.

Francis Murphy, Trinity College, 11th October 2006.

39. Regarding Rule 32(a)(v)-

The Rule requires the President pass on objections to Deputy Returning Officers within 96 hours of the notification of their ratification by standing committee, and then allows Deputy Returning Officers to respond to the objections within 144 hours of said notification. The primary principle involved is thus that each stage is given 48 hours, and this is especially important in the case of responses to objections. Thus, in the event of the President failing to meet the initial deadline, Deputy Returning Officers should be given 48 hours from the time of receipt of objections to present their response, in order that they are not penalised by the President’s error.

Adam Marsh, Trinity College, 29th January 2007.

40. Regarding Rule 32(a)(vi)(1)-

The Rule requires that the scrutiny committee consider objections and rebuttals made against and by Deputy Returning Officers. Thus, the only material eligible for discussion shall be the objections, as they are provided to the Deputy Returning Officer in question, and the rebuttals made to these objections. The introduction of any new material which has not been provided as an objection, within time limits, and then passed on to a Deputy Returning Officer to allow right of reply, should thus be considered a breach of Rule 71(a)(i)(2).

Adam Marsh, Trinity College, 29th January 2007.

41. An Interpretation of the Returning Officer regarding Rule 33(c)(vii):

In the event of no nominations being received for a junior officership, no election shall be deemed to have taken place. The Returning Officer shall consider such a state of affairs in the same way as if an annulment of the election had taken place and shall organise a repoll as per the provisions of Rule 33(c)(vii). The Returning Officer shall carry out the function of a Tribunal Panel in laying down the conditions for such a repoll.

Alexander Priest, Coll. San. Ioannis Baptistae, 18th January 2008

42. Regarding Rule 32(a)(v)(1), rebuttal of Corporate Objections to Deputy Returning Officers

If an objection is made under 32(a)(v)(1), then a record of the substance of that objection shall be sent to the individual objected against, by the President, as per 32(a)(v)(5), so that the individual might have a right of reply.

Daniel Johnson, Corpus Christi, 29th April 2008

43. Regarding the Admissibility of Complaints of Electoral Malpractice

For the purposes of Rule 33(b)(ii) the submission of a complaint by email to ro@oxford-union.org shall constitute “bringing an allegation before the Returning Officer”.

Oliver Linch, Coll. Lincolnense, 30th November 2008

44. Regarding Rule 71(c), Chairman of the IDC

The Chairman of an Intermediate Disciplinary Committee shall always be the most senior ex-Returning Officer sitting under category B, by earliest date of election.

Niall Gallagher, Coll. Vigornense, 13th May 2009

45. Regarding Rule 71(c), Composition of Category B

An ex-Returning Officer who is also serving as Returning Officer shall not be eligible to sit on an Intermediate Disciplinary Committee as an ex-Returning Officer.

Niall Gallagher, Coll. Vigornense, 13th May 2009

46. Regarding Rule 35(b)(xii), usage of the word 'Independent'

Rule 35(b)(xii) shall not be taken as preventing any candidate from describing himself as 'independent' on his manifesto. Such a description shall only be struck if it is in breach of Rule 35(b)(xiii) taken in conjunction with Rule 35(b)(xiv).

Ronald Collinson, Balliol College, 1st June 2009

47. Regarding Rule 47(h), Scope of Requirement

The requirement under Rule 47(h) to seek the 'prior written consent' of a Senior Officer or the Standing Committee before a motion with 'financial implications' may be 'put' shall not prevent any member from giving notice of any proposed motion, nor shall it prevent any motion being discussed in the House; it shall only prevent the House from voting upon such a motion until the Chair has been made aware that written consent has been attained.

Ronald Collinson, Balliol College, 1st June 2009 (counter-signed Corey Dixon, Oriel, President)

48. Regarding Rule 47(h), Definition of 'Written Consent'

For the purposes of Rule 47(h), the appearance in the Public Minutes of any Motion of Standing Committee that expresses approval of the Private Business Motion, or will otherwise lead to its being put, shall amount to the 'written consent' of Standing Committee.

Ronald Collinson, Balliol College, 1st June 2009 (counter-signed Corey Dixon, Oriel, President)

49. Regarding Rule 67(b)(iv), Scope of 'Not More Than Fourteen Days'

The words 'postponed to such a Public Business Meeting... not more than fourteen days after the day specified in the original notice' in Rule 67(b)(iv) shall not be taken as preventing discussion of the motion at Public Business Meetings taking place outside this period, provided:

1. That the motion is in fact introduced at the Public Business Meeting specified in the notice to the colleges, halls and the press;
2. That the Meeting so advertised does fall within the prescribed time-limit; and
3. That all other requirements of this rule are met.

Ronald Collinson, Balliol College, 1st June 2009 (counter-signed Corey Dixon, Oriel, President)

50. Regarding Rule 38(a)(i): Resignation of the Returning Officer and his Deputies

There being no mechanism in the Rules for the resignation of the Returning Officer or his Deputies, for the purposes of Rule 38(a)(i) the following procedure shall act as the authoritative precedent:

"A Deputy Returning Officer may resign by writing to the Returning Officer; the Returning Officer may resign by writing to the President. Additionally, the Returning Officer may state in his letter of resignation that he does not wish to become a Deputy Returning Officer on his resignation, in which case the relevant section of Rule 32(d)(i) shall not apply."

Andrew Mason, Coll. Magnae Aulæ Universitatis, 26th October 2009

51. Regarding Rule 32(k): Appointment of Returning Officer's Assistants

For the sake of clarity, the relevant section of Rule 32(k) shall be read in accordance with the following:

"The Returning Officer must post on the notice board the names of any Members he has appointed as Returning Officer's Assistants immediately after they are appointed, with 4:00pm on the day of the Poll being the last deadline for appointing Members as such."

Andrew Mason, Coll. Magnae Aulæ Universitatis, 27th November 2009

52. Regarding Rules 33(a)(i)(23) and 35(i)(v): Announcing the Results of the Poll

For the purpose of Rule 33(a)(i)(23), 'the Count' shall be deemed to have concluded once the Returning Officer has announced the results of the Poll in the Bar, as per Rule 35(i)(v). Consequently, Rule 33(a)(i)(23) prevents any individual (including the Returning Officer) from disclosing any or all of the results of the Poll before the end of the aforementioned announcement, unless they be otherwise permitted by the Rules or Standing Orders.

Andrew Mason, Coll. Magnae Aulæ Universitatis, 5th February 2010

53. Regarding Rule 71(a)(vi): Allegations Against Officeholders

Any allegation made against any officeholder listed under Rule 71(a)(vi) must be declared invalid by the Returning Officer if it fails to detail its own compatibility with this Rule in full.

Anne Ross, Coll. Magnae Aulæ Universitatis, 14th February 2010

54. Interpretation regarding Rule 35 and the striking of phrases.

With reference to 35 (b) (v) (4), interpretations of whether part of a candidate's submitted manifesto qualify as experience or capability (under 35 (b) (v) (1)) shall be at the absolute discretion of the sitting Returning Officer. If he is not so convinced, he shall offer such amendments as he deems appropriate, and if still no resolution can be found, it is his duty to strike the offending clause or clauses, phrase or phrases. If such a striking causes the candidate to fall below the required balance of capability and experience to other contents (affectionately known as 'waffle'), then the Returning officer shall be obliged to strike further parts of the candidate's manifesto until he reach such a point that he is satisfied of both the truth and balance of its composition.

David Blagbrough, Collegium de Somerville, 5th June

55. Regarding Rule 32(a)(vii)(1): Seniority of Deputy Returning Officers

Any term in which a DRO resigns before the Scrutiny Committee meets shall not be counted under Rule 32(a)(vii)(1).

Katherine Sidders, Trinity College, 15th May 2011

56. Regarding Rules 71(d)(iv)(1) and 71(d)(ii): Referral of an IDC to SDC

The process described in Rule 71(d)(iv)(1) by which an Intermediate Disciplinary Committee can be referred to a Senior Disciplinary Committee applies only when the process described in Rule 71(d)(ii), specifically the referral of the complaint by the mutual agreement of the complainant and defendant, has not taken place. Referral by mutual agreement under Rule 71(d)(ii) may happen without the need to convene an IDC panel.

Katherine Sidders, Trinity College, 18th May 2011

57. Regarding Rule 71(i)(iii)(2): Potentially defamatory claims

(a) A "claim" can be made verbally or in writing. It bears the meaning "an assertion of something as a fact". A statement of opinion is not a claim, although a statement that someone else holds an opinion is, as that is a matter of fact.

(b) The phrase "potentially defamatory" refers to claims that, if false, a reasonable person would consider to wrongfully damage the reputation of someone.

(c) The phrase "before the end of the disciplinary process" means "while there is still any opportunity for any member to appeal the result of the disciplinary process". It is included to clarify that the right of rebuttal applies not only once the disciplinary process is ended but also before then, and to clarify that the right of rebuttal applies to claims made within the disciplinary process. It shall not be read to restrict the right of rebuttal in any way.

(d) The term "rebutting" refers to any activity that responds directly to a potentially defamatory claim. Note that this requires the response to address only the truth of what is claimed to be fact. The response may not refer to the motivations behind the claim or anything else other than the factual truth of the claim. A response that goes beyond addressing the factual truth of a claim is not a "rebuttal" and so is not protected under this Rule.

Jonathan Edwards, Balliol College, 7th June 2011

58. Regarding Rule 28(b) and Standing Order B13: Secretary of Debate Selection Committee

Rule 28(b) defines who shall be the "Secretary to the Debate Selection Committee" for the purposes of Rule 23, and accordingly for the purposes of Standing Order B3. However, paragraph 6(a) of Standing Order B13 creates a separate office within the DSC, also called "Secretary", the duties of which are defined later in that Standing Order.

The first of these two offices is, in accordance with Rule 28(b), always held by the Standing Committee's nonvoting delegate to the DSC; by contrast, the second of these two offices is, in accordance with paragraph 6(a) of Standing Order B13, always held by one of the eight members of DSC. As such, logically, these two different offices of "Secretary" cannot be held by the same person at any one time.

Jonathan Edwards, Balliol College, 13th June 2011

59. Regarding Rule 71(d)(i): Intermediate Disciplinary Committee

It is possible for such an agreement to be effective only if it is reached before the Intermediate Disciplinary Committee has actually begun the hearing. The precise moment that a hearing begins for the purpose of this Rule shall be when the panel determine that the Disciplinary Committee has been validly constituted, which may be no earlier than the time that the Returning Officer has decided under 71(d)(iii) that the Committee shall meet.

60. Regarding Rule 71(m): Vacation Disciplinaries

Where either the Senior Officers or the Returning Officer have consented to a request under Rule 71(m) to delay the relevant disciplinary proceedings until term-time such consent may not be withdrawn unless with the consent of the member(s) subject to the material complaint. For the purposes of Rule 71(m) the member(s), “who is subject to a complaint”, shall be taken to mean the member(s) against whom the *material complaint has been brought*.

David Blagbrough, Collegium de Somerville, 30th June 2011 (as Acting Returning Officer)

61. Regarding Rule 5: Membership Cards

In line with the provisions of Rules 5(b)(ii) and (iii) as well as Interpretation 17 of the Senior Disciplinary Committee, membership cards confiscated by members of staff, the Returning Officer, or members of Standing Committee for a perceived violation of the provisions of Rule 71(i) must be returned to the relevant member within five working days *unless* formal disciplinary procedures have been initiated. Should formal disciplinary procedures have been initiated, said membership card may be held until the conclusion of disciplinary proceedings, including the process of appeals.

Yotam Levy, St Cross College, 11th March 2012

62. Regarding Rule 71(a)(i)(4): Theft or Deliberate Damage to the Society's Property

For the purposes of Rule 71(a)(i)(4) "Theft of or deliberate damage to the Society's property, except offences for which remedies are provided in the Library regulations" shall be taken to include cases of *attempted* theft or deliberate damage to the Society's property.

Yotam Levy, St Cross College, 11th March 2012

B: Interpretations of the President or Chair

The following interpretations of the Rules and Standing Orders have been issued by Presidents, or those with the same powers, in accordance with Rule 67(e)(i)(10). They shall act as binding authoritative precedents to the extent set out in the Rules.

1: Regarding Rule 23(g)(iii)(2), Negotiation of Sensitive Financial Contracts

This rule permits Committees, excluding Consultative Committee, to go *in camera* whilst directly discussing ‘the actual negotiation of sensitive financial contracts with an external organization but not other financial matters’.

This rule may refer to both:

- 1) The negotiation of a sensitive financial contract with an external organization which is present in the committee meeting, *and*
- 2) The ongoing negotiation of a sensitive financial contract, whether it be the initial agreement or a subsequent amendment, which concerns an external organization that may not necessarily be present in the committee meeting.

Tim Buckley, CCC, Lady Margaret Hall, 25th February 2002 [Interpretation requested when chairing Consultative Committee, with the President present, under Rule 67(e)(i)(9)]

2: Regarding Rule 6(d)(i), Provisional Payment of Fines

When the rule states “provisional payment shall only be required if the total sum of fines incurred by that member be less than £100”, the £100 refers to the initial fine or fines and not any subsequently escalated fine.

Charlotte Keenan, President, Trinity College, 25th February 2002

3: Regarding Rule 43(e)(ii)(2), Procedural Motion

This procedural motion is to be used with exclusive reference to Rule 41(d). It does not allow for adjournment of Private Business meetings unless they break the time limits specified under Rule 41(d). This procedural motion cannot be used to adjourn Public Business, an Informal Debate or any other meeting of the Society not specified under Rule 41(d).

Georgina Costa, President, Christ Church, 12th June 2004.

4: Regarding Rule 45(h), Special Adjournment Motions

Where the Rule 45(h) states “Any decision made by any Committee except under Rules 4, 7, 32, 62 and 67(b), where alternative methods of appeal are applicable or under Rules 32(h) or 52, may be reversed by the House by means of a Special Adjournment Motion”, it shall be taken to mean that:

Any decision made by any Committee except those in situations where alternative methods of appeal are applicable under Rules 4, 7, 32, 62 and 66(b) and except in Rules 32(h) or 52, may be reversed by means of a Special Adjournment Motion.

That is, there is no appeal via Special Adjournment Motion in any case under Rules 32(h) or 52; and there is appeal via Special Adjournment Motion under Rules 4, 7, 32, 62 and 67(b) unless an alternative method of appeal is outlined in the rule. Obviously, a Special Adjournment Motion is a valid method of appeal in all other Committee decisions.

Richard Tydeman, President, Christ Church, 2nd May 2005.

5: Regarding Standing Order B6(c)(ii), Standing Committee Agenda

Where the clause reads “No matter not specified... shall be discussed if two members of the Committee, being present at the time, object”, it shall be taken to mean that members of the Committee may object at the time that the matter is raised but not during or after the discussion nor once a motion has been passed on it. Committee members not present at the time the matter is raised may not object with retrospective effect.

Richard Tydeman, President, Christ Church, 9th May 2005.

6: Regarding Rule 40(b), Full Evening Dress

For the purposes of Rule 40(b) “full evening dress” shall constitute the following:

Gentlemen: A black tail coat, black-tie or white-tie trousers, highly-polished black shoes, a white cotton Marcella shirt with wing collar, a white bow-tie (self-tied), and a white low-cut cotton Marcella waistcoat. Shirt studs, which must be worn, should be silver or white. White gloves are optional.

Scottish Officers may wear Scottish Highland Dress, consisting of a black jacket (Prince Charlie, Montrose, Sheriffmuir, or Argyll), a black waistcoat, a kilt, a white shirt, a black bow-tie (self-tied), black brogues, a kilt hose, flashes and a sporran. Gloves should not be worn in this case.

Ladies: Ladies shall wear a long evening gown reaching to the ankles. If the gown does not cover the shoulders, a wrap or shawl should also be worn. Long gloves should be worn at Public Business.

Generally: Irrespective of gender, Officers who are members of the Armed Forces shall be entitled to wear full mess dress, and Officers in Holy Orders shall be entitled to wear full Clerical dress.

Officers who are citizens or subjects of nations with a distinctive national formal dress may wear it, providing that it would be acceptable as a white-tie equivalent at a national British formal occasion.

Officers who fail to comply with Rule 40(b) and binding interpretations made under Rule 67(e)(i) shall be considered in dereliction of duty.

Alexander Priest, Acting as President, Coll. San. Ioannis Baptistae, 26th December 2007 (having been devolved the powers of the President under Rule 13(b)(ii))

7: Regarding Rule 30(c)(i)(3), The House Manager

If, for whatever reason, there is no staff member with the formal title “House Manager”, the President shall designate a Member, or member of staff (including temporary staff) the “House Manager for the purposes of Rule 30(c)(i)(3)”. The designated person shall have the powers, duties, responsibilities and capacity of the House Manager for the purposes of this Rule.

James Dray, President, Mansfield College, 2nd November 2009

8: Regarding Standing Order A12

Whenever IVs occur outside of term time, members may claim travel expenses to and from their place of abode, provided that such place of abode is in the United Kingdom and is registered as their place of abode with the Union.

James Dray, President, Mansfield College, 3rd December 2009

9: Regarding Standing Order B14(4)(b)

Standing Order B13(4)(b) only applies in the case that there are more applicants than places at a given competition, and it applies both to judging and speaking. In a situation where a speaker or judge is selected before they have attended six IVs purely because there were insufficient applicants this will still count towards their limit of six competitions. As such a speaker or judge may attend more than 6 competitions, but only if there are insufficient applicants in the IV that they are applying for once they have already attended six IVs.

James Dray, President, Mansfield College, 3rd December 2009

10: Regarding Rule 29(c)

The requirement that the Charitable Endowments Committee be summoned once every quarter shall necessitate one such meeting to be called and thereafter to meet by the sitting President each term, and an additional meeting to be called by the Sitting President during the long vacation.

Oliver Linch, Ex-CCC, Ex-RO, Lincoln College, 25th February 2010 (chairing Public Business)

12: Regarding Rule 26 (c)

There is no requirement that a College Secretary represents a College of which he is a Member. The word ‘their’ in Rule 26(c)(ii) refers to the College which the Member represents, not the College to which he or she belongs.

Ronald Collinson, Ex-Standing, Ex-CCC, Ex-RO, Balliol College, 4th March 2010 (chairing Public Business)

13: Regarding Rule 46(e), Counting Out

The Chair, Secretary and Tellers shall not count towards the number of Members present.

James Langman, President, University College, 8th March 2011

14. Regarding Standing Order B2, Committee Proceedings

All non confidential documents presented to any committee must be included in the minutes of that meeting in order for the minutes to be deemed in good order and the Secretary of that committee to have fulfilled their duty.

James Langman, President, University College, 8th March 2011

15. Regarding Standing Order B10(a), Limitations of the Vacation Standing Committee

The prohibition on altering or waiving any of the Standing Orders includes a prohibition on creating new Standing Orders as well.

James Langman, President, University College, 8th March 2011

16. Regarding Rule 68(b), Enactment, Repeal and Amendment of Standing Orders

“Present and voting” explicitly refers to only those expressing preference by voting either in favour or opposition of the motion. Members wishing to abstain do not count towards those voting.

James Langman, President, University College, 8th March 2011

17. Regarding Rule 23(a), Committees of the Society

Rule 23(a) provides an **exhaustive list** of all, “Committees of the Society”. Any other body which may exist under the Rules and Standing Orders, for whatever purpose and whether named a committee or not, which is not listed in Rule 23(a) or has not been appointed under Rule 30, cannot be considered to be a Committee of the Society and is not subject to the provisions of Rule 23 or Rule 67(i). This interpretation is supported by Rule 23(i).

Isabelle Westbury, President, Hertford College, 9th July 2011

18. Regarding Rule 3B(a), Residential Membership

For the purposes of Rule 3B(a), “benefiting the Society” may be taken by Standing Committee to refer to active attendance of the Society's debates.

Lauren Pringle, President, Wadham College, 10th March 2012

C: Interpretations of Senior Disciplinary Committees

The following interpretations of the Rules and Standing Orders have been issued by Special Disciplinary Committees in accordance with Rule 67(e)(i)(5). They shall act as binding authoritative precedents to the extent set out in the Rules.

1: Offences on the Society's Premises

Specifically with regards to Rule 70(a)(i), but also generally in relation to Society's rules, where a rule specifies that the acts of an offence must take place on the Society's premises, and that acts (such as causing offence or intimidation under Rule 70(a)(I)) is caused through the use of electronic communication such as e-mail) then the acts of the offence occurs not at the place of sending but at the place of receipt, therefore, if, for example, an e-mail designed to intimidate an Officer is sent to their official Union e-mail address, it constitutes on receipt the occurrence of that action on the Society's premises. Furthermore, with regards to the general application of this rule campaigning via e-mail (regardless of whether this is covered by a specific rule) would constitute the offence of "campaigning in a public place" by virtue of the same principal if sent from a "private place" to an official college e-mail address under Rule 33(a)(ii)(3).

Senior Disciplinary Committee, 17th June 2001.

2: Offences Against Staff

Offences, which would fall under Rule 70 if committed against a member, shall be considered an offence when committed against a member of staff. This is because they are directed at an agent of the President and as such are an offence against the President.

Senior Disciplinary Committee 17th June 2001.

3: Evidence Submitted under Rule 71

Unfortunately, there is no prescribed form for complaints under Rule 71, and no requirement for somebody complaining under Rule 71 to specify all of the evidence backing up the complaint. We accept that, during the course of the procedures of the more informal Standing Committee hearing, new points can be adduced by the prosecution, however, when before a Special Disciplinary Committee, no evidence not previously adduced in the complaint or in the Standing Committee hearing may be adduced by the prosecution in the course of that hearing.

Senior Disciplinary Committee 17th June 2001.

4: Regarding Rule 71(a)(i)(2), Positions of Trust

The second sentence: "For any individual holding a position of trust within the Society... within the main body of the Rules and Standing Orders (excluding Rule 62(a))" can be considered as a stand-alone form of misconduct in its own right and is not dependant on the concept of "abuse" of office in the first sentence.

Senior Disciplinary Committee, 21st October 2001.

5: Regarding Rule 71(k)

Rule 71(k) states that a complaint shall not be considered if it is not brought within the relevant time limit. Accordingly, before a disciplinary complaint brought under Rule 71 can be heard on the merits, the body hearing it must be satisfied that the complaint has been brought in time. If the complaint has not been brought in time then there is no jurisdiction under Rule 71 and the disciplinary body may not go on to hear and determine the substantive complaint.

Senior Disciplinary Committee, 18th March 2006

6: Regarding Rule 71(k)

The time at which an alleged abuse of office is 'discovered' is the time at which sufficient facts giving rise to the allegation of abuse of office are accessible to Members of the Society exercising the rights of a Member under the Rules.

Senior Disciplinary Committee, 18th March 2006

7: Regarding Rule 71(k)

The disciplinary process commences at the moment when the complaint is submitted to the Returning Officer or a Senior Officer (as the case may be) under Rule 71(a)(i).

Senior Disciplinary Committee, 18th March 2006

8: Regarding Rule 71(l)

Rule 71(l) should be interpreted as reading that any days in the vacation "shall count as *dies non*" rather than the literal wording of "shall not count as *dies non*".

Senior Disciplinary Committee, 9th October 2006

9: Regarding Rule 71(e)(vii), Initial Declarations and SDC Reports

A Disciplinary Committee shall publish its initial declaration within 72 hours of the close of proceedings. A more detailed report may subsequently be posted on the notice board, after the 72 hour period; the deadline for Notice of Appeal or Leave for Appeal shall commence when the final report is posted on the notice board.

Senior Disciplinary Committee, 9th October 2006

10: Regarding Rule 71(a)(9)

Introducing, during disciplinary proceedings and with the intention that the necessity of making a formal complaint under Rule 71 may therefore be avoided, matters of no or questionable relevance to the substantive complaint(s) being considered, amounts to misusing Rule 71 to procure objectives more properly attained by other means, and so to misconduct under Rule 71 (a)(i)(9).

Senior Disciplinary Committee, 27th November 2006

11: Regarding Subpoena (1)

Where a party to disciplinary proceedings requests that a Senior Disciplinary Committee exercise its powers to require the attendance of a Member, that request must include (i) the name(s) of the witness(es) to be subpoenaed; (ii) postal address details for each witness; and (iii) such other contact details for the witness(es) as are known to that party.

Senior Disciplinary Committee, 27th November 2006

12. Regarding Subpoena (2)

A Member may be required to appear before a Senior Disciplinary Committee by the service upon him of a notice requiring his attendance (“a Subpoena”).

A Subpoena must specify the time, date, and place at which the Committee will sit, and must be served on the member not less than 72 hours prior to the time specified in the notice.

A Subpoena may be served upon a Member:

- (i) in person; or
- (ii) by post to his last known address (including, where relevant, a college lodge); or
- (iii) by e-mail or fax transmission, provided that where a notice is served by email or fax transmission a further copy must be sent by post.

Service of a Subpoena shall be deemed to have occurred:

- (a) immediately, where a notice is served upon a member in person; or
- (b) twenty four hours after posting, where a notice is sent by first class post or deposited in the relevant college lodge; or
- (c) immediately upon completion of successful transmission by e-mail or fax, where a notice is sent by e-mail or fax transmission, transmission is successful and no failure notice is subsequently received, and a copy of the Subpoena is sent by first class post or deposited in the relevant college lodge at the time of transmission.

Subpoenas are issued by (or on behalf of a Senior Disciplinary Committee) and they can only be withdrawn by that Committee; notwithstanding the fact that a Subpoena was issued in response to a request from a party to the disciplinary proceedings, it is not open to that party to “withdraw” it.

A Member is liable to be fined by a Senior Disciplinary Committee for non-attendance where -

- (I) he has been served with a Subpoena (as set out above); and
- (II) he has failed to attend the hearing as required; and
- (III) he has provided no reason for his absence or his reason is not one of the reasons set out in Standing Order B4 (a) and the Committee does not accept that it is otherwise a valid reason for non-attendance; or
- (IV) the Committee has directed him to provide written evidence in lieu of his attendance, and he has failed to either provide such evidence or to provide it in the form directed .

Senior Disciplinary Committee, 27th November 2006

13: Regarding Rule 71(b)(ii)(2)

The reference in Rule 71 (b) (ii) (2) to “...one term...” is to a period of eight sequential weeks each of which falls during Full Term. Accordingly, where a member is sentenced during a given week in a Term to serve a suspension of one Term, his suspension shall expire during the corresponding week in the succeeding Term.

Senior Disciplinary Committee, 9th November 2006

14: Regarding Rule 60

Where a disciplinary complaint under Rule 71 substantively involves a “...staff dispute or matter of contention...” as set out in Rule 60, Rule 60 shall not prevent a Disciplinary Committee from hearing evidence or considering submissions in connection with such dispute or matter.

Senior Disciplinary Committee, 27th November 2006

15: Regarding Rule 71 (a) (i)

Behaviour classified as misconduct under Rule 71(a)(i) is misconduct notwithstanding the fact that it may be directed at non-Members or members of the Society's staff.

Senior Disciplinary Committee, 27th November 2006

16: Regarding the definition of "frivolous"

What approach should this Committee take in determining whether the Complaint is frivolous? Having considered the matter closely we are of the view that the correct question is whether no reasonable member of the Society would have considered the conduct which is the subject matter of the Complaint, on the basis of the facts as alleged in the Complaint, to be sufficiently serious to bring a Complaint under rule 71.

Senior Disciplinary Committee, 27th June 2006

17: Regarding Membership Cards

Membership cards confiscated under Rule 71(i) must be returned within 5 working days. [...] If it is found in future that Membership cards are being retained by members of staff without proper disciplinary processes being observed, we would consider that, once the President has been notified, failure to return or replace that card would be an abuse of office by the President under Rule 71(a)(i)(2).

Senior Disciplinary Committee, 1st December, 2007

18: Regarding Presidential Accountability

We direct that a failure on the part of the President to reply to communication addressed to him by mail to the Society's address or to his official email address may constitute dereliction of duty under Rule 71(a)(i)(12).

Senior Disciplinary Committee, 1st December, 2007

19: Regarding allegations amounting to criminal conduct

1. Where the Senior Disciplinary Procedure is invoked by virtue of the defendant falling in to one of the categories set out in Rule 71(d)(i), or by virtue of the Senior Officers and Returning Officer being unable to form an unanimous decision under Rule 71(d)(ii), and where either

(a) After it has been convened, but before it has conducted its first substantive hearing, the Senior Disciplinary Committee forms the unanimous view that all or part of the conduct alleged in the complaint is capable of making out a criminal offence, or

(b) Further information emerges during the course of the Senior Disciplinary Committee's investigations or hearings which leads it to form an unanimous view that all or part of the conduct which it is investigating is capable of making out a criminal offence, the Senior Disciplinary Committee shall act as follows:

(i) It shall immediately, *in camera*, make a finding setting out which conduct it considers may be capable of making out a criminal offence and inform the defendant and complainant of that finding.

(ii) It shall instruct the Returning Officer immediately to exercise his/her power to requisition an Emergency Meeting of the Standing Committee under Rule 23(d), directing that (s)he shall specify on the requisition only the matters set out in the finding under paragraph (i) above.

(iii) It shall forthwith adjourn its proceedings in respect of the matters set out in the finding under paragraph (i) until the Standing Committee shall have met and resolved whether it thinks that a prosecution in respect of them is appropriate.

2. The Senior Disciplinary Committee may proceed with its investigations in to matters referred to it in the complaint which do not form part of the conduct set out in the finding under paragraph 1(i) above before the Standing Committee has met if it determines that it is practical and in the interests of justice so to do.

3. The Standing Committee shall forthwith resolve whether or not a prosecution in respect of the matters remitted to it is appropriate, in which case the Senior Disciplinary Committee shall not proceed with the parts of the complaint which allege conduct specified in the finding under paragraph 1(i) above.

4. No action taken by the Senior Disciplinary Committee under this procedure shall be taken to imply the guilt or otherwise of any party to offences under the criminal law or the Rules of the Society.

Senior Disciplinary Committee, 13th November, 2008

20: Regarding the Waiving of Standing Orders

The Standing Orders are applied equally to all members of the Society, as provided for in Rule 68(a), unless the content of a specific Standing Order explicitly provides otherwise. It is therefore clear that they can only be applied unequally if that inequality of application is explicitly permitted by the Rules.

Rule 68(d) provides a means by which any provision of a Standing Order may be waived by the Standing Committee for “named persons” under “any condition[s] it think fit” (the words “during stated times” being exemplary of one of the conditions which it might think fit).

There is no other power to apply the Standing Orders to a different extent in respect of one Member or a subset of Members, and it therefore follows that no Member or Officer of the Society has the power to waive or partially to apply the Standing Orders without explicit authority from the Standing Committee given in accordance with the requirements of Rule 68(d). That power can only be granted in explicit terms, and must be specific to the individual circumstances, Members or times to or during which the waiver is to apply.

Senior Disciplinary Committee, 13th November, 2008

21: Regarding Standing Order E4

The Rules and Standing Orders of the Society envisage two classes of room hire: “commercial” and “non-commercial”. They are defined as follows.

(1) Any hiring in which the contract is formed between the hirer and the Society without the formation of the contract being solicited on behalf of the hirer by a Member of the Society shall be considered to be a commercial hiring. An Officer of the Society or an Elected Member of Standing Committee acting purely in the discharge of their office shall not, for the purpose of this clause, be considered to have solicited the formation of the contract.

(2) Where a Member facilitates the hiring on behalf of a third party or an organisation (“the hiring organisation”) it shall be regarded as a commercial hiring if any of the following conditions is met in respect of the meeting, party or gathering to be held as a result of the hiring:

- (a) A fee is charged for admission, whether or not that fee is paid or charged at the point of entry, whether or not that fee is paid in monies or in kind, and whether that fee is paid to the hirer or to another;
- (b) Admission would be open to the public, or to all Members of the Society who would otherwise be entitled to enter the room hired at the time of the hiring had it not been so hired;
- (c) Admission is substantially to be determined either
 - (i) By membership of the hiring organisation, or
 - (ii) By the issue of invitations to attend by a member of the hiring organisation unless it can be demonstrated that attendance is to be restricted to the *close personal friends* of the Member of the Society facilitating the hiring, and that they are attending as such.

(3) In all other cases the hiring shall be considered to be “non-commercial” unless to do so would be perverse, which shall be determined by a resolution of the Standing Committee.

Senior Disciplinary Committee, 13th November, 2008

22: Regarding Rule 71(a)(i)(5)

The dissemination whether orally or otherwise and by whatever means of information that is confidential to a Senior Disciplinary Committee and which that Committee has deemed to be confidential is action that is liable to bring the Society into disrepute.

Senior Disciplinary Committee, Xth June 2010

23. Regarding Staff of the Society (Rules 14, 59 and 60)

(a) The employment of staff, their conduct and any grievances they may have are matters for the Standing Committee to deal with;

(b) Members of the Society with a complaint to make about any member of staff should make that complaint to the President or to the Bursar where the complaint relates to a member of staff who is supervised by her under Rule 59;

(c) The President is responsible, where any such complaint cannot be resolved informally, for bringing the complaint to the attention of the Standing Committee which will consider the matter *in camera*. The President should consult with both the Bursar and one or other of the Senior Officers before referring any such complaint to ensure that all proper avenues for dealing with the matter informally have been pursued;

(d) The President is elected to be the executive head of the Society subject to the Rules. Only the President, the elected Officers and Senior Officers (in the course of their duties) and the Standing Committee acting as a body rather than as individuals may give directions to the staff. Others may do so but only when specifically authorised to act as agents of the President. Other members of the Society, whatever position they hold or may have held, have no power to direct the staff.

Senior Disciplinary Committee, Xth June 2010

24. Regarding the presentation of complaints

In future the following should be done as a minimum in the presentation of any complaint that is likely to reach a Senior Disciplinary Committee:

(a) Where the complaint is not “urgent” a full file of evidence to be relied upon should be prepared by or on behalf of the complainant before the making of complaint. This should be provided at the time that the complaint is made;

(b) Where the complaint is “urgent” it should be provided in as much detail as possible;

(c) The complaint itself should contain sufficient detail so that the Committee can determine which issues are likely to be relevant and to enable the Defendant(s) to understand the case being made against them;

(d) In either event not less than 7 clear days before the date set for the hearing the Defendant(s) and the Committee must have a full file of all the evidence to be relied upon. This must include full witness statements from any person whose evidence is to be relied upon and any documents exhibited by that witness;

(e) The panel once summoned will issue directions in relation to the following:

(i) The date by which a notice should be served by the Defendant(s) setting out which of the witness statements provided by the Complainant are not accepted and therefore which witnesses are required to give evidence “live”.

(ii) The date by which any skeleton argument on issues relating to “legal” issues must be provided by either side.

(iii) The date by which a document must be served by the Defendant(s) setting out which factual aspects of the complaint are agreed (if any).

In our view the Complainant will have to show good reason for evidence that has not been served as set out above to be admitted, but this will be a matter for individual committees to determine on the facts.

Senior Disciplinary Committee, Xth June 2010

24. Regarding Rule 71(a)(i)

Disciplinary procedure may only be brought by individuals against individuals. No committee may mandate an individual member to bring a complaint. This does not mean that a group of complainants may not nominate one person among them to speak for all of them, nor does it mean that specimen complaints – in the manner of a class action – are inadmissible

D: Interpretations of Disciplinary Appeals Committees

The following interpretations of the Rules and Standing Orders have been issued by Disciplinary Appeals Committee in accordance with Rule 67(e)(i)(3). They shall act as binding authoritative precedents to the extent set out in the Rules.

1: Regarding Rule 71, Expulsion

The Committee interprets Rule 71, as per Rule 67(e), to infer:

In the event of an appeal to the Disciplinary Appeals Committee against expulsion being ruled unjustified, the date of expulsion for the purpose of Rule 7(e) shall be taken to be immediately after the Report of the Committee on that matter being posted on the Society's notice board.

Disciplinary Appeals Committee, 21st October 2001.

2: Regarding Correction of Errors in the Rules

The Committee rules that minor spelling mistakes may be corrected by the Returning Officer without recourse to the House provided there is no ambiguity or change of meaning. UK not US spelling should be maintained throughout. For the reassurance of members, the Returning Officer must publish a list of minor errors he has corrected on the Society's noticeboard and place a copy of that list in the Public Minute Book.

Disciplinary Appeals Committee, 21st October 2001.

3: Regarding Rule 67(b)(iv), Notice in Newspapers

Ordinary notice under Rule 66(b)(iv) should be inserted in one or more of the following: *The Times*, the *Daily Telegraph*, the *Guardian* or the *Independent*. Where a proposed motion might cause the House to divide on party political lines, notices should be placed in newspapers which reflect that spread of opinion. Placing a notice in the *Guardian* without a balancing notice in the *Daily Telegraph* might, lay the Standing Committee open to allegations of manipulation. It should be noticed that the interpretation we have adopted refers to newspapers in the United Kingdom: care should therefore be taken to ensure that notice also appears in the Scottish, Welsh and Ulster editions of the applicable newspaper(s).

Disciplinary Appeals Committee, 26th May 2002.

4: Regarding Rule 67(b)(iv), Notice in Newspapers

A "Newspaper circulating in the Oxford area" must refer to a local paper, not being primarily a student newspaper. Obvious examples are the *Oxford Mail* and *Oxford Times*.

Disciplinary Appeals Committee 26th May 2002.

5: Regarding Rule 67(e), Disciplinary Appeals Committee, Powers of Interpretation

A Disciplinary Appeals Committee is an appellate body; it can decide only matters which arise from the Special Disciplinary Committees adjudication. The SDC is confined to rules interpretations, which touch on its function: Rule 67(e)(i)(5). Since we can consider only matters which an SDC has addressed (or should have addressed) we are subject to the same restrictions on rule interpretation as it is.

Disciplinary Appeals Committee, 26th May 2002.

6: Bringing Complaints under Rule 71

Bringing complaints under Rule 71, or otherwise misusing Rule 71 to procure objectives more properly attained by other means, will amount to misconduct under Rule 71(a)(i)(9).

Disciplinary Appeals Committee 26th May 2002.

7: Correcting Errors in the Rules

We recognise that anomalies occur with the Rules from time to time. By far the best approach to such errors is self-restraint: in other words, where there is an obvious typing error which leads to absurdity, members should have the discipline to take no point on it until it can be corrected in Private Business. In such circumstances, taking the point will amount to misconduct. If the point does arise we believe it to be open to any institution with powers of interpretation under Rule 67(e) to 'correct' the error though the process of construction. We stress, however, that these remarks are confined to situations where there is an obvious error on the face of a rule, and no real doubt as to what was actually intended. Interpretation under Rule 67(e) is not to be used as a means of informal rulemaking.

Disciplinary Appeals Committee, 26th May 2002.

E: Interpretations of Election Tribunals

The following interpretations of the Rules and Standing Orders have been issued by Election Tribunals in accordance with Rule 67(e)(i)(4). They shall act as binding authoritative precedents to the extent set out in the Rules.

1: Regarding Rule 33(c)(i), Tribunal Panel Composition

The phrase “the Tribunal shall consist of any members chosen with the Standing Committee’s approval” does not derogate from the necessity of there being three Members to constitute any Election Tribunal, but rather merely requires the Returning Officer to have recourse to Standing Committee to approve other Members to serve should fewer than three of the Members originally approved be able to serve when a Tribunal is summoned. The Standing Committee may approve as many names as it sees fit in the circumstances, but the Returning Officer may only constitute a tribunal of neither more nor less than three Members, all of whom have been approved to serve by Standing Committee in that Term.

Election Tribunal, 10th March 2000.

2: Regarding Rule 33(a)(i)(2)

The sending of an email to multiple recipients, whether via a mailing list or otherwise, is “systematic” conduct for the purposes of Rule 33(a)(i)(2).

Election Tribunal, 2nd December 2002.

3: Regarding Rule 33(a)(i)(13), Tampered Evidence

Documentary evidence from which words have been deleted or words added or which has been otherwise altered, yet nevertheless purported to be or was presented as an original document with no such deletions, additions or alterations, constituted false evidence, and that knowingly to submit such evidence constitutes malpractice as defined by Rule 33(a)(i)(13), whether or not the individual submitting the evidence was responsible for alteration.

Election Tribunal, 4th March 2002.

4: Withdrawal of Electoral Malpractice Allegations

Any member submitting a written allegation of electoral malpractice to the Returning Officer may withdraw in writing such an allegation within a period of up to 72 hours after the Close of Poll. The Returning Officer shall have the power to disallow such a withdrawal in the event that he is satisfied that the allegation was made frivolously or maliciously or in the event that he is satisfied that the withdrawal of the allegation has been made under duress. If the Returning Officer disallows the withdrawal then the allegation and any evidence provided in support of the allegation shall be considered by the Election Tribunal together with the results of such investigations as the Returning Officer shall have made. If as a result of the withdrawal of an allegation there remain no live allegations of electoral malpractice then the Returning Officer shall no longer be bound by Rule 33(b)(v) and may cancel any arrangements made for the holding of an Election Tribunal.

Election Tribunal, 11th March 2003.

5: Admission of Observers to Election Tribunal Proceedings

The Rules do not preclude or prohibit the admission of observers to election tribunal proceedings. The general provisions relating to allowing observers to attend Committee meetings of the Society (Rule 23(g)) do not apply to tribunals, although it is perhaps worth noting that those provisions do not apply to “disciplinary matters” so the Rules do contemplate that in certain disciplinary issues at least even a Committee which would normally have to allow observers to attend could prevent them from so attending. Accordingly it is for each tribunal to decide whether or not, and if so, on what basis, observers should be allowed to attend any part of or all of the proceedings of a tribunal. The deliberations of the tribunal panel shall be private.

Election Tribunal, 9th March 2005.

6: Discussion of the Validity of Election Tribunals

The convening of a tribunal by itself creates a rebuttable presumption that the tribunal is constituted lawfully in accordance with the Rules. The Rules provide that this presumption can be rebutted either during the course of the tribunal or via the appeal procedures as provided for by Rule 33. If by the close of the appeal period, or the appeal procedure if an appeal is called, the presumption of legality has not been successfully challenged then the tribunal and its decisions (to the extent it has not been overturned by an appeal) must stand as and remain valid under the Rules, which provide no other method for the presumption of legality to be subsequently challenged. Accordingly, no other person or body may, after the appeal process has finished, challenge the legality of the tribunal or the decisions it made in respect of any specific complaint heard by it.

Election Tribunal, 9th March 2005.

7. Concerning Rule 27(a)(iv)(1), (Rule 32(h) and Rule 67(e)(v)

A person in his eighteenth term as a member of the Society shall be considered to be a member of eighteen terms' standing. Such a person is therefore eligible to sit on an Election Tribunal or SDC.

Election Tribunal, 10th June 2005.

8. Concerning the Status of Complaints of Electoral Malpractice

For the purposes of Rule 7(b)(iii) (suspended members), the right to complain of electoral malpractice is not a "privilege" which suspended members are prevented from exercising by virtue of that Rule.

Election Tribunal, 30th November 2008.

9. Concerning the Rights and Duties of Suspended Members

Rule 7(b)(iii) (suspended members) states that a suspended member is "bound" by the "Rule concerning electoral offences". This means that a suspended member has both the responsibilities and the rights created by those Rules, including the right to complain of electoral malpractice

Election Tribunal, 30th November 2008

10. Concerning the Time in which the Returning Officer Holds the Powers of the President

The Presidential powers and duties delegated to a Returning Officer pursuant to Rule 13(b)(ii) are clearly expressed and intended to be used by the Returning Officer for the smooth running of the Society only, pending the handover of such powers to the democratically elected President-Elect. The Returning Officer to whom powers and duties are delegated shall not style himself as a replacement (in any sense) to the President, nor use such powers and duties without the maximum consultation with the incoming Junior Officers that circumstances permit.

Election Tribunal, 4th December 2009

11. Concerning Rule 33(c)(ii) and Standing Order D8(c)

In the case of a member who is already a defendant in election tribunal proceedings, the second sentence of standing Order D8(c) means as follows: *'If, during the investigation, the Tribunal should have reason to suppose that a Member has committed an electoral offence, who is not already a defendant in respect of that offence, they shall inform him immediately, and he shall have the rights of a defendant in respect of that offence thereafter.'*

This is in accordance with the Tribunal's "complete power to investigate all the Allegations and circumstances dependent upon those Allegations" under Rule 33(c)(ii). The word "Allegations" in Rule 33(c)(ii) refers to written allegations submitted to the Returning Officer under Rule 33(b).

Election Tribunal, 10th March 2011

F: Interpretations of Appellate Boards

1: Unreasonable Appeals

A person who has a right of appeal can still be found guilty by an appellate body of bringing an unreasonable appeal as set out in Rule 33 (d) (vii) (5).

Appellate Board, Trinity Term 2005

2: Interpretations of Rule 33

The purpose of the Society's elections is not to enable some abstract exercise in statutory construction, rather it is to enable the membership as a whole to determine who they want to run their Society. Rule 33 has been written to ensure this takes place in a fair and just way. The paragraph above gives guidance to Returning Officers, Election Tribunals and Appellate Bodies in the construction and effect of the Rules. When any of these bodies is interpreting the Rules they must have Rule 33 (a) (iii) (1) in mind. Any interpretation of the Rules that contradicts the above guidance is wrong and subject to reversal by a superior body under Rule 67(e). In terms of Rule 33 the Appellate Board is empowered by that Rule to issue interpretations of Rule 33 (as arose in the course our duties in this appeal) which are "authoritative precedents for Members or bodies, with powers of interpretation which are junior or of equal status to the Member or body in question. For the sake of clarity we interpret "authoritative precedent" in the context of this rule to mean binding on all bodies of junior status to ourselves.

Appellate Board, Trinity Term 2005

3: Regarding Standing Order D8(a)

We are of the view that Standing Order D8 (a) (h) could properly be seen as directory not mandatory. Where all parties are aware of, or ought to be aware of, this Standing Order the fact that the Tribunal has not formally read it to them is not a reason to quash the decision of that Tribunal unless some real prejudice that goes directly to the fairness of the proceedings can be shown. We note also that even if we had found the breach of this Standing Order to have the significance which the Appellant sought to attach to it, we would not have been obliged to quash the findings of the Tribunal. In our view the use of the word "power" in Rule 33 (d) (vii) (4) provides us with a discretion as to whether the Tribunal should be quashed or allowed to stand. We cannot imagine any Appellate Body quashing the Tribunal in the circumstances of this case on the basis of this one ground of appeal.

Appellate Board, Trinity Term 2005

4: Regarding Election Tribunal Procedure

The "Schedule of Suggested Procedure" appended to the Rules is not binding. We see no difficulty with the Tribunal panel asking questions of a witness before either of the parties, provided that the parties are given an opportunity to adduce any further relevant material that they wish following this questioning. The Schedule was written (largely by a member of this Board) with the purpose of providing a guide to procedure. It is best practice, but does not have the status of a binding rule.

Appellate Board, Trinity Term 2005

5: Proceedings of a Committee

Previous Disciplinary Committees have indicated that the proceedings of a committee are generally a matter for that Committee and its Chair. There are set procedures for challenging a decision of the Chair. Such decisions could include a decision to hold a meeting when proper notice had not been given to members of the committee. We endorse the view of those Disciplinary Committees that the conduct of meetings of the Society, whether public or private, are principally a matter for the Chair and the members of that committee. Only in rare occasions would it be appropriate to review those decisions in a Disciplinary Committee or Election Tribunal.

Appellate Board, Trinity Term 2005

6: Discussion of the Validity of Election Tribunals

Once a tribunal has reached a decision, the only way to challenge the eligibility of a member of the panel or the composition of the panel is to appeal. If no appeal is made (or the point is not taken on appeal), the decision of that tribunal stands even if it subsequently comes to light that one or members of the panel were not qualified under the Rules to sit. Decisions of tribunals (for example a conviction for electoral malpractice) remain valid unless successfully appealed, whatever issues may subsequently come to light.

Appellate Board, Trinity Term 2005

7: Regarding Interpretations of the Rules

We take the view that the Returning Officer and Election Tribunals are bound to bear in mind that the purposes of the Rules is to allow the members of the Society to choose the leadership and management of the Society according to the criteria set out in the Rules. The Society is in essence a democracy where each term the membership as a whole has an opportunity to determine the direction that they wish the Society to take.

It is not the function of the Returning Officer or Election Tribunals when considering breaches of the Rules to interpret those Rules in such a way as manifestly subverts the objective that those Rules seek to promote.

Appellate Board, Trinity Term 2005

8: Regarding Complaints of Innocent Interference

The purpose in our view of the “innocent interference” rule was to ensure that mistakes in the conduct of the election did not prejudice the free choice of members of the Society as to who they chose to vote for. Examples would include the failure to name a candidate on the ballot paper, a failure to include a candidate in the manifesto booklet or a failure to allow a class of members to vote in the election in the mistaken belief that they were not allowed to vote (or vice versa). This rule was not intended to be a lesser version of malpractice with a lower standard of proof.

Appellate Board, Trinity Term 2005

9: Burdens of Proof

For a tribunal to be satisfied that a candidate who claims to have nominated within the prescribed time has not done so in circumstances where the Returning Officer has accepted the nomination, it must be satisfied beyond reasonable doubt that the candidate deliberately misled the Returning Officer and has deliberately misled the Tribunal in evidence. A Returning Officer when deciding not to allow a candidate to appear on a ballot paper must be satisfied beyond reasonable doubt that the nomination was not made within the time period allowed in circumstances where the candidate asserts that it was so made.

Appellate Board, Trinity Term 2005

10: Allegations of Bias

The framework for considering bias was set out in the Report of the *Mackerras v Keenan, Walsh v Mackerras* Disciplinary Appeal Committee. We are not, as a superior body, bound by that Report. However having considered its contents we consider them to be an authoritative interpretation of the rules in relation to bias. As such we adopt them as our own formal interpretation of one of the principles of natural justice which applies in the course of Tribunal proceedings, the breach of which gives rise to an appeal under Rule 33 (d) (i) (3).

Any objection to the Tribunal panel must in our view be made to that panel. The exception to this is clearly when the facts relating to that bias were not known to the complaining party at the time of the tribunal. What cannot happen is that a party waits to see if their case succeeds, and only when it does not does he take the point on appeal.

Appellate Board, Trinity Term 2005

11: Failure to Report by the Deadline

When circumstances conspire to make a report late, some discretion should be used by interested parties in deciding whether it is really in anyone’s interests to appeal solely on this point. We cannot foresee many circumstances where such an appeal (on its own) would not be deemed unreasonable, unless real prejudice or substantial inconvenience to the management of the Society had been caused.

Appellate Board, Trinity Term 2005

12: The Status to be used in connection with Elections

Where a candidate is entitled to have his position in the Table of Seniority indicated on the ballot paper under Rule 35(a) or in a manifesto under Rule 35(b) or on the Election Publicity under Standing Order D4, the position which shall be shown is the most senior position (s)he held at the time of opening of nominations.

Appellate Board, Michaelmas Term 2009

13: Regarding the Assistance of the Returning Officer in the Correction of Complaints

Where a Returning Officer receives a Complaint that is not entirely made out under the requirements of Rule 33 (b) (vi), he is required by reason of natural justice and administrative efficiency to help the Complainant wherever possible to properly make out the complaint in any and all respects, both in advance of the close of the deadline for Complaints, and also where possible after the close of the deadline. This duty extends not just to the form of the complaint but also to the substance (e.g. description of facts, list of evidence). The Returning Officer is also under

a corresponding duty to inform the Respondent of the complete content of any Allegations made against him. Where an incomplete Allegation is brought, with the effect that the Respondent is unable to understand the substance of the Allegation, the Returning Officer's duty to help the Complainant improve his Allegation also extends to help the Respondent understand the Allegation, including through furnishing any materials the substance of which would have been included in a properly made out Allegation. Any and all improvements made to the form or substance of an Allegation between the making of the Allegation and the Tribunal, should be brought to the attention of the Respondent by the Returning Officer in a timely manner.
Appellate Board, Trinity Term, 2011

14: Regarding the Returning Officer's Power to Consider Allegations of Electoral Malpractice Invalid

Any Election Tribunal's consideration of whether it is "validly composed" must be followed by consideration of whether the allegation or allegations it has been summoned to hear have been validly submitted. The Returning Officer shall be obligated to draw this to the attention of any member who submits an allegation of electoral malpractice. The Returning Officer shall also be obliged to bring any concerns he or she has about an allegation's validity, including any concerns that have been submitted to him in writing, to the attention of the Election Tribunal. The Election Tribunal must consider these representations, and invite similar representations from all parties, before it adjudges itself to be validly composed. If an Election Tribunal concludes that an allegation has not been validly submitted, it shall not hear the allegation that has been brought. Its only power shall be to determine whether a charge of bringing a frivolous or malicious allegation against the complainant is warranted. Any decision that an allegation has been invalidly submitted may be appealed to an Appellate Board as a failure by the Election Tribunal to follow correct procedure. The Appellate Board has the power to rule on the Allegation's validity and substance.
Appellate Board, Trinity Term, 2011

15: Regarding the Submission of Incomplete Complaints

Where the initial complaint was not entirely made out on submission to the Returning Officer, a Tribunal should, prior to hearing the case in its entirety, first ask itself whether the Complainant has remedied the aspects of the Allegation that had not previously been fully made out, both in form and in substance. Where the Tribunal can correct the defects in form, they should do so. The Tribunal should not proceed to use their investigative powers on any Allegation without first satisfying themselves that the Allegation is complete in form and in substance. Where the Allegation is not capable of being corrected in form and / or substance, the Tribunal should render an immediate verdict of No Case To Answer, and thereafter immediately use their investigative powers to consider a charge under their own name against the Complainant for making a Frivolous or Unfounded and Malicious Complaint per 33 (a) (1) (12). Neither this, nor any other interpretation made by any other body constituted under these Rules, should be read to remove the requirement that Allegations should be brought within 49 hours of Close of Poll. Attempts to side-step this requirement are strongly deprecated.
Appellate Board, Trinity Term, 2011

16: Regarding the Consideration of Further Charges not included in the Original Complaint

A Tribunal may bring further charges against an existing Respondent, as they could against a non-Respondent, provided the same notice requirements as specified in Standing Order D8(c) are met. A Tribunal may not bring charges or further charges against any Member except as emerges from their investigations (once begun), and connected with the original Allegation as brought.
Appellate Board, Trinity Term, 2011

17: Regarding the Use of the Term 'Conspiracy'

A charge of conspiracy under Rule 33 (a)(i)(24) must be capable of describing which electoral malpractice the conspiracy is assembled to secure.
Appellate Board, Trinity Term, 2011

18: Regarding the Necessity of Scrutiny Committee Prior to Conclave

Meetings of conclave to elect a Returning Officer may not be carried out without a prior meeting of the Selection Committee for every conclave held that term. Any meeting of a conclave to elect a Returning Officer without a unique and prior Selection Committee is a nullity.
