① Question: tell me about vision - what you like
Lanning: social side, quiet in the day. Be a fun place, like an SC.
loudest is ensemble, f/pic.
controversial speakers, challenge them. 24 hr library,
livestream on app
McGraw: Most people only go to a few events - Multi, smaller event,
deep interaction with speakers. Not a big speech, genuine debate.
Lanning has good idea. Was confirmed a lot.
